

The Awareness of 'I' is the Spirit of Death

(This man refers to the Victor Christ of the Victory Altar.)

The spirit itself is life, human life itself is the Spirit of God, the reason why the Spirit of God is in a man is because man is God's child. It is right to call that a man is God because he is the child of God. But as Satan occupied God and made God humans, Satan named the occupied God a human. So if you become a God again and live forever, and the devil will have no place to stand. The devil is the mortal enemy of God. The enemy of God is Satan because it is the spirit of death. The spirit of death is the awareness of 'I', which is the 6000-year-old Red Dragon.

We should call the children of God Gods.

However, the people in this world does not know that a man is a God captured by demons. So This man tells that there is no learning in this world. Although the subject of academic discussion is a human, not knowing the reality of a person means that there cannot be a science, right? The child of God is God, the puppy is a dog, a calf is a cow, a baby of a monkey is a monkey. But if we call God's child a man, does that make sense? No. As we should call the child of God a God, ever since Dangun grandfather, Koreans have been saying that humans are Gods, right? It is only in our Korea. Koreans have said the InNaeCheon Thought, which means human beings are Gods. Because God accompanied Dangun grandfather, he knew a human is God.

However, all the people of the world are calling people human beings as Satan teaches. Today Satan calls Gods

humans, the word, 'a human' itself means a devil. Humans are devils. Because their controlling spirits are devils, if one's controlling spirit is a devil, their owners are devils, too. As the owner of a human is a devil, a man is a demon, right?

At the moment God looked at Satan, the spirit of Satan came in

However, in fact, humans were Gods. When Satan in the image of God with the imitating power appeared 6,000 years ago in front of Adam and Eve who were Gods and the ancestors of men, they opened their eyes wide thinking it was God, the spirit of Satan came through their eyes, pushed away the spirit of God, became the awareness of 'I', and it became their masters. God remains in men as conscience, and their conscience is governed by the awareness of 'I', right?

Therefore, it was 6,000 years ago that God began to be ruled by demons. The devil has killed all of God's children, coming down to all his descendants.

Demons have killed Gods. When the spirit of God is in a human, he is alive, when demons kill the spirit of God a man, he dies. Not knowing something like this means there's learning in this world. All of a person's learning are distorted wrong. Today if we want to enter the kingdom of heaven, which is our home country, we must be reborn as God, then we can go and live in God's house, right? The house of God is heaven?

The devil gives you the heart to die.

The devil seduces that the soul goes to heaven when a man dies, lives forever as a spirit, right? The cults tell a lie to people.

The reason people die is because the spirit of God die in them. As the spirit of humans is the spirit of God, devils kill the spirit of God, people die, so people do not know since they are ignorant.

They think people die due to putting on years, soon they will die and have the mind to die. The devil gives people the heart to die first, and then when they are tired and fall down, the devil kills them. The devil is a very evil god, so all people are killed by the evil god.

The spirits of one's ancestors are in their bodies.

Where is the spirit of the dead? The spirit of the dead does not go up to heaven, but the spirit of the dead is in the child? The spirit of the dead is the heart of the dead, right? The heart is influenced by the blood? So the blood of the dead is in their children. Does the blood of the dead fly into the air? No. It is in their children. There is the spirit of the dead in the living.

There's the blood of the dead in their children because they are made of the blood of the parents. The blood of parents is in their children. As there is the blood of parents in their children, today, we have the spirit of the first ancestors of all humans in our living bodies, right?

That is, the spirits of the dead are in the living. The people do not know this fact because they are ignorant. That ignorant people's learning is not science. We have a duty to announce widely that the spirits of our ancestors are in our

bodies.

It is afterlife where the dead live.

The spirits of the dead are in the living, when the living person dies because devils kill the spirit of God, the spirit of life, when you're alive with the spirits of the dead in you, the spirits of the dead live with you. You do not live alone. You live with your ancestors' spirits. Your ancestors' spirits live in you. You're living in the afterlife of your mother and father. That is afterlife. Do pseudo-religions talk there's the afterlife in some other world? They say that because they are ignorant. The world where the spirit of the dead lives is the afterlife. If one's grandparents live in their grandchildren, they live in after afterlife in their grandchild. If great-great-grandparents live in their great-great-grandchild, they live in after after afterlife in their great-great-grandchild.

Not knowing this, the world is dark. The Bible also says like that. Do you know why it's a dark world? They know nothing.

At present, humans' hearts are demon's hearts

All the people in this world must become Gods back to go to heaven. Everybody does not go to heaven. Only God goes to heaven according to the Bible and the Buddhist scriptures. "You are saved by being reborn as the Holy Spirit." according to John 3:5. Being born as the Holy Spirit means that as the Holy Spirit indicates God, only by being reborn as God, one is saved, and the meaning that humans were Gods 6000 years ago is in the word. The word, "Be

reborn" has a meaning that humans were God in the old times. It means that as human beings were Gods, be born again as God. That implies that humans are Gods.

