

Savior Gives Jubilation & Happiness to humanity

(This man refers to the Victor Christ of the Victory Altar)

Savior Provides Happiness

The Savior should be perfect from every angle. If the Savior is true from one angle, but is not true from another angle, he is not the Savior. The Savior first gives happiness. So He tells people to laugh. Lee Sang-Goo, an American medical doctor, said if people laugh, endorphine is formed in the blood. He knows only the fact. However, he could not say if people laugh, what changes and endorphin is released. So he does not know the source. If a man can say about the source, He is beyond the level of humanity. That is, he is God. Only God knows the source. Before, This man said if people laugh, their blood is changed, the blood of humanity is changed as he thinks. If people laugh, their blood is changed into laughing blood. People laugh because they feel at ease. If people laugh, their blood is changed into that of God.

If people come to the Victory Altar, they achieve immortality if they do not commit sins. The Savior absolves their sins of the past. The man who solves the sins of humanity is the Savior. This man solves people's sins when they have the earnest mind to ask God to forgive their sins because solving sin is very difficult. God washes the sin of people when they repent and do not commit the sin again, at last God washes their sin. If one has an unabashed mind and face, God does not solve their sin. When one follows as God tells,

God washes their sin. This man tells you to laugh.

People can reinstate the source by knowing the source of how humanity became humanity. Jeongdoryeong came to the world to change the mortal world into an immortal one. When we know the basis of humanity, and how we became humanity, we can go back to our original status. Jeongdoryeong came to the world to make humanity return to humanity's original place. Humanity was God, we should know the reason God became humanity. This man tells that God became humanity by eating the Forbidden Fruit. Nobody knew for 6000 years what the Forbidden Fruit was. The Bible records that faith was not seen until the end of times comes. False religionists say just like there is faith. Until the end of times comes, there is no faith.

Whers Does Human Come From

People do not know when the end of times is. The end of times means the end of the world. That is when the world of the devil ends and the kingdom of heaven begins. The end of Satan means the end of the mortal world. So far there has been death, but there will be no death, although people wish to die, they will not be able die. And when heaven is established, I am very sorry to people who hate This man. The hero of heaven is This man, who will go to every person as His other selves and build heaven in their heart. Then they will become Gods. The Bible

records in Revelations 3:12. It writes, "Him who overcomes I will make a pillar in the temple of my God. Never again will he leave it." According to Revelations 2:7, "To him who overcomes, I will give the right to eat from the tree of life." The Victor is the man who gives people eternal life. The words, "Him who overcomes I will make a pillar in the temple" mean when one has the Victor in them, their heart becomes heaven(the castle of God). Christianity does not know this fact.

Devil Comes into Opened Eyes of God

Humanity was originally God. The spirit of Satan came into God, the spirit of Satan is the Forbidden Fruit. God did not eat the Forbidden Fruit, but Satan expressed like that in order for humanity not to realize that they were originally Gods. However,

the Savior knows the essence of the Forbidden Fruit. Satan came into God through God's eyes, pushed the controlling spirit of God, the spirit of conscience away, and became the God's controlling spirit. That is, Satan became the owner of humanity. As God became Satan, his appearance became that of Satan. Humans are beings who God was transformed into Satan. This man is discussing the fundamental words of this science that humanity itself is Satan. The basic words are written in Gyeokamyourok and the Buddhist Scriptures. Only the Savior can tell everything.

You should go back to humanity's original home town. Everyone longs for their original hometown, heaven. Everybody wants to go heaven. Even those who committed terrible sins want to go to heaven. No matter how bad of a sin men commit, they do not want to die. The reason is because the blood

that lived forever in heaven flows in their bodies. So they hate death and like joy and happiness. But Satan is the controlling spirit of humanity; they can neither laugh nor be happy because Satan gives pain endlessly by poking them with thorns. If humanity laughs continuously to overcome Satan that gives pain and anguish, the Satan dies.

