

# When You Think of someone You are Contaminated with All Their Sins

(This man refers to the Victor Christ of the Victory Altar)

The Spiritual mother said when people sing hymns; they receive grace from God, so This man sang hymns all the time. Because when people sing hymns, they think of God. They sing hymns thinking of God. So people can receive grace from God by just thinking of God. Therefore, This man told his followers to adore God highly, and to look at Him every second because when people think of God and adore Him highly, the Spirit of God comes to them.

Therefore, by thinking, the blood of people can be changed, and become righteous men, or become Gods. Looking at God every second is thinking of only Him every second. If people think of only God, they become Gods. If they think of God, their blood becomes that of a God. Adoring Him highly, looking at Him every second, and singing hymns continually are equivalent to adoring God. Therefore, their blood is changed into God's, and then their bodies cannot die.

### The way of being fulfilled by thoughts

Therefore, the saying 'blood is changed by thinking' is the hidden truth and the hidden wisdom of God. The hidden wisdom, hidden truth, and the hidden manna are told by the Victor Christ, He feeds you the hidden wisdom, hidden truth, and the hidden manna of God. Therefore, This man does not ask you to kneel in pray for thirty days or forty days. By being accomplished by the mind, you can become a god by thinking of God whenever you work, walk, and talk. Therefore, the blood is changed, as it is now, by conceiving the mind, things are accomplished. On the contrary, the opposite meaning of God's mind is the mind of Satan, the mind of Satan is

sin.

If we think like the mind of Satan, what do we become? We become Satan. So This man tells you to have the mind of only God. The pseudo Savior taught the easy truth difficultly, he said it wrongly a lot. Therefore, the true Savior appeared, teaching the secret of eating immortal manna, that is, the way of gaining an immortal mind easily. You may think manna is something white like snow. The Bible states that the word of the Bible is spiritual. So, manna is a spiritual word, it is the spirit. As spirit is mind, manna is mind. As it is, grace is mind, the mind of God is mind, heaven is mind, and hell is mind, too. In spite This man teaches you the way of eating manna, if you doubt Him, you are hopeless. Therefore, as it is now, the saying 'if you come to the Altar every day, you cannot but achieve salvation' is because you look at God and think of Him every day.

Thinking of God everyday means eating manna every day. The thinking of God is eating manna; thinking of God is receiving the grace of God. Just thinking of God makes your blood into immortal blood and immortal bodies. Therefore, if you do not go to a worship service every day, you will go to hell. Some people have jobs, so they cannot join the daily worship services, so they may go to a night worship service, it is okay. However, some people take a worship service once in a while. They believe as long as their mind is not changed, it is okay. However, they are changed. Because they think of Satan more than God automatically. If you cannot take services, as it is now, you should adore God highly. You can go to services through listening to the sayings of God every hour through a tape recorder. If you listen to God, you think of God automatically. That is the secret of receiving grace and the secret of

immortality.

### You should be qualified for immortality

Therefore, you will have a qualification for immortality. But if you think that as God trusts you, though you do not have a qualification, you will not have problems, it does not make sense. You can achieve immortality by becoming God. If you cannot become God, you cannot live forever. Therefore, as it is now, you can enjoy immortality with a qualification for immortality. Don't try to become God in one day. This man said it at the beginning of the Victory Altar. People cannot become God in one year or two years. By adoring God for a long time, thinking of only God, looking at God every second, having interested in only God, you can become God.

If you are interested in people, as it is now, then a lot of Satan comes into your mind and pollutes your mind. As it is now, if you think of someone, a lot of sin of the man decays your blood. No matter how far away the man is, a lot of his sins pollute you, and then you die.

### Thinking of anything else except for God is a sin

Why do the people who go to the

enters heaven.

The Bible says that wherever God is, heaven is. "Wherever God is, heaven is." Therefore, if God is in a bathroom, the bathroom is heaven. If God is in mountains, they are heaven according to the Bible. Therefore, heaven is only where God goes. The meaning 'only God enters heaven' is to tell you to become God. The Bible tells people to become God. It does not say if sinners believe in Jesus, they can go to heaven. The Bible says the way of becoming God vaguely. The Bible teaches people to conceive the heart of God.

Hence, This man said in Japan that everything depends on the mind. When people run businesses, they sometimes make a lot of profit, they sometimes fail. Therefore, there is a saying that the secret of success is to be patient until the end. As it is now, the basic principle is if people have conviction that he will succeed in this business, he will surely succeed. Conviction is the most important thing. If people think this business will succeed, the business will surely be successful. If you are convinced of your business continually to the end, the business will surely succeed.

### The people in This man's memory is the best of luck

If This man remembers somebody, that person is lucky because at the moment This man remembers him, all his sins will perish. Therefore, as it is now, those who are in the memory of the Victor are lucky. Because the Victor Christ thinks of someone, the man's sins will perish completely. So at the moment he becomes a righteous man. Therefore, there is a case This man stops remembering someone. If someone commits sins continually though This man charges his sins, He will not remember the man. Sin

is thinking of other people except for God. If people continually think of somebody except for God, a lot of Satan comes into the man continually, so This man does not think of the man. Therefore, in order for you to be in His memory, you should keep the Law of Liberty. Hence, This man thinks of someone just one time, as it is now, his fatal disease can be cured.