Also, the Bible says "Act in God", "Conceive the heart of God!" That means that nowadays you do not have the heart of God, but have the heart of devils. Fools do not know the word. Although foolish people read the Bible, they can't sense the meaning behind the words. Because their controlling spirit is the spirit of devils. The word, "conceive the heart of God" signifies that people have the mind of demons. The word, "Conceive the heart of God" means "Become God" Only God has the heart of God, humans cannot have the heart of God. It means, "Become God."

Humans cannot go to heaven.

Christians only carry the Bible, and they don't know the meaning behind it. They think they get saved by receiving the Holy Spirit. Can sinners become God by receiving the Holy Spirit? No. You must be reborn as God. Human cannot go to heaven; human beings cannot go to the utmost joy land and cannot go to the house of God because they are not Gods. The word, "People go to heaven by believing Jesus" is an incredible lie. There are people who believe in the word and go to church diligently, but they are very deluded. People are never expected to go heaven.

Kill the awareness of 'I'

The Bible says that Adam and Eve died due to eating the Forbidden

Fruit. Also it says that all the words of the Bible are spiritual. That is, the Forbidden Fruit is a spiritual fruit. As the Forbidden Fruit is a spiritual fruit, it is spirit? As Adam and Eve died of eating the Forbidden Fruit, it is the killing spirit. The killing spirit is God or devils? Devils are the Forbidden Fruit. What Adam and Eve, the ancestors of humans ate the Forbidden Fruit is taking the killing spirit. The killing spirit is in their descendants. Because they were made of the blood of their ancestors, today, where is it in their descendant? The awareness of 'I' is the Forbidden Fruit.

Today, cult religions do not know that the awareness of 'I' is a demon, the Forbidden Fruit, They say that humans believe in Jesus and go to heaven. The awareness of 'I' cannot go to heaven because they are devils. The Bible writes "Throw 'I' away all the time." Why would it tell you to throw it away because 'I' is a demon. As people die of this demon, we should kill the awareness of 'I'. If we have a knife, should we kill it? But it is not killing the body of humans? It is killing devils, the awareness of 'I'. How do we kill the awareness of 'I'? The awareness of 'I' is the spirit of desire. So, the opposite of desire is sacrifice. The opposite of greed is giving. That is, by living a giving life and by living a sacrificial life, demons die. The man who knows the method of killing demons is the Savior. If he does not know the way, how does he save people? Considering This man teaches the way of saving people in detail, he is the true Savior?*

마음이란 무엇인가

우리가 흔히 쓰는 말에 마음이 들어가 있는 게 많다. 마음이 괴롭다, 마음이 즐겁다, 내 마음과 네 마음이 다르다 등등 하루에도 여러 번 이런 말을 쓴다. 또한 마음이 크다든가, 작다든가 하는 말도 쓴다. 마음은 작아지기도 하고 커지기도 해서 어떤 때는 좁쌀보다 작아지다가 어떤 때는 우주만큼 넓어지기도 한다. 마음은 요술을 부린다.

그런데 정작 이렇게 빈번하게 사용하는 '마음'이 구체적으로 어떤 것인지 잘 모른다. 마음이 어디서 나오는 것인지, 동식물도 마음이 있는 것인지, 의식과 마음은 다른 것인지 등등 조금만 구체적으로 들어가도 이러한 질문에 답하기가 매우 어렵다.

마음은 어디서 나오는가?

먼저 마음은 어디서 나오는가를 알아보자. 어떤 이들은 마음이 뇌에 있다고도 하고, 심장에 있다고도 하고, 우주심(宇宙心)이라는 용어까지 만들어서 우리 밖에 있는 어떤 존재의 의식으로까지 그 마음의 출처를 확장하기도 한다. 마음은 도대체 어디에 있을까?

KBS는 이러한 물음에 답하기 위하여 '마음'에 대해서 특별기획 다큐멘터리를

방영한 후 이 내용을 책으로 정리하여 2006년에 내놨다. 그 책이 바로 『마음』이다. 이 책에 따르면 '마음은 정보를 수집·처리·보관하는 뇌의 고등기능이다'라고 정의하며 '마음은 뇌에 있다고 보는 것 같다. 신경과학자들과 뇌과학자들이 일관되게 '마음이란 두뇌의 화학작용, 생리학적 작용에 의해 만들어진 것'이라고 주장하는 것과 일맥상통한다.

