

If You Dwell In Victorious God, Everything Would Be Going Well

(This man refers to the Victor Christ of the Victory Altar)

Did This man say that he supper a lot? In fact, This man looked suffered a lot to people's eyes, but he's never done it before. As he is always happy, he doesn't feel like he's suffering anymore, but he always live in pleasure, so This man continued to sing this hymn, 'There is no storm of hardship~'. All other people live through hardships, but This man does not live through hardships, but always lives in joy and pleasure, That's why he always sang this hymn. So, what is the secret to living in the midst without hardships and storms? You can never live in the midst of hardships if you act in God. If you do what "I" do, it will be painful, if "I" do it, your worries will not leave you, and if "I" do anything, nothing will happen. You will fail at everything. You can't do anything. Because "I" did it. I'm not supposed to do it.

Secret To Be An Overcomer

However, if you do it in God, there is nothing you can't do, and everything is possible and everything is to be successful. That's why This man's philosophy is "There is nothing impossible." He lived with the philosophy. That's because This man's real life was like that. There is nothing impossible to do in God.

It's done by God. All of your dreams can come true if you have the right mindset. Whatever you do, you're bound to succeed. And even when This man studied, he had never been second place. He got first place. It's because it's always done in God. Therefore, he

has lived with a philosophy like this, saying, "There is nothing that cannot be done in God, and there is nothing that is impossible!" When This man started this work, he has collected one by one in this wilderness. Today, This man built a big building. When he was building this altar, he didn't have a dime. He had no money to have. If "I" tried to build it then, he couldn't build this building. But This man was sure that God would build this altar of God. So he didn't have a penny in his account, but if the money came in, that was hundreds of millions won. This is not what people do. Building this building without a penny of money. When This man bought this 440 pyeong land, he didn't have a penny, but the money for the down payment came in somewhere after signing the contract. After that, despite the fact that there was no money to pay the interim payment, This man promised to pay it on any day. The day he promised, the money came the day before. Almost anyone is bound to give up, saying that this is not possible. Then, after paying the intermediate payment and buying the land, we need the money to build a building. But no one was willing to donate.

Because the Korean people didn't have money. Since he thought he had to go to Japan, he went there and started evangelizing. A large amount of money began to come in from Japan. Since this building was just going up, it was impossible not to donate, so we Koreans all did little by little. So,

There Is Nothing That God Cannot Accomplish

This man knew for a lifetime that if

"I" tried to do something, "I" couldn't do it. And if God did it, God insisted on it, and if God did it, there was nothing impossible. That is why even if you try to obtain eternal life, you cannot obtain eternal life.

Eternal life is something that even God cannot do. But what can be done is that the Victorious God, who can overcome the devil, can now give eternal life. That's why you are meeting Jeong Do-ryeong today. Jeong Do-ryeong himself is the Victorious God, the Maitreya Buddha himself is the Victorious God. That is why Maitreya Buddha is the spirit of God who has overcome the devil, not the spirit of God who has not overcome the demon. Therefore, only when the Maitreya Buddha comes out do people not die, and only when the Maitreya Buddha comes out does the world not die. So, does This man tell you how to not die? Now, when "I" pray, it means that the devil prays and the blood continues to rot. So when "I" do everything, the blood continues to go bad. Now, even if "I" walk, my blood will decay, and even if "I" live a life in the world, my blood will rot and eventually "I" will surely die. That's why "I" have to stop doing what "I" do in myself and do what "I" do in God. Only when "I" eat in God does God eat, and only when "I" live in God does God live. Only then can "I" gradually become God.

30% Of People In the Factory Became 70% Victor

Today, when This man went to the factory and led the worship service, there were 30% of people who reached 70%. Which means they became God

for 70%. There are now many family members who are eagerly clinging to God. There are people who have thrown away their houses, their hometowns, their relatives, and their friends, and therefore, they know only God. This man always teaches them because they know nothing but God, and now they are struggling to work in God. "If you guys do the work yourself, you can't do it because it's hard." Now, when it's hard, boring, and irritating, it's because "I" am already doing it. Now, if you do it in God, it's fun, and if you do it in God, the work goes well as it is now, and when the work is finished, it's enough to say, "Hey, it's already finished!" The mind becomes like that to the extent of doing it. Now, everyone, try it. So they follow This man's teachings, the whole sewing machine sounds like beautiful music, and they work in a happy and joyful heart, so will their work efficiency increase?

