

Hopefully, Become the Savior Who Can Save Humans Quickly

(This man refers to the Victor Christ of the Victory Altar.)

The Savior Who Fully Understands All Scriptures

All of our Japanese family members saw the strong Dew falling during the Mother's Day event yesterday. They saw the Dew fall in the form of a rainbow. Not only could they see it in pictures, but you could see it with your own eyes,so they felt it.

Therefore, even in Buddhism, an article about the Sweet Dew Water by the general secretary was put in the newspapers. In fact, they heard the Sweet Dew Water, the Sweet Dew Haein, and the Dew only in words today, but was it actually a fact that the dew fell like this? Clearly, in the Buddhist scriptures, the person who appears with the Sweet Dew Water is said to be the Maitreya Buddha. In Gyeokam Yurok, the person who comes out with the Sweet Dew Haein is said to be Jeongdoryeong. Also, the Bible says that the man who pours the Holy Dew Spirit is the Victor Christ. Therefore, do the religious scholars of the world today know that the Savior is the Maitreya Buddha, and the Maitreya Buddha is Jeongdoryeong? No, they do not know. Because they think their religion is the best and their religion is an orthodox religion. Buddhists don't read the Bible, and Christians do not read the Buddhist scriptures.

But people can see that there are biblical words in the Buddhist scriptures, and that there are Buddhistic

words in the Bible only when you come to this Victory Altar. Additionally, the people of the Victory Altar know about the Buddhist scriptures, the Bible, GyeokamYourok, and all sorts of the scriptures. Therefore, what the Buddhist scriptures and the Bible have in common is that the Dew descends. And there is something in common between the fact that the Buddhist scriptures say that the Maitreya Buddha comes in the Year of the Lamb and the fact that the Bible says that the people who are saved are sheep....

Dr. Jang said that a newcomer from Busan went outside and smoked three cigarettes before the second session yesterday. He must be a newcomer since he smoked three cigarettes. He said that the face of This man was changed every time. Sometimes it turned into a general's face, sometimes it turned into a normal person's face, and sometimes it turned into a face that didn't look like the face of a person in this world? The new comer of the Victory Altar saw This man's face changing every moment in Busan, so on Parents' Day, after setting aside all things in Busan, he came to the headquarters. As he could not smoke for an hour while watching the worship service, he smoked three cigars at once. Cigarettes are like opium, and if the smoker can't smoke anymore, his body will still crave cigarettes. The smoker cannot collude with This man.

The reason This man's face changes moment by moment is This man kills the devil. Because he kills the devil, the awareness of 'I' changes. Seeing This man's face through the eyes of the

devil is different from seeing it after the devil's death. Not This man is changed, but when the spirit of awareness of 'I' dies, while the spirits of other God are with you, if you see the Victor Christ, is it different from seeing him with the eyes of the devil first? It is different. Yesterday, three Japanese people such as Aoki, Okao, and so on saw the Holy Dew Spirit. This man made them see it. By making them see the Holy Dew Spirit, he let them realize that he is from heaven. And so, as This man tells you every worship service, if you eat God's heart, you become God, and if you eat the devil's heart, you will die.People die because they do an activity to die.

The Love Between A Man And A woman Is Not True Love

If you want to become a person of eternal life and a person of heaven, you must have a sacrificial heart. Love is a sacrificial heart. From the day you come out of the Victory Altar, only when you immediately abandon your two minds and love the husband you hated in the past and the wife you hated in the past with sincere and sacrificial love, the unbelieving wife is supposed to follow, and the unbelieving husband follows the wife to the altar. Evangelism does not work without sacrifice. Do you know? So, if you want to do evangelism right now, do you have to buy bread, snacks, and rice to do evangelism?

If you know that you are a child of God, and that you are in the state of a servant of the devil, should you quickly escape from being held captive by the devil? In order to escape, do you have to act as the devil tells you right now?

Should you move in reverse? Did This man act in reverse? The reverse life was that if This man didn't want to work, he had to work, and now if there was someone he hated, he liked that person sincerely. I didn't like the person I liked. As I live a life opposite to what I want, will the awareness of 'I' gradually weaken? Will it get stronger? It will weaken. Therefore, when the awareness of 'I' finally becomes weak, it dies. That time, we can be reborn as the Holy Spirit. If one is reborn as the Holy Spirit, the awareness of 'I' is changed. With what spirit has their spirit changed? That has changed into the spirit of God. This man has told you many times how his state of mind changed after he was changed by the Spirit of God, but I tell you again.

