

Victory Altar Teaches What Forbidden Fruit Is Like

(This man refers to the Victor Christ of the Victory Altar.)

Since the spirit of Satan is sin, the Forbidden Fruit itself is the spirit of Satan, the spirit of Satan is the heart of Satan, the mind of Satan is the subject awareness of 'I'. As the subject awareness of 'I' attempts desires, is it a complete theory that the subject awareness of 'I' is sin? Only by recording that people get old and die from sin, can it be a True Bible? Does the Bible say when another Counselor, the Holy Spirit, comes, he says another new word? As there is no record of any difference between the Holy Spirit, another Counselor, and the Spirit of God in the Bible, does the True Bible have to record the difference between the Holy spirit of another Counselor and the Spirit of God? Another Counselor, the Holy Spirit, is the Spirit that removes the Forbidden Fruit, the Spirit of God that kills the devil is another Counselor, the Holy Spirit.

Attributes & Characters of God

Since the devil captured the spirit of God, the Spirit of God could not act, and the spirit of the devil worked, the word that was written by the spirit of the devil is the Bible of today. Therefore, the Bible itself is the Bible of the devil. Now God's people should write the True Bible according to God's Word. The Bible could not say what the Forbidden Fruit is, but the True Bible should explain what the Forbidden Fruit is. Since the Bible records only "the Forbidden Fruit", and it tells not to eat the Forbidden Fruit, and because of eating the Forbidden Fruit, God cursed Adam and Eve, drove them out of the Garden of Eden, and left them and all their descendants to die, is God responsible for the deaths of people today? Is the devil to blame? So is it the devil's word? Is it God's word? It's the word of

the devil. Therefore, as God cannot curse, is a merciful God and a God of love, can God kill? No. God is the one who gives you eternal life. Only if we record the attributes and characters of God in detail that he is the God who gives eternal life, that can be the True Bible. Therefore, the Forbidden Fruit is the spirit of Satan that kills people and the spirit of Satan kills not only God but also life because God itself is life. So when people die, as Satan kills God in them, they die. We should record this fact in the True Bible and tell it to people. You should write that there is a captive God of the devil in humans and all people are the children of God, and tell people. As the devils are the subject awareness of 'I', the subject awareness of 'I' is the spirit of the devils, you should announce this fact to people. Will people who know that fact get angry, do people act as their subject awareness tells them to do, get greedy as their subject awareness is greedy, and gets angry as their subject awareness becomes angry? No, they do not. Then do people need to make a law in this world? No. Foolish people and savage people make laws, expecting if they do those things, they won't break them anymore. In fact if one knows that their awareness of 'I' is the devil, we do not need the useless law. Knowing the awareness of 'I' is the demon, the spirit of death and a sin, people will try not to move as their awareness of 'I' orders. Then this world will become heaven. So if those who write well record the word of God by God, it becomes the True Bible.

It is a time when we write the True Bible and release it to the world. Since the Forbidden Fruit is a spiritual word, it is a spiritual fruit, a spiritual fruit is the spirit, which is the killing spirit. So if we reveal people that the killing spirit

is the Forbidden Fruit, that book is the True Bible. In the Bible, there is a word, "Conceive the heart of God," which indicates that you are currently eating the Forbidden Fruit. Because the mind of the devil is the Forbidden Fruit, it means that you have the mind of the devil.

You Could Live Eternally As You Eat Fruit of Life Tree

So if you record the fact in the True Bible that only if one eats the Fruit of Life without eating the mind of demons, they can live forever, the Fruit of Life is the spirit of God that kills the spirit of the devils, the heart that kills the spirit of Satan is the Fruit of Life, all humans of the world will welcome it.

After a current high-ranking government official read Seungri Newspaper for a year and a half, he said and admired, "Where in the world can there be such a high level of science?" He almost becomes the member of the Victory Altar. He praised, "Seungri Newspaper is edited better than the editor of any newspaper did." The reason he says this kind of praise is because the content of the article is a new theory.

