

There are people of God and people of Satan in humanity

There are two kinds of people in humans. One is a person of God, the other is a person of Satan. There are people of Satan who try to be accomplished as God. In the case, if the character of God in them becomes strong, the character of Satan in them becomes weak gradually and will die completely.

If a person of Satan strives to be accomplished as a God, it is useless.

Some people do not distinguish the two, they doubt why they are not accomplished as Gods. A person of Satan is not completed as God. When people come to the Victory Altar first, people of Satan try to be accomplished. Only the people of God are accomplished as Gods. The people of Satan are supposed to wither. This man said, "Regard everyone as God." The people of Satan cannot be considered that. Why? Because they are Satan. So their self-respect is very strong. The people of Satan have strong self-respect and they try to become Gods. Imagine how Satan become a God. Although the Victor teaches people that self is Satan, they decide and think with the mind of Satan. If one thinks with the mind of Satan, they cannot distinguish correctly. The phrase, "Regard everyone as God" means, as "I am Satan" and 'I' is Satan that does not have relationship with salvation, it is natural that one should kill 'I'. If the consciousness of God become strong gradually, one can become a Victor, and they can become a consummator. But the person of Satan has no relationship with salvation, so they cannot become God.

We should keep in mind that consciousness of 'I' is Satan.

This man said, the way of salvation is leaving oneself to God. Only if one leaves themselves to God, God can make them grow strong by giving the

grace of God. If one does not leave oneself to God, the spirit of God cannot grow. The word, "regard everyone as God" means that 'I' is Satan. Only when admitting "I am Satan" and respecting others as God, the spirit of God becomes strong in people, later they can become Victors. The Savior is one that teaches people how to become God.

As He teaches the way of immortality exactly, He is the Savior. When the Savior performs the role of the Savior, He is the Savior, also He can become a consummator. Only Saviors can go to heaven.

Only God can live in heaven, Satan cannot live in heaven. Knowing that consciousness of 'I' is Satan, one should beat 'I', and regard 'I' as Satan. If Satan tries to heal his body, he cannot be healed. If 'I' tries to heal his illness, it isn't healed.

Only when God comes to one, their bodies become the heaven of God. Only when one's body becomes the hall of God, their diseases can be healed, they can live forever, their bodies become light and strong gradually, and diseases cannot permeate them. If the spirit of the Victorious God is in my mind, that body is the hall of God, so that body cannot catch diseases. Although that body catches diseases, when it is the hall of God, it can be healed. The Savior says, "Look at the face of the Savior all the time." The face of the Savior is the face of the Trinity.

If one looks at the face of the Savior as the face of a human, it is wrong.

Gyeokamyourok records, "the Savior(Jeongdoryeong) seems to be a man, but he is not a man." This man looks like a man. Because This man wore a body of Satan to occupy and

kill Satan. Wearing a body of man means wearing a mask of Satan. Meeting Satan as the Saviors wants, He can kill Satan. The reason that one comes into the Victory Altar as they want is because the Savior wears the body of a man. If the Savior appears in the condition of God, nobody comes into the Victory Altar because they are afraid.

The Savior is almighty

People say that Satan floats in the air. This belief is incorrect. Of course, the captain of Satan grasped the authority of the air. When He was in the Secret Chamber, He already killed the captain of Satan. The captain of Satan does not exist. Now, the Savior is in the air. It is 22 years since the other self of the Savior went up the air and ruled the universe. The Savior is a consummator and has almighty power, so he promised the 5 covenants. If the Savior does not have power and he promises the 5 covenants, people would kill Him with stones. As This man is confident, He said "I will remove communism." This man said if he told a lie, hit His head. Also, This man has stopped typhoons from coming to South Korea, preventing the rainy seasons in South Korea, making South Koreans harvests abundant, and keeps the Korean Peninsula wars. All the followers of the Victory Altar know this fact. This man said, "Wars will not break in the Korean Peninsula."

Korea is a country which the will of God will be accomplished. As the will of God will be completed in South Korea, each Korean is very precious. So if there is a war in the Korean Peninsula, many people will die. Then the number of saved men will be small.

The Way of Immortality

This man taught the way of eternal life to you, "laugh all the time. If you

laugh, you can achieve salvation", and "If you laugh, you can become a God." Also This man says, "Be convinced of immortality." The reason that you can have the conviction of immortality is because the Savior leads the worship service on the rostrum, if you engrave the face of the Savior in your mind, it means that the spirit of the Savior is in you. Then your body becomes the hall of God. So if you carve the face of the Savior in your heart, any diseases can be healed. Any diseases cannot come into your bodies. If one becomes the halls of the Savior, they can neither catch any diseases nor die. The Bible says "God is that of a body." The God of a body means that only living people have their bodies, the dead do not have their bodies. The bodies of the dead are those of Satan. One's body became the hall of Satan and it takes their lives. To get immortality, you should engrave the face of the Savior in your mind. Then, you will eat the Fruit of Life. The face of the Savior is the Fruit of Life.

