

Victor Immediately Removes All Sins at His thinking of Someone

(This man refers to the Victor Christ of the Victory Altar.)

The Spiritual mother said when people sing hymns, they receive grace from God, so This man sang hymns all the time. Because when people sing hymns, they think of God. People can receive grace from God by just thinking of God. Therefore, This man told his followers to adore God highly, and to look at Him every second because when people think of God and adore Him highly, the Spirit of God comes to them. Therefore, by thinking of Him, the blood of people can be changed, and become righteous men, or become Gods.

Looking at God every second is thinking of only Him every second. If people think of only God, they become Gods. If they think of God, their blood becomes that of God. Adoring Him highly, looking at Him every second, and singing hymns continually are equivalent to adoring God. Therefore, their blood is changed into God's, and then their bodies cannot die. Therefore, the saying 'blood is changed by thinking' is the hidden truth and the hidden wisdom of God. The hidden wisdom, hidden truth, and the hidden manna are told by the Victor, He feeds you the hidden wisdom, hidden truth, and the hidden manna of God. Therefore, This man does not ask you to kneel in pray for thirty days or forty days. Being accomplished by the mind, you can become a God by thinking of God when you work, walk, and talk. Therefore, the blood is changed, by conceiving the mind, things are accomplished.

On the contrary, the opposite meaning

of God's mind is the mind of Satan, the mind of Satan is sin. If we think like the mind of Satan, what do we become? We become Satan. So This man tells you to have the mind of only God. The pseudo Savior taught the easy truth difficultly, he said wrongly a lot. Therefore, the true Savior appeared teaching the secret of eating an immortal manna, that is, the way of gaining an immortal mind easily. You may think manna is something white like snow. The Bible states that the word of the Bible is spiritual. So, manna is a spiritual word, it is the spirit. As spirit is mind, manna is mind. As it is, grace is mind, the mind of God is mind, heaven is mind, and hell is mind, too. In spite This man teaches you the way of eating manna, if you doubt Him, you are hopeless. Therefore, the saying 'if you come to the Altar every day, you cannot but achieve salvation' is because you look at God and think of Him every day.

Thinking of God is eating manna

Thinking of God everyday means eating manna every day. Thinking of God is eating manna; thinking of God is receiving the grace of God. Just thinking of God makes your blood into immortal blood and immortal bodies. Therefore, if you do not go to a worship service every day, you will go to hell. Some people have jobs, so they cannot join day worship services, so they may go to a night worship service, it is okay. However, some people take a worship service once in a while. They believe as long as their mind is not changed, it is okay. However, they are changed. Because they think of Satan more than God automatically. If you cannot take services, you should adore God highly.

You can go to services through listening to the sayings of God every hour through a tape recorder. if you listen to God, you think of God automatically. That is the secret of receiving grace and the secret of immortality.

Therefore, you will have a qualification for immortality. if you think that as God trust you, though you do not have a qualification, you will not have problem, it does not make sense. You can achieve immortality by becoming God. If you cannot become God, you cannot live forever. Therefore, you can enjoy immortality with a qualification for immortality. Don't try to become God in one day. This man said it at the beginning of the Victory Altar. People cannot become God in one day. People cannot become in one year or two years. By adoring God for a long time, thinking of only God, looking at God every second, and having interested in only God, you can become God.

If you are interested in people, then a lot of Satan comes into your mind and pollutes your mind.

If you think of someone, a lot of sin of the man decays your blood. No matter how far away the man is, a lot of his sins pollute you, and then you die. Why do the people who go to the Victory Altar die? Because they commit sins, they dies. Thinking other things except God is sin. Even you think of stones, it is a sin. Other thoughts except God are sins. If one thinks of only God that has no relationship with sin, their blood will be changed into that of God, and the spirit of God will come to them, so the mind of God sits in their minds. If the mind of

God stays in them, the blood that forms the mind of sins perishes by the Spirit of God completely. As your blood is changed into God's blood, your thinking is changed into the thinking of God. Only the thinking of a righteous man can make your blood God's, when your blood is changed into God's blood, you cannot think of Satan.

The Bible says if people believe in someone, they achieve salvation. However, it is wrong. The saying should be changed to this saying that if you think of God, you can become a God. You become a God by thinking of a God, you can achieve immortality by thinking of God, and you can go to heaven by thinking of God. Heaven is the house of God, not the house of men. As heaven is the house of God, only God enters the house of God, sinners cannot go into heaven. Going to heaven by believing in Jesus is wrong. Therefore, as heaven is the house of God, only God enters heaven.

