

You Receive Blessings by aligning your heart with God's mind

(This man refers to the Victor Christ of the Victory Altar.)

Did we sing a hymn, "We are the offspring of Dan tribe of Jacob"? Yes. We are the descendants of Dan of Jacob's fifth son. Why did the Dan tribe come to Korea? In the old times, the Israelites lived in Egypt and came out to the desert in search of Canaanite safety. When having no food, so they complained about Moses, so Moses prayed and rained down manna like dew from the sky to feed the Israelites for 40 years.

Moses' Prayer: Let God Give Manna Like Dew to the Israelites So That They can Survive Despite Having Nothing to Eat

In this way, Moses was a man with the spirit of God, and one of the Israelites during the time of Egypt had the mission to save the Israelites. He led all the Israelites out of the land of Egypt toward Canaan according to God's command. So they settled in the deserts, where there was no food to eat, not even rice, and all the fields were sandy. At that time, the Israelites, like everyone else, began to grumble against Moses. They resented Moses saying, "Why are you trying to starve us to death by dragging us out to this wilderness if we can eat well and live well in Egypt?"

However, Moses brought them here by God's command, they complained about nothing to eat. He also had a duty to feed all the people, and he prayed to God. From the moment Moses prayed, manna like dew was pouring down from the sky, and he told the Israelites to scoop it up, take it with a straw basket,

and eat it. So they ate the manna from the sky and lived for 40 years according to the Bible. And then they attacked Canaan, occupied it, took that area, and made that area the country of Israel. So, the reason why the nation of Israel exists there as it does today is that in the old days, Moses led them there, and all the Israelites went to war against tall and strong people, occupied it made it the country of Israel.

At that time, the Dan tribe occupied the land called 'Zora' in the country of Israel and lived there, so the name of the area was called 'Dan'. The reason why they said 'Dan' is because their ancestor's name was 'Dan'. Our ancestor's name is Dan? His descendants, felt sorry for calling their ancestor's name, so they added the character gun(君) meaning king and called him Dangun, so Dan became Dangun grandfather. This is the true identity of our Korean history. But in the old days, among those Koreans, there were many people who believed in ghosts. The people made up a story, "Hwanwoong, their ancestor, lived with a bear, their son was Dangun's grandfather, and it's written in the history book. The child of the bear is Dangun grandfather. Then all the offspring of Dangun grandfather are bears? (No) Do you resemble bears? No. This is wrong.

Korean: Isralites

So, Dan, our ancestor, came to Korea 3,200 years ago, starting from the Sora land, crossing the sea through the land, walking on land, and walking to Mongolia near the Altai Mountains. Is there now a country called Mongolia, right? After arriving in Mongolia,

they crossed the Yaprok River through Manchuria and settled down on the banks of the Daedong River, establishing Gojoseon. So, the roof-tiles excavated along the Daedong River are the ones that our ancestors used, right? (Yes) The roof-tiles are round, and the patterns on those tiles are those of ancient Hebrew. There are patterns "arrive" "Let's unite and enter the kingdom of God" "The kingdom of heaven is now restored through believers gathering and praying" on the roof-tiles. Therefore, the fact that the Dan tribe, our ancestors, carved their aspiration that the saints would restore the kingdom of heaven through prayer on the roof tiles proves that all the children of our Dan ancestors believed in God. Proving that they believed in God and seeing that they lived with the goal of recovering and entering the kingdom of heaven, we can see clearly that Grandpa Dangun lived with the goal of restoring the Garden of Eden, the heavenly kingdom. Also, seeing the Hebrew on the roof-tiles which our ancestors used, we can see that our ancestors clearly used the Hebrew in old times. So we are the Israelites. We are not the children of a bear. So we have to know ourselves exactly.

We have gained consciousness since receiving God's Spirit

Adam and Eve were Gods, but they were occupied by the devil, and by eating the forbidden fruit, they were penetrated by the spirit of the devil, who became the forbidden fruit, and the devils became their owners, the devil that becomes the awareness of "I," the spirit of conscience being pushed out of its place as a hero and serving as a slave

to the devil. The devils ride God like a horse and drive Him too hard. The main body of humans were Gods, the devils occupied them, became their owner, and God became their slavers.

Humans live due to Gods in them. Because of God, they have conscience, because God is in them, they have their spirits. The spirit of human beings are God. Since the demons kill God, the spirit of life, the spirits of humans die. Life of humans itself is the spirit of God. Therefore, each man has God.

As God exists in them, they have their minds. Because they have God, they have conscience, because they have God, they live. But scholars do not know this fact. Not knowing means ignorant. The fact that each and every person has a God means that the other self of God is in each person.