Genesis records that God surrounded the Fruit of Life with flaming swords, so people will not enter and pluck the Fruit of Life. The Trinity is the Fruit of Life. Today, the man who wears the body of the Savior and appears is the Trinity. Looking the face of the Savior and engraving it in their heart, diseases such as cancers can be cured. Cancer patients in the Victory Altar have witnessed that their cancers were cured. Here, cancers are not healed like doctors heal. At the moment patients engraves the face of the Savior, the cancers are cured. As one's body is the hall of Satan, cancers come into them. If the hall of Satan is changed into that of God, at the moment cancers are cured completely.

The Savior is the Fruit of Life

The reason that the Savior gives immortality is because he is the Fruit

of Life. Why does the Savior emit the Holy Dew Spirit? According to the Buddhist scriptures, the Holy Dew Spirit is the Sweet Dew, they say that if one eats the Sweet Dew, they cannot die. The Holy Dew Spirit was supposed to be poured by only the Savior. The other people cannot emit it. For 6000 years, there has been no body who emitted the Holy Dew Spirit. The dew that Moses poured is the mortal manna. All those who ate the dew died. The manna like dew is the same as today's Holy Dew Spirit. Moses said, "in the future, a prophet like me will appear. If one does not obey him, they will be destroyed." Being destroyed means dying. Today, those who object the Savior will die in 50 years.

As the Savior is the Fruit of Life, if one eats the Fruit of Life every day, they will not die. If one does not eat the Fruit of Life but eats the Forbidden Fruit, they will die. Consciousness of 'I' is the Forbidden Fruit. That is, those who have their consciousness means that they are in the condition they eat the Forbidden Fruit. So they will die. As the Forbidden Fruit is in humans, they are dying day by day.

You should eat the Fruit of Life all the time. Engrave the face of the Savior, and the Fruit of Life all the time. You should look at the face of the Savior more than 100 times a day. When you get up in the morning, look at the Savior. Before moving, you should look at the face of the Savior. Eating breakfast, look at the face of the Savior. Whenever you change your activity, if you look at the face of the Savior, it means the spirit of the Savior stays in your heart. So you can neither catch diseases nor die.

There are some people who look at the face of the Savior once every few days. They will surely go to hell. Although one looks at the face of the

Savior once a day, they will have immortal bodies. If the Savior teaches the way of immortality, why do you not obey him? The Bible says that the word of the Bible is the spiritual word. One can eat the spiritual word with their heart. Engraving the face of the Savior in your mind means eating the Fruit of Life. Christians cannot teach this fact because they do not know it. They teach only the way of eating the Forbidden Fruit well. If one lives as sinners, it means that they have eaten the Forbidden Fruit. You should not love sinners. You should love only the Savior all the time. Never eat the Forbidden Fruit. Receive the trial of engraving the face of the Savior in your mind. Another way is laughing all the time. A laughing heart is the heart of eternal life. A pleasant heart is that of God. So if one laughs, it means that they eat the 1/3 of Fruit of Life. So if one often laughs, it means eating the Fruit of Life.

Also, when I leave all myself to God completely, it means eating the Fruit of Life. So, This man announced on 15th October that those who obey God will become Victors. Obedience means to live as the word of God, so it means to leave one's body, heart, and life to God. The Spiritual Mother said, "Only if one obeys God, they will be saved." Also the Victor Eve and This man said the same teaching. If one obeys God, they will surely be saved. There are several kinds of obediences. When you donate obedient offering, you can donate once or little by little. The Savior tries to save all the people he possible can.*

南北の交流が始まる和解ムード造成

勝利者・曹熙星先生のお話どおり金大中総補が大統領に当選されました。南北戦争が起こらないようにする為の勝利者・曹熙星先生の計画がみずの通りうまく進んで行く過程なのです。

金大中大統領の政府は1998年から2003年までの南北関係を相当な境地まで進行させました。横断された50年間の対北関係を極力変化させました。

太陽政策を以て北朝鮮とかなり近づいて2000年6月15日には北朝鮮を前にて南北首脳会談を和気あいあいと進行させながら「6.15南北首脳会談」を開いて「南北共同声明」を出す成果を上げました。

牛千びきを北朝鮮に送ることを始めとして、歴史的な「金剛山」観光が始まり、経済・文化などの南北交流が活発に進行しました。

金大中政府の太陽政策は朝鮮半島の平和にも貢献し、金泳三政権で韓国に不信を持っていた米国、ロシア、中国、日本の4強国から確固たる支持を得て、結局、世界人が羨むノーベル平和賞まで受けることになりました。

