

# Holy Dew Spirit of Victor Christ Transforming Humans into Gods

*(This man refers to the Victor Christ of the Victory Altar)*

Unless the Victor Christ is the hero of the Bible, he cannot know the essence of the forbidden fruit. Also, seeing that he knows the reality of sin, he must be the main character, right? Before the Savior tells the essence of sin, people thought that sin was wrong behaviors. All things that the awareness of "I" does are sins. There was nobody for human history of 6000 years who said like that. The Bible and the Buddhist scriptures record, "Throw "I" away all the time" and "People can reach nirvana when they are selfless". That is, "I" is the most impeditive material for humanity.

### This Man Is Not A Human

There is nobody who speaks that the awareness of "I" is the forbidden fruit and the Satan of Satans. So the Savior has authority and power. The power is not weak, but one that moves the cosmos. Therefore, This man can control winds and clouds as he wants. The Chuljang part of *Gyeong Am Yourok* writes that Jeong Do Ryeong can handle winds and clouds as he wants. Jeong Do Ryeong is the Savior and the Maitreya Buddha according to *Gyeong Am Yourok*. Also, the book said that Jeong Do Ryeong is like a human, but he is not a human. That is, he is God(神). So He has the power of God. Humanity cannot stop typhoons. Humanity cannot destroy communism. Humanity cannot make harvests abundant. Humanity cannot prevent wars. Only God can do those things. Therefore, if one is not convinced that the Savior surely gives them immortality, they are foolish. Fools go to hell. Smart people cannot go to hell.

### Information Leads to Human Im-mortality

There is a Korean saying, "If one

knows, they can avoid a funeral." The awareness of "I" is the forbidden fruit; it is the worst sin of sins. If one knows it, they cannot die. If one knows it, they cannot live as it orders. Smart people cannot move as the awareness of "I" wants. Before the Savior tells, "live a life in contrast to the awareness of "I" wants", after hearing those words, they are supposed to live the opposite life by themselves. Those who do not know this fact will certainly go to hell.

The words of John 3:5, tell that people can be reborn by being reborn as the Holy Spirit. It means that as long as awareness of humanity exists, they cannot be saved. Humanity can be saved by becoming a God. As humanity is the slave of Satan, they cannot be saved. If people role the salves of Satan, surely will they die finally. It is very miserable. So, in order to keep people from dying of such a tragic fate, This man teaches them how to not die and pours out the Holy Dew Spirit, an immortal medicine. If you still don't know how to be grateful and you don't know how to thank God, you're really pathetic. Do you know? Although people give thanks to God, there is no way to repay the grace of God. People cannot repay, though they are always grateful to God, loyal to God, and offer everything to help the work of God. Because humanity lives due to the Savior, his other selves remain as life in humanity, which keep them, in charge of their sin, save and lead them.

So their gratitude to God cannot be finished. One should give thanks to God all the time. One should work for God. Eternal life cannot be exchanged with a universal-sized gold bar, which cannot exchange everything that one has, even though one offers all their loyalty. The Savior has an unconditional love for humanity. He has a mind to give love to humanity

unconditionally. So you should give thanks to God and live in the rule of God.

### The Thought of Driving 'I' Is the Forbidden Fruits

Although Adam God and Eve God became humans by eating the forbidden fruit, the devil deceived all mankind with a lie that God made man out of clay. This man is arguing that God became a man through eating the forbidden fruit, the spirit of the devil after uncovering the lie.

In fact, when this truth becomes known, all religions in the world will become our victory altars. When this becomes known... If only this becomes known, they do not consider their doctrine to be true. Is This man discussing the root of sin, the core of sin? If the fact that the root of sin is the forbidden fruit, and that the forbidden fruit of the progenitors of mankind, Adam and Eve, ate is the awareness of "I," goes out on the broadcast, all the people of the world will admit it. They do not know that because they did not hear that.

