

True Savior Can Teach The Bible In The Right Way

(This man refers to the Victor Christ of the Victory Altar)

Are people called spiritual animals in this world? Because the spirit is god, are they called divine animals? Is it written that the heart of humans is a spirit?

It is said that a person's heart is a spirit, but does the heart leave the moment a person dies? No. When a person dies, the spirit dies. It is not that the spirit of a person leaves, but that the spirit dies, so that person dies.

The awareness of 'I, ego, is the spirit of death

The spirit itself is life, and the life itself of man is the Spirit of God. When it comes to why the Spirit of God exists in man, man is a child of God. Since man is a child of God, it is right to say that man is God, but the devil took over God and created man, so the devil named him man. If you become God again, you will live forever and ever, and there will be no place for the devil to set foot. The devil is a sworn to God. Since the enemy of God is the devil, the devil is the god of death. The awareness of 'I' exists in humans, that is the god of death and the 6,000-year-old red dragon devil.

Don't the people of this world know that man is a God captive to the devil? No, they do not. This man is saying that there is no science in this world. The subject of discussion of science is people, but not knowing the true nature of human beings can't be science, right? The children of God are Gods. Puppies are dogs. Calves are cows, Foals are horses. The babies of monkey are monkeys, But if only the children of God are humans, then does

that make sense? No. Because the children of God are Gods, people have called humans Gods since the days of Dangun, right? This is only in Korea. Koreans have InNaeCheon Ideology, InNaeCheon Ideology indicates that man is God. The reason people have been saying that man is God is that because God is with Grandpa Dangun, the progenitor of Koreans, he knew that man is God. But has everyone on this planet referred to them as humans as the devil instructs?

Today, the devil calls God a man, and the word "man" itself means the devil. Humans are the devils. The reason is that if the subject spirit is the devil, then the main character is the devil. Since the master of man is the devil, man must be the devil, right?

The moment you look at the devil, the spirit of the devil enters.

The human ancestors, Adam and Eve, were still Gods, when the devil appeared 6,000 years ago in the image of God with the power of imitation, at the moment they thought it was God and looked at it with their eyes wide open, the spirit of the devil entered through their eyes. The spirit of the devil came in and pushed out the spirit of God, which became the awareness of 'I' of Adam and Eve, and the devil became their masters. Does God still exist in humans as conscience, which is controlled by the awareness of 'I'

So, it was 6,000 years ago that God began to be ruled by the devil. As thousands of descendants descended, the devil has killed all of God's children. The devil has killed God. When the Spirit of God is in a person, the person lives; but when the devil kills the Spirit of God, does the person

die? To not know such a fact means that there is no science in this world. All the science of human beings is wrong and distorted science.

Today, in order for us to enter the kingdom of heaven, which is our hometown, we must be reborn as God and become God, go and live in God's house, right? That God's house is heaven, isn't it.

The devils deceive us into believing that when a person dies, the soul goes to heaven. Are pseudo-religion discussing it falsely today?

People in this world do not know that people die because the Spirit of God dies. The spirit of man is the Spirit of God, the devils kill the spirit of God. People think that they will die as they get older, 'Oh, I will die soon!' and then you decide to die, right? The devil gives you the heart to die first, and then when you fall down from exhaustion, the devil kills you. Do you know? Because the devil is a very cruel god, and the devil is an evil god, all people will die by this evil god.

You have all the spirits of your ancestors in you.

Where is the spirit of the dead, not the spirit of the dead ascending to heaven, but the spirit of the dead in their children? The spirit of a dead man is the heart of a dead man, right? The mind is affected by blood, right? So the blood of the dead is in their offspring, is the blood of the dead flying into the air? Are they in their children? The spirit of the dead is in their living children, because children were formed with their parents' blood. So, parents' blood is in their children's bodies. Just as children have the blood of their parents, so too is the supreme ancestor's spirit of the thousand descendants in living people? That is, the spirit of the dead is in the living. Does the world know this? No, they don't know. As they do not know it, they don't have science. Do we have a duty to spread the word that we have the spirit of our ancestors in us?

