

Holy Dew Spirit is the Spirit of God defeating Satan

(This man refers to the Victor Christ of the Victory Altar.)

If one lives for me, they will surely die

If rotten blood accumulates and becomes more and more, it can cause germs in the rotten blood. People think germs come from the outside, and so do doctors, but germs that come into the human body from outside die immediately. Because people's bodies are hot, germs can't live. So the germs in the rotten blood are growing.

Then the disease gets bigger and bigger, eventually people die, not because germs do not infiltrate from the outside. Every organ in the human body has cells, and their lifespan is constant. The longest cells live about 29 days. They live for 29 days and die, they become dead skin. People die of greed, if they do not have greed, they cannot die. So, in order to get eternal life, the awareness of 'I', which makes us greedy, should be eliminated. The awareness of 'I' attempts desire.

The mind that comes from the awareness of 'I' is greed. If your mind move based on "I," your blood will continually rot. But people in the world don't know what greed is. They think that greed is something to have. It is also greed that tries to achieve something impossible to be done. So it is all greed that I want to do this and I want to do that. In this way, the mind that depends on the subject awareness of 'I' is all greed.

That's why people's blood decays continually. As rotten blood grows more

and more, less cells regenerate. So they get wrinkles and lose energy, and they lose resistance. In that case if they get sick, they die. The cause of death is when blood decays, the decayed blood loses its resistance, then people die. If one has resistance, they won't die. 'AIDS' is a disease in which the resistance declines.

If you get AIDS, your resistance will reduce and you will eventually die. When a person is no longer resistant, they cannot but die.

The power to increase resistance comes from life material. Life material happens most when you laugh. They say you can breathe a lot of oxygen under the pine tree, but if you laugh every day without going under the pine tree, life material will occur in your body. The reason why you get better if you keep laughing is because your resistance is strengthened. The word that if one keeps laughing, their cancers can be healed is because if their resistance is strengthened, cancer cells reduced. So you have to laugh every day. When you laugh, you create life material in your blood.

The path to eternal life is the path of the heart, so if you have a heart to live forever, you will live forever.

This man said from the beginning that this way was the path of the mind. If you have a right heart, you achieve eternal life. You can not die if you just have a right mind. So laugh every day. Please laugh all the time enough to hear

you are crazy. No matter how ugly a person is, his smiling face is so pretty.

Even a hideous-looking man doesn't look ugly when he's smiling. As flowers bloom in laughter, when a person laughs, life forms, he gradually becomes young. One gradually grows older, and their waist becomes curved. After bending, but that does not help. If you try to stretch it forcibly, your bones will break. When a person smiles every day, his chest unbends. You have to laugh every day to live forever.

Even during the service, you will receive the grace of God a lot if you smile and worship. Grace goes to laughing people. Grace does not come to worry people. Ladies and gentlemen, if you laugh for only about two hours, then you smell the fragrance. Because the Holy Dew Spirit accompanies you. The fragrance is the smell of the Holy Dew Spirit.

The body of the Savior was formed with the Holy Dew Spirit, his smell is the fragrance of the Holy Dew Spirit.

When you come into This man's office, you always smell the scent, don't you? This is because the body of This man was made of the Holy Dew Spirit. So even when you enter the office, the smell of the fragrance vibrates.

'In ten days, the flowers are supposed to wither. But the flowers in his office don't wither even a year passes. It's weird. You can see that the Savior is the body of eternal life. As the body of

the eternity sits there, and the matter of eternal life continues to pour out, so that the flower can't fade.

The flowers wither because they have exhausted their vitality. But since the Savior's body pours out the Holy Dew Spirit, the matter of life is delivered to the flowers. With only this one, we can see that the Savior is the man who can give people immortality sufficiently. Ladies and gentlemen, if you worship with This man for an hour, you can not die. That's why This man tells you to attend the service every day

Those who attend the worship service every day will not die. But those who do not worship the service every day will die. This man says that people die because of greed, and stubborn people die quickly. People are stubborn because they are greedy.

That's why you can't see a stubborn person live long. Some people die while they sleep. The cause of death of the person is that the blood is rotten due to greed, so the rotten blood is all hardened. So they die of a heart attack. If anyone doesn't realize though the Savior scientifically explain the death of a man in the Victory Altar, he's a cursed man. As he is cursed, he has no power to distinguish.

Evidence that the Holy Dew Spirit on the picture is God.