한편 유전자를 연구하는 학자들은 뇌가 우리의 주인이 아니라 유전자가 주인이라고 말한다. "뇌의 작용을 마음의 작용이라고 생각하는 사람이 있을 것 같다. 그러나 확실히 뇌의 작용이 몸에 끼치는 영향은 크지만 몸속의 최고의 사령탑은 유전자이다. 정신작용과 유전자의 관계는 아직 확실하지 않지만 자연치유력을 발휘하는 열쇠는 유전자가 가지고 있다고 생각한다." 『유전자 혁명』 사람과 책, 1999년 무라카미 카즈오(村上和雄)

이들의 주장처럼 마음은 두뇌에 있는 것일까? 아니면 유전자에 있는 것일까? 마음이 두뇌에 있다면 두뇌 바깥에서 두뇌를 의식하는 것은 어떻게 설명할 수 있을까? 두뇌를 인식하는 두뇌 밖의 어떤

유식사상의 기초를 다진 무척(사진 좌)과 세친 보상

것은 두뇌의 기능에 속하는 것일까, 아니면 다른 무엇이 있는 것일까?

이러한 질문에 대하여 궁구하면서 마음이 두뇌에 있다고 한정하는 주장은 잘못이라고 유식사상가들은 말한다. 2013년 민족사에서 펴낸 『마음의 비밀』이라는 책에서 저자 요코야마 고이치는 이렇게 말하고 있다. 그대로 옮겨본다.

"눈앞에 있는 사과를 볼 때 붉고 둥근 형태가 '보이는 것'이고, 그것을 보고 있

는 '보는 것'이 있습니다. 나중에 자세히 설명하겠지만, 사고는 마음 중의 영상으로서 인식되는 것이기 때문에 '보이는 것'은 마음입니다. 물론 '보는 것'도 마음입니다. 따라서 이 둘은 '보이는 마음'과 '보는 마음'이라고 바꾸어 말할 수 있어, '본다'라는 것은 '보이는 마음'을 '보는 마음'이 본다, 즉 '마음이 마음을 본다'는 것입니다. 우리는 '보이는 마음'과 '보는 마음' 중에 전자를 확실하게 볼 수 있

습니다.(실제로 사과를 볼 수 있습니다) 그렇지만 후자는 결코 볼 수 없습니다. 왜냐하면 손가락은 다른 사물을 가리킬 수 있지만, 손가락 그 자체를 가리킬 수 없는 것처럼 보고 있는 '보는 것'은 '보는 그 자신'을 볼 수 없기 때문입니다. 만약 '보는 것'이 보일 때는 그것은 이미 '보이는 것'이 되어버리기 때문입니다. 이처럼 '보이는 마음'은 볼 수 없습니다만, '보는 마음'은 결코 볼 수 없다는 사실을 알아차렸을 때 뇌 과학의 연구대상이 될 수가 없는 '마음이 남게 되는 것입니다.' 이와 같이 주장하면서 "마음이 변하면 뇌도 변하고, 뇌가 변하면 마음도 변한다"며 마음과 뇌는 서로 관계적으로 작용한다고 말한다.

유식사상에서 말하는 마음

유식사상에서 말하는 마음은 사람의 정신작용 전체를 포괄하는 넓은 의미로 본다. 안식(眼識), 이식(耳識), 비식(鼻識), 설식(舌識), 신식(身識), 의식(意識), 말나식(末那識), 아뢰야식(阿賴耶識)이 있다는 것이다. 안이비설신의(眼耳鼻舌身意), 즉 인간의 다섯 가지 감각기관을 통한 인식작용인 오식(五識)과 사고작용인 육식(六識)이다. 여기에 자아집착심인 말나식과 모든 식(識)의 근본바탕이 되는 아뢰

야식을 합쳐서 팔식(八識)이 마음이 된다고 한다. -유식사상에 대해서는 민족사에서 펴낸 『마음의 비밀』 참고하세요.

유식사상은 무착(無著)이 도술전에 있는 미륵보살을 진경하여 배운 것으로 무착의 동생 세친(世親)에 의해서 체계가 완성된 불교 철학이다. 불교는 마음공부를 중시하므로 마음이 무엇인지 밝히려고 애를 썼는데 유식사상에서 마음을 궁구하여 이렇게 밝혀놓았지만 마음은 도대체 어디서 온 것인지, 아니면 사람이 생겨나기 전부터 원래 있었던 것인지에 대해서는 제대로 논구(論究)하지 않은 것으로 보인다. 마음이 원래 어디서부터 온 것인지 알아야 정확하게 마음의 정체를 알 수가 있다고 할 터인데 이 점은 미흡한 부분이다. 유식사상이 아뢰야식이라는 근본의 마음을 가정하고 그 아뢰야식에서 모든 것이 만들어진다고 하는 것으로 보아 아뢰야식은 원래부터 있었다고 보고 있는 것 같다. 그래서 한 사람의 죽음으로 그의 육신은 사라지지만 그가 지은 업장은 아뢰야식에 남아서 그것에 따라 윤회 환생한다고 말한다. 여기서 윤회 환생에 대한 불교교리를 살펴보기에는 본래 말하고자 하는 마음의 문제와 너무 빗겨나가는 것으로 보여 이에 대해서 나중에 살펴보기로 한다.*