The awareness of "I" is the forbidden fruit, which is the spirit of death, which is Satan. The Holy Dew Spirit kills Satan, so it is a medicine to

make humanity be reborn as God, the man who emits the Holy Dew Spirit is the Savior(the Victor Christ) who enables all humanity to reinstate God. Did you see the picture which the Holy Dew Spirit is coming from This man's nose and head. It tells who This man is. *Gyeong Am Yourok*, the Bible, and the Buddhist scriptures record that the man who pours down the Holy Dew spirit is the Savior.

### The Savior Wearing a Human Body

So, Isaiah 43:11 writes that God saves humanity. The Savior is not a man but God. This man looks like a man to you, but he is God who wears a body of a man in order to save them. Being God, he is almighty enough to remove communism. Humanity cannot do it because communism is an idea of humanity. How can they erase the idea of humanity by going into them? It is impossible for humanity. As This man is God, he goes into the communists as his other selves and roots out their ideas. The communists said "They like communism" right before the day when This man removed their ideology. But as This man rooted out their communism ideology, the communists said, "They do not like communism." Given that, This man

is unquestionably the Savior who can make all humanity God. If This man has the power to save all humanity, you should announce this news to the world. Make them come to the Savior to be saved. That is the duty of the men who knew the Savior early. You have a duty to announce the words of the Savior to the world.

This man speaks of the theories of salvation very logically. They are, "One can be saved by eating the fruit of life", "One can be saved by being reborn as the Holy Spirit", "One can be saved by conceiving the mind of God", "One can be saved by acting in God", and "One can be saved by being resurrected."

### The Difference Between Spiritual Resurrection And the Body's One

It is very foolish to say about resurrection though one does not know its definition. Resurrection itself is the word of the Bible, which is a spiritual word. As resurrection is a spiritual word, it is a spiritual resurrection. God's spirit being changed into an immortal one is the resurrection. God's spirit being changed into an immortal one means that God sits in the place where the spirit of death sits after God kills the spirit of death. That is being resurrected. But Christianity does not know the true meaning of the resurrection. They interpret the resurrection physically and believe the body of Jesus lived again and went up to the sky, where he will descend in 2000 years. The group of Hegers caused problems by insisting on the descending of Jesus. Those who believe in Heger are Satanists.

Jesus died and buried! Shall This man show you the body of Jesus? There's a tomb with the body in France! This man says only certain things. This man tells anyone that Jesus is the devil because he knows so

very clearly that Jesus is a child of the devil. Is it written in the Bible?

Ephesians 6:12 records that the god which grips the authority of space is an evil spirit. So the god in the sky is Satan. When Jesus was baptized in the Jordan River, there was a voice in the sky, "This is my son, with whom I am pleased." At that time, the Baptist John thought that God was in the sky. Everyone thought that God was in the sky. They also thought that God made the rain fall. In fact, Satan lets the rain fall. This man stops the rainy seasons by killing Satan, who makes the rain fall. Typhoons that come toward Korea die in front of the sea of Busan in Korea. As This man kills Satan, who drives typhoons, the typhoons stop. This man has such power, he says, "Typhoons cannot come to Korea." Considering everything is done as This man says, it is clear that he is the true Savior.

Also, seeing This man pouring out the Holy Dew Spirit, it is clear he is the certain Savior. Everybody does not pour out the Holy Dew Spirit. People think that This man pours down only from top to bottom, but there is a picture that the Holy Dew Spirit comes from This man's nose and head. That is evidence that This man pours down the Holy Dew Spirit. As This man pours down the Holy Dew Spirit, he is the hero of the Holy Dew Spirit. So if one is admitted by This man, they will be saved. If one is not admitted by This man, they cannot be saved. That is the rule of heaven. God does not separate from the Savior. The Trinity is the Savior, the Savior himself is the Trinity. Therefore, that is why there is no God anywhere except for the Savior. The other selves of the Savior do all things. The other selves of the Savior fill in the universe and act.\*