The Bible says that wherever God is, heaven is. "Wherever God is, heaven is." Therefore, if God is in a bathroom, the bathroom is heaven. If God is in mountains, they are heaven according to the Bible. Therefore, heaven is only where God goes. The meaning 'only God enters heaven' is to tell you to become God. The Bible tells people to become God. the Bible says if sinners believe in Jesus, they can go to heaven. Only God goes to heaven, in order to become God, the Bible is vague. The way of becoming God is to have the mind of God. If people have the mind of God, they become God. Hence, This man said in Japan that everything

depends on the mind. When people run businesses, they sometimes make a lot of profit, they sometimes fail. Therefore, there is a saying that the secret of success is to be patient until the end. the basic principle is if people have conviction that he will succeed in this business, he will surely succeed. Conviction is the most important thing. If people think this business will succeed, the business will surely be successful. If you are convinced of your business continually to the end, the business will surely succeed.

. If This man remembers somebody, that person is lucky because at the moment This man remembers him, all his sins will perish. Therefore, as it is now, those who are in the memory of the Victor are lucky. Because the Victor thinks of someone, the man's sins will perish completely.

The moment This man remembers him, all his sins will perish

If This man remembers somebody, that person is lucky because at the moment This man remembers him, all his sins will perish. Therefore, those who are in the memory of the Victor are lucky. Because the Victor thinks of someone, the man's sins will perish completely. So at the moment he becomes a righteous man. Therefore, there is a case This man stops remembering someone. If someone commits sins continually though This man charges his sins, He will not remember the man. Sin is thinking of other people except God. If people continually think of somebody except for God, a lot of Satan comes into the man continually, so This man does not think of the man. Therefore, in order

for you to be in His memory, you should keep the Law of Liberty.

Hence, This man thinks of someone just one time, his fatal disease can be cured. So, not only This man, but also everybody can do it. If you think of someone, you are polluted by sins, so his sins are removed. Therefore, if you are a perfect Victor, although you are polluted, you have a power to get out of the pollution for an instance. It's possible to recharge. But if those who are not victors think of someone, he is polluted by sins, and goes to hell. Before becoming a victor, you should not think of others.

Those who evangelize will know after evangelizing, their bodies feel heavy. When you evangelize somebody, you are interested in the man. So only when you evangelize, This man clean your sins. So when you feel heavy after evangelizing, you feel light one day later. Who cleans your sins in that case? God cleans. The Victor is the Creator God. Sins are removed by just thinking of Him. Therefore, the followers of the Victory Altar are the luckiest. You feel happy, light, and floating because the Victor completely takes away your sins.

Some followers think because they are great people, so they receive a lot of grace. They boast their receiving grace. The moment they boast, a lot of devils occupy them. Hence, This man tells you to close your mouth. Therefore, soon you should become righteous men, a considerable number of men become righteous ones.*

피는 생명의 근본물질이므로 피를 많이 흘리게 되면 생명이 빠져나가 곧 죽게 된다. 병원에서도 사고를 당하여 피를 많이 흘린 환자가 오면 먼저 수혈부터 한다. 심혈관 질환에 걸린 자들, 예컨대 뇌경색, 뇌출혈 환자는 뇌의 일부 혈관이 막히거나 터져서 생기는 병인데 설명 죽지 않더라도 반신불수가 되거나 말을 못하거나 등등의 후유증이 생긴다. 그 이유는 혈관이 막혀서 생명이 되는 피가 그곳을 통과 못하니 뇌의 일부가 죽어서 후유증이 온 것이다.

뇌사자와 식물인간은 다르다

또한 뇌사자와 식물인간 상태에 있는 사람을 비교해 보면 피가 생명이라는 사실을 더욱 명확하게 알 수 있다. 뇌사자란 사고와 판단을 주관하는 대뇌피질은 물론, 맥박과 호흡 등 기본적인 생명 활동을 주관하는 뇌간(腦幹)까지 파괴되어 기능이 정지된 상태에 있는 자이다. 반면에 식물인간상태는 심장정지 등의 원인에 의해 심한 저산소성 뇌손상을 받은 환자들이 깊은 혼수상태에 빠졌다가 지속적으로 생존하는 경우를 말한다. 식물인간 상태의 경우에는 뇌간의 기능이 남아 있어 인공호흡으로 수 년 이상 생명을 이어나갈 수 있는 반면 뇌사상태에 빠지면 인공호흡기로 일시적으로 생명을 유지하더

