

A Prophet Like Moses Saves All Mankind with Holy Dew Spirit

The Savior Appearing as a Korean

(This man refers to the Victor Christ of the Victory Altar.)

The Revelation of the Bible says that a new heaven and a new earth will open. It means when the Savior comes to this earth and destroys the devils, the sun will be darkened and then the light of God's glory will shine from the Savior's face. At that time, there will be no night because the shades disappear and the darkness vanishes. That's why a world where people don't sleep opens up. When a person receives a bright light, their fatigue disappears. So, everyone is restored to God.

Victory Altar members will bwe firstly restored to Gods

First, the members of the Victory Altar will be recovered into Gods. After that, since a devil's character in the all the people will be destroyed by the light from the Savior's face, their awareness of 'I' is destroyed, and then their human bodies perish. The human body was created when the spirit of the devil entered the spirit of God. So, when the spirit of the devil in man is annihilated, the human body disappears, and a man becomes a God. When that happens, people can do whatever they want. That is, because a man is not a man at that time, but a God, so everything he wants will happen. And if one makes up my mind, at the moment they want to eat an apple, there will be an apple in front of them. If you want to eat pairs, pairs will be in front of you. If you want to eat rice, rice will be in front of you, the world where you can do whatever you want is the kingdom of heaven.

So, Today, the work of this Victory Altar is to save all those who are

drowning in the water. There will be neither old people at that time, there will be nor young people at that time. With the same 17-year-old young body, as people do not have their bodies, they are Gods. Because humans will be transformed into Gods, that's why, at the moment if you want to go to the moon, you will be in the moon. It doesn't take time to fly. In this world, every second comes together and becomes 60 seconds, it becomes one minute, one minute assembles and become an hour.

The coming new world is the one without time and space. So, it doesn't take much time to go directly to the moon or the stars. It takes less than a second to go to the moon. It doesn't take even a second. There will be a world without time, and the life of that world does not receive resistance. In this world, when you fly in the sky, you get resistance from the wind, The world is not resisted by the wind. In that world, you can just go away as it is at that moment you put your mind to it. You can go and come in a moment. Like a happy feeling when riding a fast train or a plane, after becoming a God, living a life without time is an indescribable pleasure. So, normally blessed people cannot come to this Victory Altar. This is a place where only people with many blessings can come. That is, only the children of those who have done good deeds from generation to generation are expected to come to this Victory Altar. Everybody cannot come there. So, you are happy, right? why you do not laugh? In fact, it is natural to laugh. You should laugh in the Victory Altar because your sins are removed. The expiation of sin is the extinction of the consciousness and

the Forbidden Fruit in man. But today, Christianity does not know that the awareness of 'I' is the Forbidden Fruit.

Savior shows up in Korea

Also the word that the Savior appears in Korea is in the Bible and the Buddhist scriptures. In Isaiah 41:1-9, "the islands, be silent before me, I will stir up one from the east, calling him in righteousness, kings will succumb before him. I will call you from the ends of the earth, from its farthest corners."

The east countries on the earth are Korea and Japan. The meaning, "The islands, be silent" is that the Savior does not come out from Japan, the islands.

And the Bible says that God will stir up one from the east, calling him in righteousness, kings will succumb before him.

Why? The righteous man appearing from the east is the omniscient and omnipotent. As after the Trinity became the captive of the devil, they were turned into humans, God lost his omnipotence. But the Trinity has become an almighty because he was restored to a perfecter wearing a human body.

God's plan to move to Korean penninsular

In order for the Savior to appear in Korea, God led the offspring of Dan goon grandfather to the northeast from Zora in Israel, 3,000 years ago. So, the ancestors of Koreans lived in Ural-Al tai mountain range. Before living there, they used the Hebrew language. The Israelites spoke Hebrew. The ancestors of Korean who used Hebrew went to Ural-Altai mountains and lived there, they had to exchange things with Altai people. So, they learned the

Alai language and used that. That is why the Korean ancestors spoke the Altai language while living in the Altai Mountains and moved to Mongolia. So, they lived in Mongolia and then went through Manchuria, crossed the Yabrok River, and settled down on the banks of the Daedong River, where they established Gojoseon. It is recorded in Korean history books that Gojoseon was founded 5,000 years ago. It was made up by people who didn't know about Korean history. In fact, looking in the Bible carefully, it is written that the Danites migrated to the northeast in Judges 18.