People must laugh all the time, but there are people who worry about they do not laugh, when the mind reaches a laughing stage, the face brightens.

Do you know why your face is bright? When you laugh, the endorphin comes out and the material of life happens. the material of life is light. So laughing people become bright.

In the Soviet Union, a person called Killian took a photo of a person using high frequency and then the light came out from the human body. So the light was named 'Aura'. The aura is the light of life. Also he took a picture of a leaf, there was a light. A tree with life, just like a human, has light when you take a picture.

Originally God was light. As God is light, the reason that light comes out of This man's mouth, nose and eyes is because he has God. If This man does not have God in his body, light does not come out from him. But the fact that the Holy Dew Spirit is taken not by a high-frequency camera but an ordinary camera is the proof that This man is God. This man teaches you how to be God in detail. He teaches us in detail that the sacrificial heart and sacrificial life for God is the way of becoming God.

Anyone who has not lived a sacrifice life for God can never be God. This man standing right here always lived a sacrificial life until he became Savior. When he was young, he gathered people who didn't go to school and taught them to study for free. And This man set up schools everywhere he went, but no one paid for them. When a U.S. soldier saw him bleeding at the nose while teaching and reported to the commander of the Eighth Army, and

the school was established by them.

When the school was built, the local people said it deserved to belong to him, he said, "I can't run this school because I don't have any money", claimed that this school must be dedicated to the country in order to survive forever, and made it a public school. As such, This man has become a righteous man and a Savior because he has lived in the world without greed, if he was greedy, This man could never become a savior. Ladies and gentlemen, if you are greedy, you will never have eternal life. So give up those who are greedy.

Although you come to the Victory Altar a hundred times, if you are greedy, you are bound to die. A greedy person is bound to die. You can achieve eternal life without greed. You never get eternal life if you have greed

The Holy Dew Spirit is the Spirit of the Savior and the Spirit of God who overcomes Satan; it goes to the people who have no desire. Gyeokamyourok says at the moment the Savior sees a man, Satan in him dies, we can see the Savior power is so amazing. The Savior is like a cleaner.

He's the one who takes charge of all the sins of all people. Therefore, This man tells you to worship every day. If you go out into the world and contact with the people who don't believe in the Savior, you are contaminated with Satan, and if Satan isn't removed, you will be dead. If you worship every day, contaminated your body can be cleansed, so you should never neglect to worship every day.*Translation: Angela

「自分」の為に生きると必ず死ぬのです

人が老けて死ぬのはただ一つの理由によるのです。それは、人間にある欲の為に血が腐るからなのです。腐った血が蓄積されてだんだん多くなると腐った血の中で病原菌が発生します。病原菌は外部から入るものと思っており、医師達もそのように解しているが、外から入る病原菌は必ず死んでしまいます。なぜなら、体温が高いから病原菌は生きていくことが出来ない。だから、腐った血の中で発生した病原菌はだんだん繁殖するようになって病気が広がり悪化し、結局のところ人は死ぬようになる。従って外部から浸透したわけではないのです。人体にある全ての臓器には細胞があって細胞の寿命は一定なのです。長いといわれる細胞も29日ほど生き、29日ほど生きて死んだ後、皆さんがお風呂に入った時、垢になって出て行くのです。

人が死ぬのは欲の為に死ぬのであり、欲さえなければ人は死ぬことが出来ないのです。永生を得る為には欲を出さざる主体である「私」という意識が無くならねばならないのです。欲張るということは「私」という意識の心が欲を出すことです。「私」を基準にして心を動かして行けば、その通りに血は腐り続けていきます。

けれども、この世の人達は欲が何であるかを知らずに過ごしているのです。ある品物がほしいというのが欲だと思っているが、自分が出来ないことをかなえさせようとする心もやはり欲なのです。「これがしたい」「あれがしたい」ということも全て欲です。このように「私」という主体意識にかかっている心は全てが欲なのです。

だから人の血は次第に腐っていくのです。そして、腐った血がだんだん多くなれば逆に再生される細胞はだんだん減っていきます。だから皺が出来、弾力も無くなり、抵抗力も無くなるので病気になる。すれれば、それらを克服することが出来ずに結局死ぬのです。人が死ぬ原因は、血が腐ると腐ったその血は抵抗力が無くなって死ぬのであり、抵抗力さえあれば死なないのです。「エイズ」という病気が抵抗力が減退する病気です。エイズにかかれば抵抗力が減退し、結局は死ぬのです。人の身体は抵抗力が無くなれば死ぬしかないのです。