Always Laughing People Never Die

Therefore, if one laughs, their blood becomes cleans and Satan dies. Laughter is a weapon to kill Satan. Prayer kills Satan at once, if one often laughs, the spirit of Satan cannot approach them. So they cannot die. Laughing people cannot contract diseases or die. Newspapers write that laughter heals cancers, is the best medicine, and makes humanity healthy. An immortal way is laughing. But the science of the world does not know this fact. Laughing is very easy. Bursting laughter lengthens one's life span dozens of years. Because This man came to the world to give immortality, He tells you to laugh.

The awareness of 'I' is the spirit of Satan, the controlling spirit of humanity is the Forbidden Fruit, and their conscience is the spirit of God. The spirit of conscience is the spirit of life, due to the blood of life, conscience exists. If the blood of life does not exist, if the blood of God does not exist, conscience cannot be. So when Satan kills humanity, it kills the spirit of God (the spirit of humanity) first. Satan is the awareness of 'I' in humanity. Satan is not far away. It's not

outside. The devil is not coming in from outside, but it is the awareness of 'I', which is the red dragon devil. This man prayed a prayer of rooting out and eradicating the red dragon devil a lot in the Secret Chamber. The truth is, one doesn't know until they become a completer. Although the Eve Victress instructed This man to uproot the red dragon devil and eradicate it, she did not know that the red dragon devil is the awareness 'I'.

Only the Perfecter is a very valuable existence. He cannot be expressed by language. This man pushes typhoons as He wants, removes communism, prevents rainy seasons, makes Korean harvests abundant, and prevents Korean wars. No matter how hard Kim Il Sung tried to start a war, as This man moves as His other selves, He can go to America or North Korea, and talk to Kim Il Sung. When This man appeared to Kim Il Sung (the former leader of North Korea, the grandfather of Kim Jeong Eun) with a body as big as a house, he was afraid of This man, so he followed This man's order. This man threatened: if you begin a war, you will die first. The spiritual mother said that This man can change His body as He wants, act with His other selves. Those who attend the Victory Altar receive an amazing blessing. If all family members come here, all their ancestors will be saved. Then it is a great filial to their ancestors.*

전세계에 알리는 진짜 경전 이야기

한국인들이여 깨어나자!

이길은 강자가 가는길

4편 - 영생 얻는 비결

이 사람이 걸어온 길, 이 사람이 은혜 받던 비결을 명심해서 들어야 한다. 그것이 바로 여러분들이 은혜 받는 길이 되고, 영생하는 길이 되는 것이다.

기도를 할 때 이 사람은 항상 아랫배에 힘을 주고 기도를 했다. 기도를 할 때에는 눈을 감는 법은 없고, 항상 눈을 뜨고, 하나님을 바라보면서, 하나님의 얼굴을 눈에다 새기며, 기도를 했다. 이 사람은 하루종일 그렇게 기도를 했지만, 여러분들은 그렇게 할 수가 없는고로, 최소한도 저녁 잠자기 전 30분, 아침에 일어나서 식사하기 전 30분이라도 의무적으로 기도를 해야 한다. 이것이 하나님의 은혜를 당기는 비결인 것이다.

이 사람은 차를 타고 항상 밖으로 바라보며 하나님을 새기면서 기도를 했다. 이 사람 저 사람을 쳐다보며, 얘기하며 차를

타고 가본 적이 없다. 그래서 이 사람은 도통 말이 없었던 것이다. 말이 많은 사람은 그 생활이 기도가 없는 사람이다. 기도 생활이 있는 사람은 말을 할 새가 없다. 하나님과 대화를 하느라고 다른 사람과 말할 틈이 없다. 그래서 입에다 재갈을 물라고 했던 것이다. 하나님하곤 얘기를 해야지 세상 죄인과는 말을 하지 말라는 것이다. 이 사람은 단전 호흡을 어디서 공부해서 아는 것이 아니고, 이 사람이 스스로 진리의 길을 가려니까 이런 길 저런 길을 찾다가 알게 된 것이다.