So, not only This man, but also everybody can do it. If you think of someone, you are polluted by sins, so his sins are removed. Therefore, as it is now, if you are a perfect Victor Christ, although you are polluted, you have the power to get out of the pollution, for instance. It's possible to recharge. But if those who are not Victor Christs think of someone, they are polluted by sins, and go to hell. Before becoming a Victor Christ, you should not think of others. You should not think of your children. If you think of your children or your family, you are polluted by their sins, you become sick or feel heavy. Those who evangelize will know after evangelizing, their bodies feel heavy. When you evangelize somebody, you get interested in the man. So only when you evangelize. This man cleans your sins. So when you feel heavy after evangelizing, you feel light one day later. Who cleans your sins in that case? God cleans. The Victor Christ is the Creator God. As it is now, sins are removed by just thinking of Him. Therefore, the followers of the Victory Altar are the luckiest. You feel happy, light, and floating because the Victor Christ completely takes away your sins.\*

-Extracted from the sermon of the Victor Christ of the Victory Altar on Oct 28th 1989-

## 전세계에 알리는 진짜 경전 이야기

### 전 세계여 깨어나자!

10편 <부활, 순교, 중생의 참뜻 - 1탄>

#### 1. 부활, 순교, 중생이란?

부활, 중생, 순교는 모두 마귀 속에서 벗어나는 것을 말한다. 마귀 속에서 벗어나는 말을 일컬어 성령으로 거듭나라고 하였고 무덤에서 부활한다고 표현한 것이다. 무덤이 죄이며 죄가 바로 마귀의 영적인 옥이다. 무덤 속에 갇혀 있는 하나님이나 진정된 부활을 이룬 것이다. 그 무덤이 바로 '나라'의 의식이다. 사람이 '나라'의 의식에서 벗어나야 진정한 부활을 할 수 있는 것이다. 구원을 얻는 주체는 육신 속에 갇혀 있는 양심이다. '나라'의 의식의 육신의 영은 구원과는 상관이 없다. 이러한 엄청난 진리를 아는 자가 있는가? 영원한 생명이 유한한 마귀에게 사로잡혀 있는 상태에서 하나님의 양심의 영이 석방되어 영원무궁토록 사

는 것이 부활이며 중생이다.

#### 2. 기독교의 잘못된 부활론

오늘날 기독교의 부활론과 중생론과 구원론은 모두 잘못되어 있다. 예수가 죽었다가 다시 살아났기 때문에 예수를 믿는 사람들도 죽으면 틀림없이 다시 살아난다고 하는 것이 기독교의 부활론이다. 따라서, 기독교에서는 부활절을 지키며 예수가 공중에서 구름을 타고 강림할 때, 산에 있는 무덤들 속에서 송장들이 다 살아난다고 말한다. 하지만, 죽은 자가 다시 살아난다는 기독교의 부활은 성경에서 말하는 부활이 전혀 아니다. 무덤에서 죽은 사람이 다시 살아날 수가 있는 것인가?

#### 3. 죽음의 진정한 의미

죽음이라는 것은 바로 사망(死亡)이요,

사람이 마귀(魔鬼)이다. 사망의 신이 마귀의 신이므로 마귀의 신은 하나님으로 변할 수가 없다. 마귀가 하나님으로 될 수 있다면, 부활이 가능하지만, 마귀가 하나님으로 화할 수가 없다면 부활을 말하는 것은 전부 거짓말이요, 허위가 된다. 죽음 자체가 마귀의 영이다. 마귀의 신이 사망의 신이요 사망의 신이 어둠의 신이다. 어둠이 빛이 될 수 없고 빛이 어둠이 될 수 없는 것처럼, 죽은 사람이 다시 살아나서 부활했다고 하는 것은 있을 수가 없는 것이다. 고로 예수가 십자가에서 죽었다가 다시 살았다는 말도 거짓말이다.\*

영생은 오직 이긴자 구세주에게만 있으니 영생을 이루는 진리의 말씀이 육비에 새겨지도록 읽고 또 읽어 구원의 자격을 갖춰야 한다

## Real Scripture Stories to Tell the World

### All over the world! Let All Wake Up!

Part 10. < The True Meaning of Resurrection, Martyrdom, Second Birth - Part 1 >

#### 1. What is the 'Resurrection, Martyrdom, Second Birth'?

Resurrection, Martyrdom and Second Birth mean breaking away from Satan's prison. The words 'Get out of the Devil's prison' mean 'Be born again by The Holy Spirit' and has the same meaning as 'the resurrection from the grave' The grave is sin and sin itself is the Devil's spiritual prison. Only when God imprisoned in the grave comes out, the true resurrection can be accomplished. That grave is the very 'self-awareness'. Only when humans are free from the 'self-awareness' can humans achieve true resurrection. The subject of salvation is the conscience which has been locked in greed. The spirit of desire,

that is, 'Self-awareness', has nothing to do with salvation. Who knows this great truth? Resurrection and Second Birth is the release of the spirit of conscience, that is God, from being trapped by the finite Devil and so lives forever.

#### 2. Christianity's False Resurrection

Modern Christianity's Resurrection, Second Birth and Soteriology(the theory of resurrection) are all wrong. Christianity's Resurrection theory is that people who believe in Jesus will surely be alive again after they die because Jesus died and rose from the dead. Therefore, in Christianity it is said that all the corpses will rise from the tombs on the mountain when Jesus descends from the Heaven. However, the resurrection of Christianity, in which the deceased are raised from the dead, is not at all the resurrection that the Bible speaks of.

Is it possible for a dead person in the tombs to be alive again?

#### 3. The True Meaning of Death

Death means that humans dies and death is the Satan. The Devil cannot turn into God, since the god of death is the god of Satan. If the Devil can become God, then its resurrection is possible, but unless the Devil can turn into God, then the resurrection of the dead is all lies and false truth. The death itself is the spirit of Satan. The Devil is the god of death, and the god of death is the god of darkness. Just as darkness cannot be the light and light cannot be the darkness, it is impossible for the dead to come back to life and resurrect again. Therefore, it is a lie to say that Jesus died on the cross and rose again.\*