You can write a thick book than the Bible just with a title, "the Forbidden Fruit." If you simply write that the spirit of the devil is the Forbidden Fruit, it is short. But if you record while pruning that the spirit of the devil is the word of the devil, the word of the demon is the mind of the demon, the spirit of the demon is the awareness of 'I', which is the spirit of Satan and the Forbidden Fruit, if you have your heart, it means to eat the Forbidden Fruit, you can write endlessly. Therefore, the awareness of 'I' is the Forbidden Fruit, the mind that hate people is the Forbidden Fruit, anger is the Forbidden Fruit, and being nervous is the Forbidden Fruit. If you hate people, your blood rots, right? If you are greedy, your blood decays, right? If you develop a logic that being greedy is eating the Forbidden Fruit, the logic will come out endlessly.

The Forbidden Fruit is something that people eat even just by breathing with conceiving their thoughts. Even if you look at someone who don't believe in the Victor Christ, it means eating the Forbidden Fruit, because if you look at a person who is covered by the spirit of devil, you are completely covered by the spirit of

the devil? The fact that the devil's spirit comes in means that you eat the devil's spirit.

You Can Eat the Fruit of Life Only by Speaking Words that Bring Joy to God

So, today's Victor Altar is the Forbidden Fruit, if you eat only the altar of God. If a Savior, the Fruit of Life, This man will become complete Victor, came out, as he as young as 17 years old in less is the man who received the Holy than 5 minutes. Because you keep Spirit of the Counselor, you should sinning, is This man getting younger record the another new word in the or older because he takes on your True Bible. As the Forbidden Fruit sins? When you are polluted, if This is the spirit of Satan, if a person man does not take responsibility for speaks useless words without that sins, even at the Victory Altar glorifying God, they are eating the here, at least one person per month Forbidden Fruit. And if someone dies. As for why not one person does not say things that bring joy dies a year, is it because who takes to God and says things that offend charge of the sins in this Victory God, the moment you hear those Altar? Since Jeongdoryeong, the words, when those words come into Victor Christ of perfection, bears your ears, you eat the Forbidden the sin, is there no such person who Fruit. Do you know? You should be dies? Not being able to discern it stuck with God not to listen to the is because they are thinking while the spirit of the devil is insisting, so it is not discernible. This is great

In order for you not to listen to work. Everyone, in ten years... at the devil's words and if your heart least one person a month, hundreds is stuck to God, will the word of the of people a year could have died, devil be heard? When the mouth right? yeah isn't it? So many people of Satan is open, the Forbidden have died here for ten years? No. Fruit comes out. If you do not open For ten years... if that's not the case, the devil's mouth and open God's is this definitely an altar to God? Or mouth, then the Forbidden Fruit is it the devil's altar? Is it the altar will not come out. of God. The secret of immortality is

So, the Forbidden Fruit is the to eat the Fruit of Life. The Fruit of mind. The Forbidden Fruit is not Life is the immortal heart. So if you the fruit of the world. Anything don't have the heart to die, you keep that is not God's thoughts is the on having a heart that doesn't die, Forbidden Fruit. So, not long that's the Fruit of Life, right? Do ago, This man said that the sin you have to eat the Fruit of Life only of forgetting God is a mortal sin. once? Should you keep eating? You Do people know this fact in other should have the heart that does not religions? Do they know in the die every second, only if you have Presbyterian Church? Do people the Fruit of Life, you do not die.* know in the Baptist Church? Methodism? Catholic? Buddhism? Extracted from the sermon of the Confucianism? Daesoon truth Hoi? - 쉬지 않고 기도하라!

은혜 연결이 되면 다른 생각을 할 수가 없는 것이다. 다른 생각이 내려야 날 수도 없는 것이다. 그러면서 그 심령이 변화가 되는 것이다. 다른 생각을 하면 생생 연결이 끊어지는 것이다. 그래서 사람 만나는 것이 무서웠던 것이다. 그러니까 하나님께서 이 사람을 잡아다가 밀실에 가둬놓고 키웠던 것이다. 거기에는 사람 만날 일이 없으니까 잡념이 없어지고 하나님을 고도로 사모하는 생활을 했던 것이다. 산에 가서 나무를 해도 내가 나무를 하지만 하나님이 하시는 것처럼 했던 것이다. 일을 해도 내가 하는 것이 아니요, 하나님이 친히 일하는 것처럼 생각을 하고 일을 했다. 그러니까 힘이 들지 않았던 것이다.

