

# The Savior Is the One Who Always Beats The Devil

(This man refers to the Victor Christ of the Victory Altar.)

The life of humanity is the spirit of God. Does the world know that human life is the spirit of God? No, they do not. In fact, man's life is God. Considering the history of humanity, all humanity is the children of Adam and Eve. The Bible records that Adam and Eve were originally Gods. From the fact that Adam and Eve were Gods, can we know that the blood of Adam and Eve is the one that flows through the bodies of all humans today, right? Therefore, because the blood of Adam and Eve is that of God and today's humanity is the offspring of Adam and Eve, their blood is that of Adam and Eve, if people know a fact that Adam and Eve were Gods, the blood of humanity is surely the blood of God, they are surely Gods. Therefore, if we know that the life of humanity is God, is not it a fixed reason that we must return to the state of God?

### Let Me Show the Evidence of the Eligible God

So God Himself has appeared in a man's body in 6000 years and is spreading the work of salvation. This man has shown He is the true Savior and God. As This man proclaimed, "I will remove communism from the world", and then the communism of the world collapsed. To destroy the ideology of communism within 4 billion people, at that time, This man went into their minds as His other selves, and removed the ideology of communism. As communism is a thought of humanity, before removing by rooting it out, their thought cannot disappear. As This man eliminated the thought of communism in one night, the next day, the communists said, "We do not like communism". So the world of communism fell. Removing

communism is evidence that This man got rid of the ideology of communism. If the thought was not obviated, communism would not have collapsed.

### People Returned After Realizing That He Was True Savior

When This man said, "I will destroy communism", more than one third of the followers of the Victory Altar left, and they returned again once the communism was annihilated in the 1990s. Because Mr. Cho Hee Sung stated, "I will destroy communism", it came true. Furthermore, This man said, "I will keep typhoons coming toward Korea, stop rainy seasons in South Korea, and make South Korean harvests abundant." There were more than 25 typhoons coming to Korea. People did not believe Him, but His words were accomplished, they started to believe His covenants. And the words 'preventing the Korean rainy seasons' were not believed by them. However, as Korean rainy seasons stopped, people believed This man. The rainy seasons stopped for 21 years in South Korea and typhoons did not come for 21 years. So people cannot but think This man is the Savior, not a human. Seeing This man controls clouds and winds as He wants, He is the true Savior. Also, considering This man moves the universe at His will, He is the Savior. The Savior is almighty enough to control the universe, cloud and wind.

So He can do everything. The Savior is the one who has the power to completely uproot and remove the awareness of 'I', which is now the Forbidden Fruit, in human beings, and then let the spirit of God, who has been imprisoned in the prison of the heart, sit on

the awareness of 'I' and make all people Gods. Therefore, the qualification for salvation is God, the condition to accomplish eternal life is to become a God. Therefore, only the Savior can make mortal humanity immortal Gods. Nobody else can has that power.

Today the Savior explains the theory of salvation, the theory of creation, the theory of the End of Times, the theory of the Sabbath, and the theory of resurrection of the Bible that nobody knew so far.

### Devil's Slaves Are Destined to Die

The Bible surely said that people are saved by being reborn as the Holy Spirit, which means that humanity can be saved by being reborn as a God, only being a God is the way of salvation.

Humanity cannot be saved.

The pseudo Savior told that people would be saved by believing him. However he did not save even a single person. Considering that nobody was saved, he is surely a pseudo Savior. The man who gives eternal life is the Savior. The man who cannot make people immortal is not the Savior. As eternity belongs to God, it does not exist in humanity. Humanity is the slave of Satan; therefore the God of the slave of Satan cannot live forever. As humanity is the slave of Satan, the God of the slave of Satan dies in the end.

Therefore, the religionists of the world do not know that the awareness of 'I' is Satan. They do not know that the awareness of 'I' is Satan; the God of Satan's slave is humanity. So seeing the words, "people are saved by being reborn as the Holy Spirit", the awareness of 'I' is surely Satan. God stays in humanity's body as life. Humanity is God that is the slave of Satan.

Nobody knows this fact except for the Savior.