Those Who Speak Ill Of Someone Will Change Their Faces Into Devils

No matter how much people still hate This man, and no matter how much people speak ill of him and slander him, hatred does not come from This man's heart. If a person hates a person, his face will change into the image of a devil. So do not hate people. Since all people in this world are children of God, we regard them as Gods. If the people of this world think of other people as Gods, will they first be happy? Will the person who hates people be happy? Would a person who thinks of people like God be happy? Among the ways that This man has the heart of God, you must always have a grateful heart. Now because God has given me air, so I can breathe it and given me food to eat today so I can live like this. Thank God for giving me life

so I can live. Thank God for allowing us to worship at the altar like this? People are happy when they have a grateful heart. If you have a grateful heart, does your heart automatically rejoice? So if you want to have God's heart, you must always live a life of gratitude with a heart of gratitude to God. That's how the feeling of gratitude keeps coming out. Since I am grateful to God, I must repay God for my gratitude. So, you should only do what pleases God. That way, as long as you do what pleases God every day, God will give you grace, and if you do what pleases God, you will be more and more happy. Now, because of pouring out the grace of God, who is the God of joy, we continue to be happy. When God now falls on you like the dew, as God is the God of joy, the God of love, and the God of sacrifice, when God's sacrificial heart explodes, the grace that pours out is the grace of the dew, the grace of the dew is falling even now, and entering the pores of a person, the person does not die and becomes a Buddha, becoming God according to the Bible and the Buddhist scriptures.

If you just receive the grace of the dew, which is the spirit of the victorious God and the spirit of killing the devil, the spirit of the devil within you will die, and the blood within you will gradually become clearer. Does it turn into the blood of God? If your blood turns into God's blood, will God's heart grow more and more right now? At the same time, as the heart of God gradually grows and lives with the heart of God, it is not just me who gains eternal life; now that the heart of God explodes and springs forth, will all the people next to you receive the grace of God and be saved?

Check Whether You Have The Heart of God or Not

Do I have to check my heart to see if I am really on God's side and, over time, establish my heart as the heart that belongs to God? We need to fix my heart as the heart of God. If one just tries to establish their mind to have the mind of God, will he not only become God, but will he change into a body of eternal life that cannot die? Since your blood changes as you think, it is an urgent priority for you to cherish the heart of God time and time.Is that your responsibility now? If you continue to have the heart of God and now have the heart of God, then will you be saved yourself and further become a Savior who can save all the peoples of the world? You have to become the savior to save all people in the world. Now, if you do not become a Savior, can you save all people in the world? So now, as God's victorious spirit grows more and more, does that victorious spirit become stronger? Are you getting stronger? As you become stronger, now completely destroy the devil's world,and completely destroy the devil's world? Then, the world without death will become a world without sadness, without fear, anxiety, worry and care. Do you guys have the responsibility to create such a good world. Therefore, you must quickly become Gods, the victorious God who was born again by the Holy Spirit, and now become the Savior who saves lives, right? is it so?*

-Extracted from the sermon of the Victor Christ of the Victory Altar on May 9th, 1992.-

전세계에 알리는 진짜 경전 이야기 19회

전 세계여 깨어나자!

<자유율법 - 4편>

1. 애틀 쓰는 자 못 지켜도 지킨 것으로 쳐준다.

애틀 쓰고 기를 쓰지만 하면, 자유율법을 못 지켜도 지킨 것으로 쳐주고, 이긴자가 대신 마귀를 죽여주겠다. 애틀 쓰고 기를 쓰는 자는 하나님 편에 서 있는 자이다. 그래서 하나님 편에만 서 달라는 것이다.

2. 마음의 싸움에서 어느 선을 넘어야 데려간다.

이긴자가 되어야 천국에 갈 수 있다. 이긴자를 볼 적마다 가슴 설레임이 없는 자는 천국에 갈 수 없다. 이긴자가 바로 천국으로 가는 길이다. 이긴자가 천국에 가는 길을 열어 놓은 자이다. 이긴자가 자유율법을 지키는 비결을 가르쳐 준다. 여러분들이 시간시간 마음의 싸움을 해서 어느 선을 넘어야 이긴자가 데려간다. 다른 사람 볼 것 없다. 자신과 스스로 싸워야 한다.