So God and humans are one body. The devil separates them. The devil became their owner and completely split them up. So the spirit of the devil is the spirit of division, which splits one into two. After 6,000 years of splitting, one person has reached 6 billion people. The work of splitting is that of delivering a baby, which is the work of the devil. Only devils have babies. God does not have a baby. The people of the world are gods. They are the other selves of God. In the beginning they were one body. The devil split one body, then split, split, split, split, so it made several bodies. It's the devil's entire work—breaking out into war, fighting each other, and killing each other.

This man said that He would stop the war? Without killing the devil, He can not prevent Korean wars since 1981. It is reasonably. Without the ability to

kill and destroy the devil that causes war in man, He cannot prevent war from happening. Also, This man said He would stop typhoons from coming toward South Korea. Because a typhoon is a god and a wind is a god, can He stop the typhoons unless He is a capable one who makes the wind god to obey?

No. What is the Victor? He can beat anybody. He can overcome winds. He can defeat the devil in people. As He was the one who could defeat all things, He was a Victor. So He can now stop the typhoon and get rid of communism. Communism is the spirit of the devil. As the spirits of the devil come into people, they are tainted with the ideology of communism.

If the spirits of the devil do not go to them, they cannot become communists. So two thirds of the global village were communists, but This man had to kill all the devils to get rid of communism. Seeing that, He can make people Gods. That is, you can surely become Gods and achieve immortality. However, the one who gets salvation has certainty. Do you know what that certainty is?

Conviction of Immortality Makes You Another Victor Christ

The spirit of God is convinced of etenal life. Everyone has the spirit of God, and when you have the assurance of eternal life, you become the strong spirit of God that the devil cannot break. In other words, those who have the assurance of eternal life gain eternal life, and those who do not have the assurance of eternal life cannot. The reason for this is that God's Spirit must be strengthened and perfected to overcome any devil. Does that certainty have a disappointed

heart, "Oh, I'm going to die!" "If I do this, it will be wrong?" No. Those who have the assurance of eternal life will change into the spirit of the overcomer, whose spirit is very strong. Why did This man become a Victor? Because He had great power? No. His confidence in eternal life was not shaken.

So to speak, This man had a heart full of 100% certainty that no matter what happens, He will have to live forever. That make Him a Victor. Can you have that heart? (Yes) If you do not become a Victor, you cannot live forever. So did This man say that all of you become Saviors?

All of you have to Victors. That is a qualification of salvation. A person qualified to be saved! Therefore, become a person who overcomes yourself. If you do not overcome yourself, there is absolutely no salvation. That's why, if you always want to win over yourself, you have to move according to God's will.. in the same way as God's heart. So if you always think from God's point of view, you cannot but become God. Are the circumstances of this altar my circumstances, or are these circumstances of the altar God's circumstances? (yes) If God's circumstance becomes my situation, should my situation be the same as God's? Then, is my heart's cycle the same as God's cycle? Did This man say that only if my heart's cycle and God's heart's cycle fit, one can receive the grace of God. *

<자유율법 - 1편>

1. 자유율법은 마귀를 죽이는 하나님의 율법

자유율법이라고 하는 것은 하나님의 율법이고, 곧 마귀를 죽이는 법이다. 자유율법은 마귀를 죽이는 법이고로 마귀인 나를 죽이는 법이 바로 자유율법이다. 나라고 하는 것이 마귀이고로 옛사람인 나를 죽이고 성령으로 거듭나야 자유율법이 완성되는 것이다. 승리제단은 자유율법을 지키는 곳이다. 자유율법을 지켜야 승리제단 일원이 될 수 있는 것이다. 자유율법을 못 지키면 승리제단의 일원이 될 자격이 없다. 자유율법이라고 하는 것은 바로 마음의 율법이고, 하늘의 율법이고, 마귀를 이기는 법이다. 모든 욕망을 죽여 나라는 주체의식을 완전히 제거하는 법이 바로 자유율법이 되는 것이다. 이 사람은 자유율법을 지키기 위하여 애를 쓰고 기를 쓰는 가운데서 이 사람이 50살이 되는 해에 완전히 완성을 이루는 사람이

되었다. 자유율법이라는 것은 하나님이 마귀를 이기는 법이고, 하나님은 사람 밖의 다른 존재가 아니고, 바로 우리를 사람 속에 계신고로 사람 속의 하나님의 마음이 하나님이고, 사람 속의 나라는 의식인 마귀의 마음을 죽이는 것이 바로 자유율법이다. 나라는 주체의식이 마귀의 영인고로 나라는 주체의식을 제거하고, 나라는 것을 버리고, 양심의 영인 하나님의 영이 지배하는 사람이 될 때에 바로 여러 분들이 자유율법으로 승리자가 되었다가 되는 것이다. 승리자가 된다는 것은 마귀를 이긴고로 승리자이며, 마귀의 마음을 완전히 이길 수 있는 것이 바로 승리자요, 자유율법의 완성자요, 자유율법의 완성자가 바로 의인이고, 의인이 바로 하나님인 것이다.