So, is the process of those people working in the grace of God all for God? Is it for yourself? It's God's work. That's why you're doing God's work, and that's why you're doing it in God. So the spirit has no choice but to grow. So the people who made up 70% are 30%, and then most of them are 50%. And then a few reached 30%. How does This man know that? He knows right away seeing the face? When you look at their faces, you can't tell them apart anymore, but This man knows the person's complete state just by looking at their face. The face is bright and white. If one is 70% finished, it is to the point where the light comes out of the face. That's why This man can tell by looking at the person's face. If you're 50% done, your face isn't 100%

white. Next those who are 30% done are dark yellow. So, all of you have to fulfill like factory workers. This man says that there was no religion in this world today, right?

True religion unquestionably necessitates immortality

Also he says that there was no learning. So religion is something that achieves the truth, which does not change. If eternal life does not come true, it cannot be a religion, right?

But in order to achieve eternal life, do we have to live according to the soteriology of the Bible? So, just as John 3:5 says, "You must be born again by the Spirit to be saved," it means that you must be born again of God to be saved. To be born again as God indicates that there is God within man, and it also hints that man was God in the past.

Therefore, the word to be born again as God means that humans were God in the past, right? So, just as you were Gods in the past, the saying that salvation comes true only when you are born again as God, now it also means that the spirit of awareness of "I" is the spirit of the devil, also it means that God will be reborn as God if we defeat this demon's spirit. Therefore, since it means that you must overcome the awareness of "I" to be reborn as God, the general churches and Christianity know this? No, they do not know that.

So, seeing This man knows all this in detail, is he undoubtedly the Savior?

So, does God have to be strong to overcome me? God must be strong. The way God can become strong must be done when we act within God.

If you don't act in God and always

act in the devil, the Spirit of God will gradually become weaker. When the Spirit of God is weakened, it means that the life force is weakened. To lose vitality means to die.

That is why This man tells you to act in God. Is there a word in the Bible, "You act in God." This is also soteriology. Which is why the phrase "Do in God" literally involves "Don't do it in yourself." Now, the meaning of the word "Act in God" is "Become God." And again, the word, to "Act in God" implies "Be a God who overcomes me." Only a victorious God can behave in God. If one does not defeat oneself, they cannot do in God. That one phrase has several meanings. So, since This man knows, he can interpret it like that?

But now, obviously, the Bible tells you to have the heart of God, right? (Yes) It indicates that you have the heart of the devil? Yes. Why is the Bible telling you to have God's heart now? You die because you have the heart of the devil; it says that you should have the heart of God.

So it signifies that I can embrace God's heart only by overcoming myself and becoming God. Also, does it connote to be born again by the Holy Spirit?

To have the heart of God implies that only God can have the heart of God, but can a person have the heart of God? No. Only when you become God can you have the heart of God.*

<자유율법 - 3편>

1. 매일 제단에 빠지지 않아야 한다

자유율법 중에 가장 큰 율법이 제단에 나와 매일 번제를 드리는 것이다. 그러므로 제단에 매일 안 나오는 것이 자유율법을 크게 어기는 것이다. 따라서 제단 출석을 게을리 하고 1부 예배를 보았다가 3부 예배 보았다가 자기 마음대로 움직이는 사람은 자유율법을 크게 어기고 있는 것이다. 제단 출석을 게을리하고 마음대로 움직이는 자는 구원과는 상관없이 없는 자이다. 하나님의 자유율법이라고 하는 것은 하나님만을 위한 율법이다. 사람이 하나님만을 위한 율법이다. 내 마음대로 제멋대로 사는 것은 마귀 마음대로, 마귀의 조종대로 산다가 되는 것이다.

2. 마귀의 조건에 따라 변형시키는 법

자유율법은 마귀가 움직이는 데 따라서 그때그때 변형되는 것이다. 자유율법은 일정한 법이 아니다. 변형을 해서 마귀를 죽이는 것이 자유율법이다.

3. 인간은 지킬 수 없는 하나님의 법

자유율법은 인간으로는 지킬 수가 없게 되어 있다. 그것은 하나님의 법이기 때문이다. 인간의 법을 새와 짐승이 지킬 수가 있겠는가? 마찬가지로 자유율법은 하나님을 위한 하나님의 법이고로 하나님이나 지킬수가 있지 인간은 지킬 수가 없다.