### This Man Has Appeared Here Ear- ing a Human Body in Six Thousand Years

Fighting against Satan and avoiding it for 6000 years, the Savior God developed the hidden manna, the Holy Dew Spirit, and appeared wearing a body of a man carrying the Holy Dew Spirit. Although the Holy Dew Spirit falls from the Savior God, people do not know that the Holy Dew Spirit is the elixir of Samsin (the Trinity) mountain. Gyeokamyourok, a Korean prophetic book, records that the Sweet Dew is the spirit of the Savior. The Sweet Dew is a medicine that kills the Spirit of Death. That is, it is a poison to kill the Spirit of Death. If one eats it, the spirit of death in them dies. If the Sweet Dew falls, Satan dies. So humanity gets out of the character of humanity and becomes Gods.

### Immortality Is Achieved Only By Becoming a Strong Person

Those who become Gods can become victorious Gods, they cannot but live forever. Only victorious strong Gods live forever. Only a strong one can live forever. A weak one cannot live forever. Only the strong spirit of God that kills Satan can live forever. The weak spirit of God that loses to Satan cannot live forever. Christianity does not know this. They do not know the theory of salvation. Although they carry the Bible; they do not know the true meaning of the Bible.

There are two kinds of spirit in humanity; God and Satan. The devil is the controlling spirit of humanity. If the Savior removes

the spirit of Satan, only the spirit of God remains. Then all humanity will become Gods. Therefore, God developed the Holy Dew Spirit, the poison to Satan. Today, the Savior emits the Holy Dew Spirit during worships service in the Victory Altar. The Sweet Dew goes into the pores of humanity and makes them reach nirvana by killing the Spirit of Death. Today, the Holy Dew Spirit comes out whenever the Savior stands on the pulpit. It is the other selves of the Savior. The Holy Dew Spirit falls like waterfalls. But it is not seen by humanity's naked eyes. It is taken by cameras. Receiving the Holy Dew Spirit, people's minds are changed. If one does not receive the Sweet Dew, their bad characters remain. If one comes to the Victory Altar, they will receive the Sweet Dew and become good. We can see the Sweet Dew remove the bad spirit in humanity. The man who emits the Holy Dew Spirit is the Savior, the Maitreya Buddha, and Jeongdoryeong according the Bible, the Buddhist Scriptures, and Gyeokamyourok.

However, Christians do not know though they read the Bible. If one is captivated by the spirit of Satan, they wear the glasses of Satan. If one wears black glasses, the world is seen as black to them. According to the color of glasses, the world is seen differently. As they wear the glasses of Satan, no matter how hard they read the Bible, they read the Bible in the way of the Satan. So they cannot understand the Bible.

Today, This man teaches and points out the mistakes of people. Also, He teaches that the Forbidden Fruit is Satan. People think that the Forbidden Fruit is an apple or peach. The words of the Bible are spiritual. So the Forbidden

Fruit is a spiritual fruit, spiritual fruit is the spirit, and the spirit is god. As Adam and Eve died of the Forbidden Fruit, it is the killing god, the killing god is Satan. Satan is the Forbidden Fruit. It is the spirit of Satan. The Bible records that Adam and Eve ate the Forbidden Fruit because they wanted it. However, at that moment, Satan, the Forbidden Fruit, permeated them. Their God's spirit was imprisoned in the prison of Satan, the spirit of Satan became their controlling spirit, and Adam God and Eve God became humanity. Due to the spirit of Satan, Adam God and Eve God were changed into humanity.

### Savior Is The One Who Defeted Devils

Now, a few followers of the Victory Altar listen to these words, when these words spread to the world through broadcasting, all people will believe the Savior. This man surely said that people should be resurrected, resurrection itself is the word of the Bible, which is a spiritual one, and it means that God is resurrected and live again. Because God is locked in the prison of Satan, He is like being dead. However, as God is eternal, although he is in a spiritual tomb, he does not die. He did not die though He was locked for 6000 years. When the God that is locked in a spiritual tomb is liberated from the prison, breaks it, and kills Satan that has sat on the awareness of 'I', sits on the place of awareness of 'I', then he reinstates the original God. Therefore, strong God becomes a Victor. The God who defeats Satan became a Victor. So the man who overcame Satan is the Victor, and became a Savior to save all humanity of the world.\*

## 전세계에 알리는 진짜 경전 이야기

한국인들이여 깨어나자!

### 이길은 강자가 가는길

6편 - 이 길은 나를 이기는 길!

이긴자는 나라를 것을 완전히 죽이고 짓이기고, 나라고 하는 것을 여지없이 짓 밟는 자가 되어야 한다. 그런고로 마귀는 체면이나, 위신이나, 인정사정을 끼어서 쪼시는 것이다.