2. 자유율법 속에서 예절이 나왔다

자유율법 속에서 예절이 나왔다. 예절 속에서 자유율법이 나온 것이 아니고, 자유율법 속에서 예절이 나온 것이다. 하나님의 율법 속에서, 하나님의 정신 속에서

예절이 나온 것이다. 그래서 세상 예절도 못 지키는 사람은 우리 제단 성도의 자격이 없는 것이다. 이름을 지워버려야 되는 것이다. 세상 예절도 못 지키는 사람이 제단에 나오면 우리 제단 얼굴에 찍히는 결과가 되는 것이다. 자기보다 한 살 위의 사람이면 꺾듯이 행님 대우를 해야 되는 것이다. 상대가 누구이든, 병신이면, 여자이면, 남자이면, 꺾듯이 행님 누님 대우를 해야 되는 것이다. 분명히 말하지만 한국의 예절이라는 것은 하나님의 율법 속에서 나온 것이다. 뒷사람에게는 꼭 먼저 인사를 해야 하는 것이다.

그런고로 여러분들 일거수일투족 섬세한 부분까지 실수가 왜 나오느냐 하면, 그 주체 영이 마귀 영일 때, 마귀가 망령된 영인고로 망발을 하고 망령된 행동이 나오게 되는 것이다. 그러나 주체 영이 하나님 일 때에는 너무나 우유 겸손하고 겸허한 영인고로 그 행동가짐, 걸음걸이조차도 그렇게 예의바르고 아름다울 수가 없는 것이다.*

< Part 3 of 1 of Law of Liberty >

1. The Law of Liberty is the law of God that kills the devil

The Law of Liberty is God's law, and it is the law that kills the devil. Since the Law of Liberty is the law that kills the devil, it is the law that kills Self-Awareness, or the devil. Since Self-Awareness is the devil, the Law of Liberty is completed only when we kill our old self, and are born again as the Holy Spirit. The Victory Altar is a place where the Law of Liberty is kept. Only by obeying the Law of Liberty can you become a member of the Victory Altar. If you cannot abide by the Law of Liberty, you are not qualified to become a member of the Victory Altar. The Law of Liberty is the law of the heart, the law of heaven, and the law of overcoming the devil. The law that wins over all desires and completely removes Self-Awareness is the Law of Liberty. While struggling to keep the Law of Liberty, Victor Christ became a

completely perfect person at the age of 50. The Law of Liberty is the law by which God overcomes the devil. God is not another being outside of humans. Since God lives in human's heart, the heart of God in a human is God. Therefore, it is Law of Liberty that kills Self-Awareness, or the mind of the devil within a person. Since Self-Awareness is the spirit of the devil, when you remove Self-Awareness, abandon Self-Awareness, and become a person ruled by the Spirit of God, or the Spirit of Conscience, you become a victor through the Law of Liberty. Becoming a victor means one has overcome the devil, and one who can completely overcome the devil's heart is a victor, a perfecter of the Law of Liberty. The perfecter of the Law of Liberty is the righteous person, and the righteous person is God.

2. Manners emerged from the Law of Liberty

Manners emerged from the Law of Liberty. The Law of Liberty did not come out of

manners, but manners came from the Law of Liberty. Manners came out of God's law and God's spirit. So, those who can't even abide by social manners are not qualified to be members of the Victory Altar. If a person who fails to observe social manners comes to the Victory Altar, the face of the Victory Altar is dishonored. If a person is a year older than you, you should treat him like a big brother. No matter who the other party is, whether it's an idiot, a woman, or a man, you have to be polite and treat your brother or sister with respect. To be clear, Korean manners come from God's law. You must first say hello to your superiors. Therefore, the reason why a person makes mistakes, even in small parts, is that the spirit that controls the person is the devil's spirit. Since the devil's spirit is a disgraceful spirit, reckless thinking and disgraceful behavior come out. However, when the spirit that controls the person is God, it is so meek and humble that even its behavior and gait are polite and beautiful.*