4. 자유율법은 내가 지키는 것이 아니다

자유율법이란 내가 지키는 것이 아니요, 하나님이 오셔서 지켜주시는 것이다. 내가 자유율법을 못 지켰다고 해서 스스로 죄책감을 느끼는 것이 자유율법에 걸리는 것이다. 온전히 하나님께 이끄심을 받기 위하여 애원을 하고 처분만을 바라는 것이지, 조금이라도 내가 어떻게 하려고 하고 저렇게 하려고 하는 것 자체가 내가 하려는 음란죄이다. 그러므로 여러분들이 자유율법을 안다고 하면서 내가 기도하고 내가 주체가 되어 움직인다면 전체가 다 자유율법에 걸린다. 나라는 것은 의식할 수도 없고 존재할 수도 없는

그러한 상태라야 바로 자유율법을 지켰다가 되는 것이다.

5. 자유율법은 하나님께 맡기는 것

이길은 자유율법을 지켜야 하는 길이다. 자유율법은 어떻게 해서 지키는가? '맡기면 되는 것이다.' 하나님께 맡기면 하나님이 주장해 주시고로 자유율법을 지켰다가 되는 것이다. 다른 것은 다 필요가 없다. 내가 무엇을 한다, 내가 어떻게 한다, 하는 것은 다 부질없는 것이다. 어떤 사람이 '어떻게 어려운 법을 누가 지키고 나갈 수가 있겠는가?' 라고 생각할지 모른다. 하지만 아무리 그 율법이 엄하다고 하더라도 하나님에게 전체를 맡기면 된다. 내가 하려고 아무리 노력을 해도 되어지지 않았다. 그래서 손을 들었다. 할 수 없이 전체를 하나님께 맡긴 것이다. 이렇게 해서 자유율법을 지키는 비결을 안 것이다. 수십 년간 이렇게 저렇게 투쟁을 해보고 싸워 보고 해서 겨우 정통성을 찾은 것이다.*

Real Scripture Stories to Tell the World—Episode 18

All over the world! Let All Wake Up!

< Part 3of Law of Liberty >

1. You must not fall into the altar every day

Among the Law of Liberty, the greatest law is to come to the altar and worship every day. Therefore, not coming to the altar every day is a great violation of the Law of Liberty. Therefore, those who neglect to attend the altar, attend the first worship service then attend the third service, and move on their own will greatly violate the Law of Liberty. Those who neglect to attend the altar and move on their own authority have nothing to do with salvation. God's Law of Liberty is a law only for God and a law by which a human becomes God. To live as I please is to live according to the will of the devil, according to the control of the devil.

2. The Law of Liberty to transform according to the devil's conditions

The Law of Liberty is transformed from time to time according to the movements of the devil. The Law of Liberty is not a fixed law. The Law of Liberty is to kill the devil by

transforming it according to the situation.

3. God's law that humans cannot keep

The Law of Liberty is impossible for human beings to keep. Because it is God's law. Can birds and beasts obey human laws? Likewise, the Law of Liberty is God's law for God, so it can be kept by God but not by humans.

4. The Law of Liberty is not my abiding

The Law of Liberty is not something I keep, but God comes and keeps it. If I feel guilty because I failed to abide by the Law of Liberty, it is violated by the Law of Liberty. In order to be fully led by God, humans must beg and only plead for leniency. Even a little bit of what 'the Awareness of I (the Ego)' is trying to do and what 'the Awareness of I (the Ego)' is trying to do is in itself a sin of obscenity. Therefore, if you think you know all the Law of Liberty, but 'the awareness of I' prays and 'the awareness of I' acts, everything is violated in the Law of Liberty. It is only when

human can neither be conscious of 'the awareness of I (the Ego)' nor 'the awareness of I (the Ego)' exists that they can keep the Law of Liberty.

5. The Law of Liberty is to leave it to God.

This is the way to keep the Law of Liberty. How do you keep the Law of Liberty? 'You must leave it to God.' If you leave it to God, you can keep the Law of Liberty because God claims it. You don't need anything else. What 'the awareness of I (the Ego)' does, how 'the awareness of I (the Ego)' does it, everything 'the awareness of I (the Ego)' does is a vain effort. Some people may think, "Who can abide by such a difficult law?" However, no matter how strict the law may be, we can entrust everything to God. No matter how hard I tried, it didn't work. So I gave it up. Inevitably, the whole thing was entrusted to God. This is why the Victor Christ knew the secret of keeping the Law of Liberty. After struggling in various ways for decades, fighting and trying different methods, we finally found authenticity.*