However, there is only a saying that the Dan tribe went to the northeast, not that they stayed in Korea. Because they lived in a land called 'Zora' in Israel 3,000 years ago and migrated to the northeast, even now, if you go to Zora in Israel, there is a land called Dan. Why is the land called 'Dan' in Israel? Because the descendants of the Danites lived in that land, the name of the land became 'Dan', and it is still called 'Dan'.

Our history is only 3,000 years old

So, the history of Korea is actually only 3,000 years. So, living for a while in Mongolia, coming across the Yabrok River, they settled on the banks of the Daedong River and founded Gojoseon using the Altai language there for over a thousand years. So, it is written in Oriental history that Korean people are Altaic.

Eastern history says that the Koreans are Altaic. That's why Koreans are of Altaic people. And that Altai language was developed and became the Korean language. It is very pathetic that Koreans

do not know the truth about Korean history, which is so deeply rooted in this fact. In addition, if you look at the custom of Korea, on the day of the winter solstice, Korean people made red bean porridge and applied it to the gateposts in the old days. In the nation of Israel, people paste the blood of a sheep to the doorposts on the Passover day.

Because when the people of Israel were enslaved in Egypt, Moses let them paste the blood of sheep on their gateposts, every house of the Israelites, where applied the blood of sheep, had no accidents in their houses. But in every house of Egypt which did not paste the blood of sheep, the first son died. So, Pharaoh, the king of Egypt, fearing that at this rate, all the people in Egypt would die, thinking that God accompanies Moses, he called Moses and told him to take the Israelites to the desert, do the ancestral rites, and come back as he wanted.

Israelites blamed Moses for being hungry

So, when he was leading the 600,000 people of Israel toward the wilderness, they stopped in front of the Red Sea, turning back and seeing, the Egyptian horsemen were just chasing after them. So, Moses was in a hurry and hit a cane the water of the Red Sea, so the Red Sea water split apart and a way was made, the 600,000 Israelites could cross the Red Sea on the newly created way. When they crossed the Red Sea and lived in the desert, the Israelites blamed Moses and said, "Moses, we came all the way here as your direction, but here are only the sand and the wilderness, so there's nothing to eat, right? Then, are

you going to bring us, who had eaten well in Egypt, to the wilderness where there's nothing to eat and make us starve to death?"

At that time, when Moses heard those words, there was virtually no food. So, Moses prayed to God, "God, I led these people because God told me to lead them to the wilderness, but there was nothing to eat in the wilderness, we, 600,000 Israelites, all starved to death. God, give these people food to eat!" The food that came down from heaven at that time was the dew manna. Because the dew fell and piled up in the yard like snow, Moses told them to take only enough dew for a day." The Bible says that the Israelites lived on the dew manna for 40 years.

A prophet like Moses is Savior who saves all people feeding on Holy Dew Spirit

According to Acts 3:21-22, For Moses said, "The Lord your God will raise up for you a prophet like me from among your own people; you must listen to everything he tells you. Anyone who does not listen to him will be completely cut off from among his people."

So, Moses was the Savior who rescued the Israelites from the land of Egypt. A prophet like Moses who will appear in the future is the Savior saving all mankind and emitting the Holy Dew Spirit. So, you need to look in the Bible carefully to know where God's will is.*

전세계에 알리는 진짜 경전 이야기

한국인들이여 깨어나자!

이길은 강자가 가는길

1편
- 이 길은 강자가 가는 길이다.

이긴자가 되려면 공격해 오는 마귀를 모질게 밟아서 짓겨야 한다. 그렇다고 사람을 죽이라고 하는 것이 아니다. 그 사람 속의 마귀를 죽여야 한다는 말이다.