The spirit of the dead is in the living, for when a person dies, the devil kills the Spirit of God, which is the spirit of life, he is put to death and dies. Because the spirits of the dead are in you, so the spirits of the dead live with you. You live in the afterlife of your

dead parents. That is afterlife. Pseudo-religions talk like there's another world in the afterlife, right? Because they are ignorant. The afterlife is the world in which the spirits of the dead live. If the grandfather/grandmother live with their grandchildren, they are living in after after life(來來世). If the spirits of great-great-grandparents live in their great-great-grandchildren, do they live in the after after after life.

As the peole do not know this, they are living in a dark world. Is it written in the Bible as a world of darkness? Do you know why it's a dark world? They don't know anything.

People have the devil's heart now.

All people in this world must return to God in order to go to heaven. Only God can go there according to the Bible and the Buddhist scriptures. John 3:5 says, "You are saved by being reborn as the holy spirit," The saying that you must be born again by the Holy Spirit to be saved indicates that as the Holy Spirit is God, you must be born again as God to be saved, it means that humans were Gods 6000 years ago. Does being born again as God mean that you were once God? That means because you were Gods, be reborn as Gods. It means that humans are Gods.

Also the Bible records, "Act in God" "Conceive the heart of God!" That refers, "Don't have the heart of the devils." Fools do not know its meaning behind those words though they read the Bible. Because their controlling spirit is the spirit of the devils. To have the heart of God means that you have the heart of the devil until now. To have the heart of God also means to become God, right? Only God can conceive the heart of

God. Can a person embrace God? It means, "Become Gods."

People cannot go to heaven.

Christians only carry the Bible, but they don't know the meaning behind it. They think they get saved by the Holy Spirit. No, can a sinner be God just because he receives the Holy Spirit? No, they cannot. You should be born as Gods. Humans cannot go to heaven or the Utmost Joy Land. You cannot go to the house of God because you are not Gods. The saying that humans go to heaven by believing in Jesus is an incredible lie. There are people who are diligently going to church to go to heaven by believing in Jesus. Humans cannot go to heaven.

According to Luke 17:21, "Here it is," or "There it is," because the kingdom of God is within you." That means heaven is in the heart. So, does it also indicate that God is in your heart? Therefore, the Bible says "Heaven is wherever God is" It is heaven only when there is God, not heaven without God. The existence of heaven in the human mind means that only living people can go to heaven, right? Luke 20:38 says, "He is not the God of the dead, but of the living, for to him all are alive." So, does it mean that a living person must become God to go to heaven? The Bible is written in such a detailed and understandable way, but ignorant people are teaching it wrong. Only the Savior can teach the Bible in the right way.*

전 세계여 깨어나자!

10편 <부활 순교 중생의 참뜻 -2탄>

1. 부활의 첫 번째 참뜻 : 육의 부활이 아니라 영의 부활

성경이 말하는 부활은 아담과 하와가 완전히 죄를 벗고 마귀 옥에서 풀려나는 것을 말한다. 살아 있는 사람이지만 죄 안에 있을 때는 죽은 사람이다. 즉 아무리 살았다고 하더라도 그 속에 죄가 있으므로 이미 죽은 사람이 되는 것이다. 살아 있는 사람이라도 죄가 있는 사람은 이미 죽을 정해 놓은 것이 된다. 따라서 이미 무덤 안에 있는 자이며 살았다고 할 수가 없다. 사람이 죄를 완전히 벗어버리고 죄와 상관없는 사람이 되면 부활함을 얻는 것이다. 이것을 부활이라고 하는 것이 육이 죽은 사람이 다시 살아나는 것이 아니다. 성경은 영적인 말씀이므로 부활도 영적인 부활 즉 하나님의 영의 부활을 논한 것이다. 하나님의 나라는 영의 나라이며, 영의 나라는 신의 나라를 말한다. 따라서 하나님의 신이 거하시는 곳이

바로 하늘나라가 된다. 하늘나라는 영생의 나라, 죽음이 없는 나라, 부활함을 얻은 나라이다. 그러므로 부활이라는 것은 영생을 말한다.

2. 부활의 두 번째 참뜻 : 구세주, 천국, 자유율법 등

부활은 천국을 말하는 것이며, 구세주를 말하는 것이며, 자유율법을 말하는 것이다.