그런고로 여러분들이 예배를 볼 때에도 아랫배에 힘을 주고, 기도를 하게 되면 하나님의 은혜가 머리 정수리로부터 연결되기 때문이다. 잠님이 들어올 때에는 아랫배에 힘을 주고 호흡을 멈췄다. 잠님이 들어오는 것은 마귀 영이 들어오는 것이다. 이 사람이 그 마귀 영과 싸우는 과정에서 아랫배에 힘을 주고, 호흡을 멈추어, 하나님을 고도로 사모하면서 기도를 하게 되면 '뻥'하고 터지면서 생수가 뱃속뿐만 아니라 온 몸으로 흘렀던 것이

다. 여러분들이 "무량대수 마귀 뿌리째 뽑아서 박멸소망!"하고 기도할 때에 '뿌리~째'에서는 아랫배에다 힘을 주고 '뿌리~째'하고 길게 발음하면, 뱃속에 있는 공기까지 빠져 나간다. 이 기도법이 은혜를 받는 기도법이다. 단전호흡을 하던 사람이 여기 와서 이 기도를 해보면, 이 진리가 확실하다는 것을 깨달을 수가 있는 것이다. 그런 호흡만 해도 건강하게 되거늘 하나님을 고도로 사모하면서 마음이 하나님께 꽂혀 있는 상태에서 움직이게 되니 백 배 천 배 효과가 있는 것이다.

마음으로는 하나님만을 고도로 사모하고, 초초로 하나님을 바라보면서, 이 사람이 가르쳐준 대로 이 기도를 하게 되면 구원을 못 얻을 자가 없는 것이다. 이 사람이 영생 얻는 비결을 물리적으로 하는 방법을 가르쳐주는 것이다.*

영생을 이루는 진리의 말씀을 육비에 새겨지도록 읽고 또 읽읍시다

Declaration of True Bible to World

People of the world! let your consciousness awaken!

THIS PATH THAT ONLY STRONG PEOPLE CAN TREAD

Part 4.

- The secret to eternal life

We have to keep in mind the path Victorious Christ had walked and secret of Victorious Christ to receiving Grace from God. That is the way for you to receive grace and to live forever. When praying, Victorious Christ always gave strength to his lower abdomen and prayed. When he prayed, he never closed his eyes but always opened his eyes, looking to God, engraving the face of God in his eyes and praying. He prayed like that all day long but since you couldn't do that, you have to pray at least 30 minutes before going to bed in the evening and 30 minutes before getting up in the morning and eating. This is the secret to drawing the grace of God. Even when Victorious Christ got into the car, he always looked out and prayed while engraving on God. He's never been in car

looking at each other and talking to each other. So, he didn't say anything at all. A person who talks a lot is a person whose life does not have prayer. A person who has a prayer life has no words to speak. He has no time to talk with other people because he is always conversing with God. That's why he said to put a gag in your mouth.

You should only talk to God, not to the sinners of the world. Victorious Christ didn't know where to study the Dan-Jeon breathing but because he was going the way of the truth on his own, he came to know this while looking for this way and that way. Therefore, even when you worship, if you give strength to your lower abdomen and pray, God's grace is connected from top of your head. When thoughts came in, he gave strength to his lower abdomen and stopped breathing. When earthly thoughts come in, the evil spirit comes in. In the process of fighting evil spirit, when Victorious Christ gives strength to the lower abdomen, stops breathing and prays while deeply longing

for God, it burst with "pop" and living water flows not only in the stomach but also throughout the body. When you pray, "Pull out the root of the innumerable number of demons and eradicate them!" When you say 'Out of the root' you give strength to your lower abdomen and pronounce 'Out of the root' long, even the air in your stomach will escape. This prayer method is the method to receive grace. If a person who used to breathe Dan-Jeon comes here and prays this prayer, the person will come to realize that this truth is certain.

Even just breathing like that will make you healthy, but it is a hundred times and a thousand times more effective that you move in a state of longing for God and keeping your heart open to God. If you yearn for God only in your heart, look to God in the first place, and pray this prayer according to what Victorious Christ taught you, there is no one who cannot be saved. It is to teach you how to physically gain the secret to eternal life.*