자신을 이겨야 사망의 신이 되는 마귀를 이긴 이긴자가 되는 것이다. 이긴자가 되지 않고서는 성령으로 거듭날 수도 없고 영생을 얻을 수도 없다. 자신을 못 이겨서 마귀의 포로가 되어 있는 사람은 성령으로 거듭날 수가 없다. 승리자 하나님이 되어야 영생을 얻을 수가 있는 것이다.

이 길은 승리자, 강자가 가는 길이다.

강자가 되려면 끝까지 참는 인내력이 있어야 하는 것이다. 인내력은 연단 속에서 생긴다. 전도를 하다가 매를 맞는다고 해서 화를 내면, 그 사람은 약자다. 마귀에게 절기 때문에 화를 내는 것이다. 이긴자가 되어야 영생활 수가 있다.

그러므로 어떤 시험을 받아도 끝까지 참고 견뎌야 이긴자가 되고, 강자가 되어 영생활 수가 있는 것이다. 이 세상 역사를 살펴봐도 강자가 지배자가 되고, 그가 이 세상을 좌지우지하며 다스리고, 죽이기도 하고 살리기도 한다. 이 세상은 지배자의 세상이다. 먼저 여러분들 속에 있는 하나님의 마음이 강해져야만 마귀를 이길 수가 있고, 나를 이길 수가 있다. 마귀를 이기는 강자가 되어야만 지배자가 될 수가 있고, 영생을 얻을 수가 있다. 강자가 지배하고, 약자가 그 지배를 받는다.

이긴자가 나타나기 전에는 마귀가 강자였고, 하나님은 약자였다. 이 세상이 왜 마귀 세상이나 하면, 마귀가 지배를 하고 있기 때문이다. 모든 인간들 속에 마귀가 들어가서 인간들을 지배하고 있고, 마귀의 지배를 받고 있는 인간들이 이 세상을 지배하고 있으므로 이 세상이 마귀의 세상이다. 마귀를 한 번 두 번 자주 이기고 나가면, 하나님의 영이 자주 강해진다. 그러면 어떤 마귀도 다 이기는 무적장수가 되는 것이다. 여러분들이 무적장수가 되어서 온 인류가 영생을 얻을 수 있도록 해야 한다.

여러분들이 하나님의 마음을 품으면 코로 내뿜은 공기가 하나님이며, 영생의 영이므로 천하의 모든 만물이 다 영생을 얻게 되는 것이다.*

Declaration of True Bible to World

People of the world! let your consciousness awaken!

THIS ROAD IS THE WAY FOR THE STRONG.

Part 1.
- This Path that only strong people can go.

In order to become a victor, you must step on and crush the devil attacking you. That's not to say you should kill people. That means you have to kill the devil in that person.

you have to beat yourself to become the victor over the devil who is the god of death. If you don't become the victor, you cannot be reborn again with the Holy Spirit and you cannot gain eternal life. A person who cannot overcome himself/herself and is a prisoner of devil cannot be reborn with the Holy Spirit. Only when you become the victorious God can you get eternal life.

This is the path to the victor and the strong. To become the strong player, you must have patience to endure to the end. Patience comes from the tough situation. If you get angry for being beaten while evangelizing, that person is the weak. They are angry because you lost to the devil. You have to be the victor to have eternal life.

Therefore, no matter what test you take, you must endure it to the end in order to become a victor and a strong person and ultimately live forever. Even if we look at the history of this world, the strong becomes the ruler, and he/she controls and governs this world and sometimes kills and saves. This world is the world of rulers, First of all, only when the heart of God in you is strong can you beat the devil and you can overcome yourself. You can be a ruler and gain eternal life only when you become a strong person who overcomes

the devil. The strong dominate and the weak is governed by the strong.

Before the Victorious Christ appeared, the devil was the strong and God was the weak. The reason why this world is called the world of the devil is because devil dominate. This world is the world of the devil because the devil enters into all human beings and controls them, and the humans under the control of the devil dominate this world. If you keep beating the devil once or twice, the Spirit of God continues to strengthen. Then you will become an invincible God who can overcome any devil. You must become an invincible God so that all mankind can gain eternal life.

If you have the heart of God, the air you exhale through your nose is God and the spirit of eternal life, so everything in the world will receive eternal life.*
