

# The Victorious God Wearing a Form of Human Defeated The Devil

## Human can not carry out Five Covenants

(This man refers to the Victor Christ of the Victory Altar.)

The man who knows the essence of the Forbidden Fruit is the Savior and the hero of the Bible. If a person who speaks of the reality of the Forbidden Fruit, that person is undoubtedly the Savior, and that person is the main character of the Bible. If one is not the hero of the Bible, they cannot know the essence of the Forbidden Fruit.

### Sins Come From Awareness of I

Also if a man tells the essence of sin, he is surely the hero of the Bible. Before the Savior tells the essence of sin, people thought that sin was wrong behaviors. All things that consciousness of 'I' does are sins. There was nobody for human history of 6000 years who said like that. The Bible and the Buddhist scriptures record, "Throw away 'I' all the time" and "people can reach nirvana when they are selfless". That is, 'I' is the most impeditive material for humanity.

There is nobody who speaks that the awareness of 'I' is the Forbidden Fruit and the Satan of Satans. So the Savior has authority and power. The power is not weak, but the one that moves the cosmos. Therefore, This man can control winds and clouds as He wants. The Chuljang part of Gyeokamyourok writes that Jeongdoryeong can handle the winds and clouds as He wants. Jeongdoryeong is the Savior

and the Maitreya Buddha according to Gyeokamyourok. Also, the book said that Jeongdoryeong is like a human, but he is not a human. That is, he is God(神). So he has the power of God. Humanity cannot stop typhoons. Humanity cannot destroy communism. Humanity cannot make harvests abundant. Humanity cannot prevent wars. Only God can do those things. Therefore, if one is not convinced that the Savior surely gives him or her immortality, he or she is foolish. Fools go to hell. Smart people cannot go to hell. There is a Korean saying, "if one knows, they can avoid a funeral."

### A Smart Person is the One Who Does the Opposite of What 'I' Want to Do

The awareness of 'I' is the Forbidden Fruit; it is the worst sin of sins. If one knows it, they cannot die. If one knows it, they cannot live as 'I' orders. Smart people cannot move as the awareness of 'I' wants. Before the Savior tells, "Live a life in contrast to the awareness of 'I' wants", after hearing that the awareness of 'I' is the Forbidden Fruit, they are supposed to already live like that by themselves. Those who do not know this fact will go to hell. The words of John 3:5 tell that people can be reborn by being reborn as the Holy Spirit. It means that as long as the awareness of 'I' lives, they cannot be saved. Humanity can be saved by becoming a God. As humanity is the slave of Satan, they cannot be

saved.

### The Priceless Grace of God

If people role the salve of Satan, surely will they die finally. It is very miserable. In order for the mortal humanity to be saved, This man tells the immortal way pouring out the Holy Dew Spirit. In spite of that, they do not give thanks to God. Although people give thanks to God, there is no way to repay the grace of God. Even if you are always grateful, you can be loyal to God and contribute to God's work every day, even if you give everything to contribute to God's work, you can't pay it back. Humanity lives due to the Savior because his other self remain as life in humanity, keeps them, is charge of their sin, saves and leads them. So to pay back to God's grace cannot be finished with gratitude. Even if you give thanks a hundred

or a thousand times, you cannot repay that grace. That's why though you always give thanks to God, you are loyal to God and build up your accomplishment again and again, you cannot pay back. Eternal life cannot be exchanged with a universal - sized gold. Eternal life cannot be exchanged with everything that I have, even if I do my best to be loyal. The Savior has an unconditional love for humanity. He has a mind to give love to humanity unconditionally. So you should give thanks to God and live in the rule of God.

### Only Savior can give Holy Dew Spirit

The awareness of 'I' is the Forbidden Fruit, which is the spirit of death, which is Satan. The Holy Dew Spirit kills Satan, so it is a medicine to make humanity be reborn as God, the man who

emits the Holy Dew Spirit is the Savior who enables all humanity to reinstate as God. There is a picture which the Holy Dew Spirit is emitted from This man's nose and head. It tells who This man is. Gyeokamyourok, the Bible, and the Buddhist scriptures record that the man who pours down the Holy Dew spirit is the Savior.

### He looks lije a Human but God

So, Isaiah 43:14 writes that God saves humanity. The Savior is not a man but God. This man looks like a man to you, but he is God who wears a body of a man in order to save people. As This man is God, he is almighty enough to remove communism. Humanity cannot do it because communism is a thought of humanity. How can they go into them and erase the thought of humanity? It is impossible to humanity. As This man is God, He goes into the communists as his other selves and roots out their thought. The communists said "they like communism" right before the day when This man removed their ideology. But as This man rooted out their communism ideology, the communism said, "they do not like communism." Considering it, This man is surely the Savior who can make all humanity God.

### Mission of Followers

If This man has a power to save all humanity, you should announce this news to the world, make them come to the Savior to be saved.

That is the duty of the men who knew the Savior early. You have a duty to announce the words of the Savior to the world. This man speaks of the theories of salvation very logically.