3. 여러분들이 자유율법을 잘 지키면

여러분들이 자유율법을 지키면 이 제단이 미어터지는 것이다. 이긴자가 말하는 것을 순종하여 그대로 지켜줄 것을 이긴자가 눈물로, 피 눈물로 호소하는 것이다. 이긴자가 말하는 것을 지켜달라고 간절히 말하고 있는 것이다. 내가 실천을 안 하면서 입술로만 말하는 것이라면, 여러분들이 말을 안 들어도 된다. 하지만 이긴자는 하나님 말씀대로 실천을 해보고, 순종 하면서 여러분들에게 시간 시간 외치는 것이다. 그러므로 여러분들이 자신의 사생활을 모두 자유율법 안에서 행할 때, 이긴자는 감동이 되고 눈물이 쏟아지는 것이다. 이긴자를 만났다는 것은 육천 년 만에 맞보는 감사한 일인 것이다. 그러므로 이긴자를 만난 것이 고맙고 감사한 것을 알아야 한다. 영생의 별은 하늘의 별 따기보다 더 힘든 것이다.

< 영의 싸움과 단계 - 1편 >

이 길은 영의 싸움을 하는 길이다. 이러

한 영의 싸움은 단계별로 순서껏 올라가야 한다. 단계를 거치지 아니하고 갑자기 경중 뛰어서 변화가 되는 것이 아니다.

1. 첫 단계 : 참는 것

영의 싸움에서 첫 단계는 '참는 단계'이다. 이 참는 단계를 거쳐야 참을 수 있는 단계로 변화가 되는 것이다. 하나님께서 이긴자에게 마귀의 갖은 천대와 멸시를 받게 만들었다. 도저히 참을 수도 없는 정도의 하찮은 인생한테 멸시와 천대를 받았다. 그때마다 치밀어 오르는 감정을 꼭 꺾꽂겨 참고 눈물을 흘렸던 것이다. '이것을 이기게 하여 주옵소서. 나로서는 이길 수가 없나이다. 이 감정을 이기게 하여 주옵소서.' 하면서 꺾꽂겨 참는 단계를 수년 간 거쳤던 것이다. 이 단계를 거쳐 올라가는 것이다. 이런 일을 봐도 참고, 저런 일을 봐도 참고, 어떤 일을 봐도 참고 참는 습관이 생기니 얼굴에도 감정이 나타날 수가 없는 변화가 되는 것이다. *

Real Scripture Stories to Tell the World-Episode 19

All over the world! Let All Wake Up!

< Part 4 of Law of Liberty >

1. Even if someone who tried hard didn't keep it, it will be counted as if they kept it by the Victor Christ.

If you put in effort and show determination, even if you fail to keep the Law of Liberty, it will be counted as if you kept it, and the Victor Christ will defeat the devil on their behalf. Those who make an effort and show determination stand on God's side. Therefore, it is asked that they stand only on God's side.

2. In order for the Victor Christ to take you to heaven, you must cross a certain threshold in the battle of the heart.

You must become an Overcomer in order to enter heaven. Those who do not feel excitement in their hearts whenever they see the Victor Christ cannot enter heaven.

The Victor Christ is the path to heaven. The Victor Christ is the one who has paved the way to heaven. The Victor Christ teaches the secret of abiding by the Law of Liberty. You must fight for hours and hours and cross a

certain threshold before the victor can lead you. No one else can do it for you. You must fight your own battle within yourself.

3. If you all keep the Law of Liberty

If you keep the Law of Liberty, this altar will overflow with people. The Victor Christ pleads with tears and even tears of blood, urging you to obey and abide by what the Victor Christ teaches. The Victor Christ is earnestly imploring you to keep what he says. If I only speak words without putting them into practice, you need not listen. But the Victor Christ is to put into practice according to God's Word, so he shouts out to you time and time again. Therefore, when you live your personal lives according to the Law of Liberty, the Victor Christ will be moved to tears. Meeting the Victor Christ is a moment of gratitude after 6,000 years. Therefore, you should recognize that you are blessed and grateful to meet the Victor Christ. The star of eternal life is harder to obtain than picking a star in the sky.

< The Fight and stages of the Spirit - Part 1 >

This is the way to fight in the spiritual battle. It must be ascended step by step in order, as change does not happen suddenly without going through stages.

1. The First Step: Endurance

The first step in the battle of the spirit is the "endurance step." You have to go through this stage of patience to reach a stage where you can endure. God caused the Victor Christ to receive all sorts of contempt from the devil. He was treated with contempt by unbearably insignificant people to the extent that he couldn't stand it. Each time, the Victor Christ held back his rising emotions and shed tears, asking for help to overcome them. "Please help me overcome this. I cannot win. Help me overcome this emotion," he would say. It took years of patience to reach the point of endurance. Once you have gone through this stage, it becomes customary to endure no matter what happens. When you see something like this, you endure it; when you see something like that, you endure it; and when you see something, you develop a habit of putting up with it.*