## 전세계에 알리는 진짜 경전 이야기 13회

### 전 세계여 깨어나자!

〈하나님의 마음과 마귀의 마음 - 1 편〉

#### 1. 하나님의 마음

원래 사람의 마음은 졸렬하고 좁은 마음이 아니다. 원래 사람의 마음은 당장의 상황만 생각하는 근시안적인 사람이 아니다. 원래의 사람의 생각은 관대하고 대국적이며 그 마음이 온 세계에 뻗어 있는 마음이다. 인간의 본질적인 마음은 세계 어느 구석을 망라하고 그 마음이 다 꽃혀 있는 상태였다. 이 마음은 하나님의 마음이며 하나님의 마음은 우주로 주관하는 마음이다. 그래서 우주 어느 구석 하나도 빼놓지 않고 하나님의 생각이 다 꽃혀 있는 것이다. 그러므로 하나님의 마음은 온 세계 인류가 하나님의 몸이요 온 우주가 하나님의 마음 인고로 어느 곳을 망라하고 하나님의 생각이 미치지 않는

곳이 없는 것이다. 원래 하나님의 생각은 우주에 꼭 차 있는고로 하나님이 우주요 우주가 하나이다. 그러므로 본질적인 사람의 생각은 하나님의 생각인고로 온 우주를 하나의 존재로 생각하는 것이다.

#### 2. 마귀의 마음

원래 사람의 마음은 하나님의 생각이었는데 마귀 영이 들어온 다음부터는 그 생각의 영역이 좁고 졸렬해진 것이다. 이 차적으로는 상대방이 좋아야 내가 좋고 내가 좋아야 상대방이 좋게 되는 원리를 사람들은 알고 있다. 하지만 그것을 실천하지는 못한다. 그것은 마귀의 영이 사람의 마음을 주관하기 때문이다. 그 마음이 현실에 조금하여 당장 부닥치는 영역만 생각하고 그 생각을 초월해서 생각할 수가 없는 것이다. 차단되어 있는 생각, 한계가 있는 생각은 자신의 생각의 범주한

에서만 생각할 수가 있지 그 생각의 날개를 펼칠 수가 없다. 따라서 온 우주가 하나라는 생각을 할 수가 없고 전 세계 인류가 한 몸이라는 마음을 품을 수가 없다. 이렇게 사람이 온 우주가 하나라는 것을 생각하려면 할 수가 없는 것은 사람의 마음을 마귀의 영이 조종하는 까닭이다.\*

인류가 그렇게 기다리던 이긴자 구세주께서 영생의 양식을 듬뿍 가져오셨다. 영생의 양식을 먹는 방법은 말씀을 자신의 것으로 만들어야 한다. 인류에게 영생은 오직 이긴자 구세주에게만 있으니 영생을 이루는 진리의 말씀이 육비에 새겨지도록 읽고 또 읽어 구원의 자력을 갖춰야 한다

## Real Scripture Stories to Tell the World-Episode 13

### All over the world! Let All Wake Up!

< Part 1 of God's Heart and Devil's Heart >

#### 1. God's Heart

The original human mind is not a dull and narrow mind. The original human mind is not a short-sighted person who only thinks about the immediate situation. The original thought of human is generous and large-scale, and his/her mind is engulfed in the whole world. The essential human mind encompassed all of the world and was in a state of being immersed in it. This heart is God's heart, and God's heart is the heart that governs the universe. That is why God's heart exists without leaving out every corner of

the universe. Therefore, the heart of God is that the whole world is the body of God, and the whole universe is the heart of God. Originally, God's thoughts were filled with the universe, so God is the universe and the universe is one. Therefore, the essential thought of human is to think of the whole universe as one being because of God's thought.

#### 2. Devil's Heart

Originally, man's heart was God's thoughts, but after the devil's spirit came in, the realm of that thought became narrow and dull. In a logical sense, people know the principle that if the other person is happy, you are good, and if you are happy, the other person becomes good. but can't put it into practice. This is because the spirit of

the devil controls the heart of human. That mind is impatient with reality, thinking only of the immediate realm, and cannot think beyond that thought. Blocked thoughts and limited thoughts can only be thought within the scope of one's own thoughts and cannot spread their wings. Therefore, it is impossible to think that the whole universe is one, and it is impossible to embrace the mind that the whole world is one body. The reason why human cannot think that the whole universe is one is because the spirit of the devil controls human's mind.\*