They are, "One can be saved by eating the fruit of life", "One can be saved by being reborn as the Holy Spirit", "One can be saved by conceiving the mind of God", "One can be saved by acting in God", and "One can be saved by being revived." It is very foolish to say about resurrection without knowing its definition. Resurrection itself is the words of the Bible, which are spiritual words. As resurrection is a spiritual word, it is a spiritual resurrection. God's spirit in humans being changed into an immortal one is revival. God's spirit being changed into immortal one means that God sits on the place where the Spirit of Death sat after God killed the spirit of death. That is being resurrected. But Christianity does not know the true meaning of resurrection. They interpret resurrection physically and believe the body of Jesus lived again and went up to the sky, and will descend in 2000 years. The group of Huger caused problem by insisting the descending of Jesus. Those who believe Huger are a group of Satan\*

#### - 하나님의 소재(所在)와 하나님의 속성(屬性)

하늘나라라고 하는 것은 하나님이 계신 곳이며, 천당이다. 사람들은 누구나 하나님이 계시지 않는 사람은 없으며, 누구를 막론하고 하나님을 모시고 있지 않는 사람은 없다.

그러나 마귀에게 사로잡히게 됨으로 마귀가 하나님의 신을 사로잡아 마귀 속에 가두어 놓고 마귀의 마음대로 움직이고 있다. 따라서 마귀의 속에 갇혀 있는 하나님이 되는 것이다. 하나님이 안 보인다. 하나님은 저 높은 하늘에 계신다고 했던 자들이 사실은 인간을 속여온 세계적 인 사기꾼들이다. 지금까지 사람들은 천당에 가는 것을 거리가 먼 저 하늘 꼭대기로 올라가는 것으로 말을 했다. 그러나 결단코 하늘나라라고 하는 것은 그렇게 떨어진 곳이 아니요, 우리 마음속에 이루어

어지게 되어 있는 것이다. 마음이 바뀌어 지는 여하에 따라 천당이 이루어지거나 못 이루어지고 하는데, 다 마음에 달려 있는 것이다. 우리 인간은 다 하나님의 자식이다.

그래서 우리 인간이 바로 성령으로 거듭나면 하나님이 되는 것이고, 천당이 이루어지는 것이다. 하늘나라의 소재(所在)는 사람의 마음속이요, 하나님의 마음인 것이다. 그런고로 사람의 마음이 하늘나라였으나 마귀에게 점령을 당한 다음에 마귀 나라가 되어버린 것이다. 오늘날 이 역사는 마귀집을 여지없이 부수고, 하늘 나라를 이루는 역사이다. 그래서 여러분들에게 마귀 나라와 하나님 나라를 분별하여 설명하고 있는 것이다. 여러분들에게 말씀을 드린다면 마귀의 죄라고 하는

것은 의를 거스르는 것이며, 의를 거스르는 것은 의의 본체가 하나님인고로 하나님의 뜻을 거스르는 것이 죄다.

그렇다면 하나님의 뜻은 무엇이며 하나님의 본체와 속성은 무엇인가? 하나님의 속성은 영생이요, 하나님의 법도 영생인 것이다. 바로 영생의 법이 하나님이기 때문에 영생을 거스르는 것은 전체 죄가 되는 것이다.

그런고로 영생을 이루지 못하게 하는 모든 법은 전체 죄의 법에 해당되는 것이며, 그 모든 법이 죄인 것이다. 죽어서 천당에 간다, 극락세계에 간다는 것은 마귀소리인 것이다. 그런고로 죄라고 하는 것은 사망의 법이요, 사망의 습성인 것이다.\*

지금까지 수많은 선지자와 성현들이 출현했지만 영생을 이루는 진리의 말씀을 설파한 존재는 아무도 없었다. 인류의 구세주 조희성님이 영생의 말씀을 자세하고 알기 쉽게 말씀하셨으니 이 말씀을 육비에 새겨지도록 읽고 또 읽으시다

## Declaration of True Bible to World

### People of the world! let your consciousness awaken!

#### THIS PATH THAT ONLY STRONG PEOPLE CAN TREAD

#### Part 3. - The place where God is and God's attribute

The kingdom of heaven is the place where God is, and it is the heaven. Every human has God. There is no one without God, and no one who does not have God.

However, by seizing God, the devil has captured the spirit of God and imprisoned God in the devil's prison and God is acting as the devil's wills. Therefore, God becomes a God who is imprisoned in the devil's prison. Those who said that they can't see God and that God is in the high heavens are in fact world-wide deceivers who have deceived the mankind. Up until now,

people have spoken of going to heaven as ascending to the top of the sky distant.

But, by no means, the kingdom of heaven is not so far away, it is meant to be realized in our hearts. Depending on how one's mind is changed, heaven can be established or cannot, it all depends on our mind. We humans are all children of God.

Therefore, when we humans are born again of the Holy Spirit, we become God and the kingdom of heaven is established. The kingdom of heaven is the heart of human and the heart of God. Therefore, the heart of man was the kingdom of heaven, but after being occupied by the devil, it became the kingdom of the devil. Today, this history is the history of destroying the devil's prison and establishing the kingdom of heaven. That is why I am explaining

to you the kingdom of the devil and kingdom of God separately. The devil's sin is against righteousness, and to go against righteousness is to go against God's will because the essence of righteousness is God.

Then, what is the will of God and what are the essence and attributes of God? God's attribute is eternal life, and God's law is eternal life. Because the law of eternal life is God, it is a total sin to disobey eternal life.

Therefore, all laws that prevent eternal life fall under the entire law of sin and all of fields are sin. After death, to go to heaven or the world of paradise is the voice of the devil. As a result, what is called sin is the law of death and attribute of death.\*