자유율법은 마귀를 이기는 영이요, 이긴 자의 영이며, 이긴 자의 영이 천당이요, 부활의 영이 된다. 오늘날 부활의 정확한 뜻을 모르는 사람들이 죽은 사람이 다시 살아난다는 것을 부활로 생각한다. 그래서 부활절을 지키고 있는데 사실 예수는 십자가에서 죽지 않았다. 이제 이 진리의 말씀으로 심판을 받을 날이 얼마 남지 않았다. 구세주 하나님은 창조주 하나님이다. 부활은 영생을 가리키는 것이다. 이제 하나님이 육천 년 만에 비로소 부활한 것이다. 마귀의 옥이라고 하는 것은 마귀의 영의 옥을 말한다. 마귀의 영의

옥은 마귀의 마음을 말한다. 하나님의 마음이 마귀의 마음이 조종하는 대로 이끌려 가게 되므로 하나님이 마귀의 영옥(靈獄)에 갇힌 것이다. 그러므로 현재 마귀 영옥에 갇힌 하나님이 마귀 옥을 뚫고 나와 하나님이 다시 살았다고 된다. 이것이 하나님이 부활하는 것이며 성경으로 거듭나는 것이며, 구원을 얻었다가 되는 것이다. 부활이라고 하는 것은 창조주 하나님이 원래의 모습으로 이루어지는 것이다. 분명히 말하고 싶은 것은 부활은 하나님에게나 있는 것이지 죄인에게는 있을 수 없다. 인간이 본래의 모습인 하나님의 모습으로 거듭나는 것이 진정한 의미의 부활이다. 그러므로 하나님으로 거듭나지 않으면 구원도 없고 영생도 없다.*

영생은 오직 이긴자 구세주에게만 있으니 영생을 이루는 진리의 말씀이 육비에 새겨지도록 읽고 또 읽어 구원의 자격을 갖춰야 한다

Real Scripture Stories to Tell the World

All over the world! Let All Wake Up!

Part 10. < The True Meaning of Resurrection, Martyrdom, Second Birth - Part 2 >

1. The First True Meaning of Resurrection : A spiritual resurrection, not a physical resurrection

Resurrection in the Bible means Adam and Eve are completely freed from their sins and then set free from the Devil's prison. Humans are alive, but when they are in sins, they are dead. In other words, no matter how alive they are, they are already dead because they have their sins. Even a living person is doomed to die because of their sins. This means people are not alive but in the grave. Only when humans have completely eradicate their sins and have no sins can they be resurrected. This is the true meaning of resurrection. It doesn't mean that the deceased can be revived. Since the Bible

is a spiritual book, resurrection is a spiritual resurrection, that is, the resurrection of the spirit of God. The kingdom of God is the kingdom of spirit, and the kingdom of spirit is the kingdom of god. Thus, the place where God lives becomes the kingdom of heaven. Heaven is the kingdom of eternal life, resurrection and no death. In the end, Resurrection means Immortality.

2. The Second True Meaning of Resurrection : Savior, Heaven, The Law of Liberty and so on

Resurrection also refers to Savior, Heaven and The Law of Liberty. The Law of Liberty is the spirit that overcomes Satan and the spirit of Victor Christ. The spirit of Victor Christ is heaven and the spirit of resurrection. Modern people who don't know the true meaning of resurrection think of it as the resurrection of the dead. For this reason, Christians have kept celebrating Easter Day even though Jesus didn't die on the cross. There is not

much time left to be judged by this word of truth. The Savior God is the Creator God. Resurrection refers to immortality. Eventually, God is resurrected only after 6,000 years. The Devil's prison means the prison of Devil's spirit. The prison of the Devil's spirit signifies the Devil's heart. Because God's heart is led by the control of the Devil's heart, God is imprisoned in the spiritual prison of the Devil. Therefore, God imprisoned in the Devil's spiritual prison must break out of the Devil's prison and then God can be reborn again. This means that God is resurrected, that God is born again by the Holy Spirit, and that God is saved. Resurrection means that God is restored to his original form. What I want to say clearly is that the resurrection belongs to God, not to sinners. The true resurrection is to be reborn into God, that is, the human being's original form. Therefore, unless one is reborn as God, there is no salvation, no eternal life.*