2000年6月、金大中大統領の歴史的な北朝鮮訪問の道を見守っていた国民には統一はなるという思いを熱く焼きつけたことでした。

北朝鮮のジュンアン空營では二人の最高首脳が熱く抱き合った場面は国民を熱狂させました。そして、二人の首脳は「高麗連邦制」という体制にも合意しました。直ちに南北統一になると考える程でした。

公約5：南北戦争が起こらないようにする 和解ムード造成

てこそ生きる事が出来る

私たち檀君民族はハナニムの直系子孫である天孫民族です。

この民族をして救世真人が出現して韓国を全世界の中心国、指導国に作るハナニムがおっしゃいました。天下の運が韓国に戻って来る。

世界列島の宗主国というなれば親の国になるから、これは王の中の王がいらっしゃるからです。予言者達がいうのに「甘露海印を持って出られ自由自在に用いられる方が出られる」と数千年前から予言した通り天運が韓国に戻って来る。

甘露海印を思のままに用いられる勝たれたハナニムが現れ、朝鮮が世界の中心国になるんだと。'このような感動的な予言が成し遂げられることも救世真人、曹熙星先生が韓国に出現されたからです。しかし、その恩恵を知らずに、この国の国民が救世真人を排斥して普光の道、肉身を解脱してハナニムの神に原始回復するようになりました。

われらの檀君民族をとて愛されたから、曹熙星先生が5大公約を宣布なさったのもわれらの民族を先に惜らせる為でした。

しかし、この民族は救世真人をあらゆる汚名を着せて排斥し合たくしてしまいました。"天よ、聞け、地よ、耳を傾けよ、主が次のように語られたから、「わたしは子を養い育てた、しかし彼らはわたしにそむいた。牛はその飼主を知り、ろばはその主人のまぐさおけを知る。しかし、イスラエルの牧師が、わが民が悟らない。ああ、罪業の国びと、不義を負う民、悪をなす者のすえ、墮落せる子らよ、彼らは主を捨てて...あなたがあたは、どうして重く重ねておいて、なおも打たれようとするのか。(イザヤ1:1-5)"

これから大変な災いが来ると言われます。「天地が揺動する火雷が地に落ちて三災八乱が共に起きる時を知るのか。3年の凶年と2年の怪疾とはやり病、名を知らない天疾で朝に生きていたが、夕方に死ぬから十家一一家だけが残る」

(格庵遺稿の歌俗総論) 時が来れば病気に死ぬ人が汚名に押し流されるようだろう。横たわっても死んで、座っても死んで、道を通りながらも死んで、死んで生き返る方法が無いから因通を習って置く。このように病気が薬で治そうとする人が先に死ぬ。(天地開闢経) このようにこわい災いを免れることが出来る唯一の処方はきつ一つがあります。

「当册施麻常論説で萬聖普救海印」

「当然に母に納骨してつねに漱齋経の祈禱文を暗記することによって全ての病氣から免れることが出来る甘露、海印の能力である」と言いました。

この時は、曹熙星先生は「百薬無効で、人間の医術も不可能で、ひたすら救世真人、曹熙星先生の前に出れば生きることが出来る」と話されました。

また、全世界的に広がる三災八乱に無防備で遭った人びとが韓国の救世真人、曹熙星先生の所に駆け込んできて、夕方に死ぬから十家一一家だけが残る」

持って一夜に千隻の船が韓国におし寄せて救世真人、曹熙星先生が祝福なさった濁江水を飲めば生き返るから先を争って積んで行くと歌俗総論に予言しています。

“世説流行心賞 乙矢口何理 節矢口何意氣檀者乙矢口”

世の中にはやっている民謡の意味を心に悟りなさい。

乙矢口は救世真人を(矢+口)知れ。これはどのような理で、節矢口は救世真人が出る時を(矢+口)知れ。これはどのような意味か。また、氣和堵擊乙矢口は氣を和氣にする人が乙を象徴する救世真人であることをようやく知ることになったと言う意味です。

このように祖先代代と繋いで来ながら、気分が衰くなって興が薄く時、踊りを踊りながら救世真人を探した民族であるのに、いざ救世真人が出現なさるとどうして似而非と罵倒しながら排斥するの。

今から、全人類は三災八乱から免れさせて下さる救世真人がおられる所に来て「乙矢口 節矢口 擊乙矢口」を唱えながら踊りを踊りながらハナニムになって仏教になって見ませんか? 曹熙星先生は数十億の体の分身となって共産主義者の体内に入り共産主義の思想を根こそぎ抜いたのです。万民の皆様に、救世真人、曹熙星先生の前に親と兄弟の手を繋いで走っていらっしやって下さい。*