抵抗力を育ててくれる力は生命子から出るのです。ところで、生命子は笑う時に一番多く発生するのです。松の木の下に行けば酸素をたくさん呼吸することが出来るというが、松の木の下に行かなくても毎日笑えば生命子が発生します。人が事毎に笑ってれば病気が治る理由は抵抗力が強化されるからなのです。事ある毎に笑えば癌が治るという言葉も、やはり抵抗力が強化されるから癌細胞が減っていくということなのです。笑えば人の血の中で生命子が発生するのです。

甘露は魔鬼に勝つ神様の霊

り抱けば永生が得られるのです。心さえ正しく抱けば死なずに病気にいかからないのです。だから、毎日笑って下さい。

誰かが見て気が狂った人ではないかと思うほど毎日笑い通すのです。何が楽しくてそんなに笑うのかと言われるほど笑い通さねばならないのです。顔が醜い人でも笑う顔は奇麗なのです。下卑な人相の男性でも、笑っている時はあまり下卑には見えないのです。そして人が笑えば生命子が発生してだんだん若くなるのです。

しかし、何か心痛の色が見える人、いつも心が憂鬱な人、そのような人は少しずつ老けながら腰も曲がるのです。腰が曲がった後に伸ばそうと努めても伸びないのです。無理に伸ばそうとすれば骨が折れるからです。人が毎日笑えば胸を張るようになるのです。

写真に撮られて出る甘露が神様であるという証明

發揮出来ないのです。

写真に撮られて出る甘露が神様であるという証明

いつも笑うべきだが、笑いが出ないのでどうしようかと考えるでしょう。心が笑う段階に達すれば顔が明るくなります。顔が明るくなる理由はどこにあると思いますか? 笑えばエンドルフィンと共に生命子が生じるが、生命子の物質は光の物質です。だから明るくなるのです。

ロシアのキルリオンという人が、高周波を利用して人の写真を撮って見たら、人体から光が出たのです。その光の名前を「オーラ」とつけたのです。その「オーラ」はまさに生命の光です。また、木の葉を撮って見たらそこでも光が出たのです。

生命がある木も、人と同じように写真を撮れば光が出るようになるのです。神様はもと光だったのです。神様は光であるから私の口と鼻と目から光が出ることは、私が神様に仕えているからです。

神様でなければ光は出ないのです。ところが、高周波撮影ではなく、普通の写真機にでもこのように大きく甘露が寫し出されるのは、神様であるという証拠です。

人間にはこのように甘露を出すことは出来ないのです。私は皆さんすべてが神様になる方法を詳しく教えています。犠牲的な心、神様の為に犠牲になる生活をしてこそ神様になるということを詳しく教えています。神様の為に犠牲的な生活をしなければ絶対に神様になることは出来ないのです。*

入ったら香りが漂っているでしょう。「花舞十日紅」という言葉があるでしょう。十日経てば花は散るようになっていきますね。

ところが、私の事務室の花は1年が過ぎてても枯れない。不思議なことですね。救い主という人が永生体であることが分かる。永生体がそこに座っているので、つまり、永生の物質が続いて体から溢れ出ているので花が枯れないのです。花が枯れる理由は生命力が尽きたから枯れて散るのです。ところが、救い主の体からは甘露が出るので、その生命の物質が全て花に伝達されるのです。これ一つだけ見ても救い主は永生を充分に与えてなお余りあることが分かるのです。

皆さん、私と共に一時間の間このように礼拝すれば死なないのです。だから、毎日出席しなさいというのです。毎日出てこそ死なないようになるが、休む人は死ぬのです。死ぬのは欲の為に死ぬと言ったが、我が強い人は早く死ぬのです。

我が強いわけは欲が多いから我が強いのです。

だから、我が強い人は長生きをすることが出来ないというのが分かるのです。ある人は眠ってながら寝たまま硬くなって死んだ場合もあるのです。その人の死んだ原因は欲を出して血が腐り、腐った血が全て固まったのです。心臓麻痺で死んだのです。勝利祭壇で人の生死問題をこのように科学的に説明しているのに悟ることが出来ない人がいれば、その人は呪いを受けた人です。呪いを受けたので分別力を

救い主の身体は甘露で固まっているので香りは甘露のにおい

私が居る事務室に入れればいつも香りがするでしょう? それは私の体が甘露で固まっているからです。事務室に