여러분들을 이긴자로 만들기 위해 하나님께서 이 사람을 보내주신 것이다. 이 사람이 바로 이긴자를 만드는 창조주 하나님이다. 여러분들을 하나님으로 만들기 위해 이 사람이 이렇게 비지뱃을 흘리고 있는 것이지, 이 사람이 뭐 좋은 말을 해서 인기 끌려고 하는 것이 아닌 것이다. 유사 이래 어느 종교가가 죽지 않는 비결을 말해보았는가? 여러분이 직접 하나님을 바라볼 수가 있고 직접 하나님을 만날 수가 있고, 하나님과 더불어 대화할 수가 있다는 것은 참으로 큰 복인 것이다.

단 1초만 바라봐도 의인이 된다. 마음 문을 연다는 것은 애걸복걸 애원하는 간절할 심정을 말하는 것이다. 애원하는 심정이 있는 사람은 항상 아랫배에 힘이 들어가는 것이다. 항상 쉬지 말고 기도를 하라! 일을 하면서도 기도를 하고 걸어도니

면서도 기도를 하라! 그러면서 누구든지 내뿜처럼 여겨라! 그렇게 하면 몸 안에 죄악이 다 소멸된다. 잡념이 들어오지 않고 세상 생각이 들어오지 않는다.

우리가 오고 싶어서 여기까지 온 몸이 아니요, 하나님이 이끄심에 따라 나온 몸 인고로 하나님의 이끄심대로 나가야 우리가 하나님의 사람이 된다. 그러므로 마귀가 들린 자의 소리를 듣지 말아야 되는 것이다. 무조건 마귀 소리는 반대할 해야 되는 것이다. 한 마디라도 들으면 여지 없이 마귀한테 '절했다'가 되는 것이요, '우상에게 절했다'가 되는 것이다. 역만분의 일도 마귀한테는 양보가 없는 것이다. 이것이 바로 이긴자가 간 길이다.*

People of the world! let your consciousness awaken!

THIS PATH THAT ONLY STRONG PEOPLE CAN TREAD

Part 5.
- Praying without ceasing

When you are connected with grace, you cannot think of anything else. You can't think other thoughts. And then the spirit will change. If you think otherwise, you will lose your connection to spring water. So, I was afraid to meet people. That is, God took Victor Christ, locked him in a secret room, and raised him. Since there was no meeting with people there, he had no distractions and lived a life of longing for God. Even if I went to the mountain, made wood and did the work myself, but I did it like God did. Even if I worked, it was not me who did it, but I thought

and worked as if God was working. So, it wasn't that hard.

God has sent Victor Christ to make you victors. Victor Christ is the Creator God who makes victors. Victor Christ is sweating so hard to make you God, it's not that Victor Christ is trying to gain popularity by saying something nice. Since ancient times, who has told you the secret of not dying? It is truly a great blessing to be able to see God directly, to meet God directly, and to be able to talk with God. Just looking at Victor Christ for one second makes you righteous. To open the door of your heart is to express your earnest desire to beg. A person with a pleading heart always has strength in his lower abdomen. Always pray without ceasing! Pray while

working and pray while walking! And regard anyone as you! If you do that, all the sins in your body will be eradicated. No thoughts come in, no thoughts of the world comes in. We did not come this far because we wanted to come here, but because our body came from God's leading, we must follow God's leading to become God's people. That is why we should not listen to the voice of those who are possessed by the devil. The voice of the devil unconditionally must be opposed. If you hear even a single word, you will undoubtedly become 'I bowed down' to the devil and 'I bowed down to an idol'. Even a billionth of a million won't make any compromise to the devil. This is the path of the victor.*