그러나 마귀는 인정사정을 두지 아니하고 날카롭게 칼로 성령의 겹으로 잘라 버려야 이 길을 갈 수가 있는 것이다. 조 금만 이상한 소리가 들리면, 생각으로 여 지없이 잘라야 되는 것이다. 생각으로 자 를 뿐 아니라, 몸도 마귀와 상대를 해서 는 안 되는 것이다. 또한 마귀를 죽이는 심정으로 부수는 심정으로, 돌아서야, 일 어서야 되는 것이다.

이 길은 나를 이기는 길이요, 나라고 하

는 것을 죽이는 길이다. 조금만 마귀에게 곁을 쥐도 완전히 사로잡히는 것이요, 이 긴자가 될 수가 없는 것이다.

이긴자는 무엇이 이긴자냐? 마귀의 유혹과 계략과 침입을 역만 분의 일도 없이 철벽처럼 막아내는 자라야 그가 이긴자이다. 그러므로 이렇게 하면 어떻게? 저렇게 하면 어떻게? 그제 필요 없다. 이렇게 하든 저렇게 하든 완전히 생각으로 이길 때 마귀는 침범해 들어올 수가 없는 것이다.

그런고로 '이 사람은 이렇게 하면 넘어갈 것이다.'라고 강하게 보지 않고 우습게 보니까 마귀가 도전을 하는 것이다. 절대로 마귀가 우습게 보려야 볼 수 없도록 완벽하게 나가야 마귀가 다시는 미혹할 수가 없는 것이다.

여러분이 오늘날 마귀라고 하는 것을

소홀히 생각하는 사람이 있는데, 마귀가 곧 여러분을 지배하고 있는 영이다. 그런 고로 나라고 하는 영이 마귀요, 나라고 하는 의식이 지배를 하는 고로 최고의 강자 인 것이다.

최고의 강자인고로 나라고 하는 것을 넘어뜨리기 위하여 수백 번, 수천 번, 수 만 번, 도전을 계속해야 한다. 이렇게 넘 어뜨리고, 저렇게 넘어뜨려 보고, 이렇게 도 도전에 보고, 저렇게도 도전을 해야 한 다.

도전할 때마다 백전백패를 하는 가운데서도, 낙심하지 아니하고, 포기하지 아 니하고, 계속해서 도전을 해야 한다. 그렇 게 하면 마지막에 완전히 이기는 비결이 나오게 되어 있는 것이다.\*

영생을 이루는 진리의 말씀을 육비 에 새겨지도록 읽고 또 읽으시다

## Declaration of True Bible to World

People of the world! let your consciousness awaken!

### THIS PATH THAT ONLY STRONG PEOPLE CAN TREAD

Part 5. - The path to win 'I-Awareness'!

The victor should be the one who completely kills, destroys, and tramples what is called 'I-Awareness'. That's why the devil seduces you with a face, prestige, or mercy.

However, you cannot go on this path only if you do not put the devil mercilessly and cut it off with a sharp sword and the sword of Holy Spirit. If you hear a little strange noise, you have to cut it out of your mind. Not only must you cut it with your mind, but your body must not also face the devil. Also, with the heart of killing the devil, with the heart of smashing

'I-Awareness', you have to turn around and stand up.

This way is the way to overcome 'I-Awareness' and the way to kill what is called 'I-Awareness'. Even if you give the devil your mind a little, you will be completely captured, and you will not be able to become the victor.

Who is the victor? The one who overcomes the devil's temptations, tricks, and invasion like an iron wall is the victor. So, how about doing this? How about doing that? That doesn't be needed. Whether you do it this way or that way, when you entirely overcome the devil with your mind, the devil cannot invade you.

For that reason, the devil is making a challenge when it sees you as not strong but light, saying "If I do this, this person will fall down." You must go out perfectly so

that the devil can't look down on you. Then, the devil will never be able to deceive you.

Some people neglect the devil today, and the devil is the spirit that rules over you.

Therefore, the 'I-Awareness' spirit is the devil, and this is the spirit that dominates you and is the best strong.

Because the 'I-Awareness' spirit is the strongest, you have to keep making a challenge hundreds of times, thousands of times, tens of thousands of times in order to overthrow 'I-Awareness' spirit. You have to knock it down like this way or that way, trying it this way or that way.

Every time you make a challenge, even in the defeat, you should not become discouraged, not give up, and continue to challenge 'I-Awareness'. If you do that, the secret to winning will come out in the end.\*