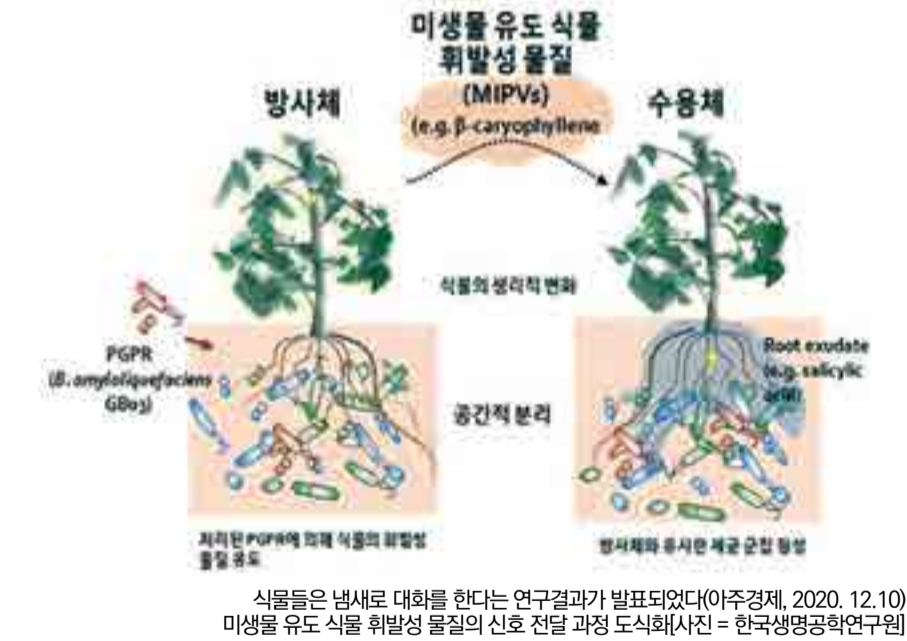

라도 대사기능 저하로 통상 2주 이내에 사망한다. [네이버 지식백과] 뇌사 (사상)상식사전, pmg 지식엔진연구소) 식물인간상태 [vegetative state] (서울대학교병원 의학정보, 서울대학교병원) 위의 정의로 볼 때 뇌사자는 죽어가는 과정에 있는 자에 불과하고, 식물인간은 생명이 되는 피가 돌고 있기 때문에 소생 가능성이 있음을 알 수 있다.

생명이 있는 사람은 누구든지 마음이 있다. 반면에 죽은 자에게는 마음이 없다. 마음은 생명을 기초로 한다. 이것은 마음이 곧 생명이라는 의미가 된다. 또한 마음은 피의 작용에 의하여 일어난다. 마음작용은 피의 작용이다. 이는 마음이 곧 피라는 의미이다. 또한 피는 생명의 근본이다. 이는 피가 곧 생명을 의미한다.

동식물은 마음이 있는가?

동물과 식물의 다른 점은 이동성에 있다. 즉 동물은 움직일 수 있지만 식물은 고정된 자리에서 못 움직인다. 또한 식물은 스스로 양분을 만들어 살 수 있는 반면 동물은 식물 또는 다른 동물을 먹어야 살 수 있지 스스로 양분을 만들 수 없다. 사람과 동물은 감정은 있지만 사람은

동식물은 마음이 있는가?

마음이 있는 반면에 동물은 마음이 없다. 즉 사람이 동물과 다른 점은 생각을 말로 표현할 수 있다는 점이다. 사람이 그림과 문자로 자신이 구상하는 일을 청중들에게 발표를 하고, 자신의 하루 일과를 일기로 쓰며, 더 나아가 문명을 발달시켜 오늘 날에 이르러 한 것은 바로 생각하는 능력 덕분이다. 하지만 동물은 아무리 지능이 높은 침팬지라고 해도 구상하는 일을 발표하고, 일기를 쓰며, 문명을 발달시키지 못한다. 동물은 사람처럼 자신의 생각을

말로 표현할 수 없으므로 마음이 없다고 하겠다.

식물도 마음이 있다

한편 식물도 마음이 있다는 연구결과가 최근 많이 발표되었다. 거짓말 탐지기에 사용되는 정밀한 심전도계(心電度計)를 꽃나무에 연결시켜 놓고 관찰해 보니, 매일같이 물을 주고 보살펴 주는 주인이 문을 열고 들어오자, 반가워하는 인간의 심장 진동과 매우 유사

한 진동이 꽃나무로부터 있었다.

그 밖에도 실험은 여러가지 측면에서 식물에게도 감정이 존재한다는 사실을 밝혀 주고 있는데, 그중 대표적인 실험 예가 [보리새우에 대한 나무의 반응] 이다.

물컵에 살아 있는 보리새우를 넣고 꽃나무 곁에 얼마 동안을 놓아 두었다. 꽃나무에는 역시 심전도계(心電度計)를 설치하고 몇 시간이 지난 후에는 자동적으로 살아 있는 보리새우가 끓는 물 속으로 들어가 죽게끔 하는 장치를 했다. 물론 방에는 아무도 없었으며 심전계만이 나무의 반응을 체크하고 있었을 뿐이었다. 여러가지 기계장치들은 소음이나 바람 등 어떤 것도 충격을 줄만한 것이 없도록 했다. 시간이 되어 살아있는 보리새우가 끓는 물속으로 미끄러져 들어가 죽게 되자, 그 동안 별다른 진동 없이 평온을 유지하던 꽃나무가 갑자기 경악스러운 진동을 했다. 사람의 반응과 너무나 흡사한 반응이 꽃나무에게서 일어났던 것이다. 이에 대해 학자들은 보리새우와 꽃나무 사이에 감정의 교환이 있다는 사실을 인정하게 되었다. (※ 1986. 3월 KBS-3TV 보도)

사람으로부터는 생각의 물질이 방사되고 있다. 그것은 육감(肉感)이라든가 분

위기라든가 하는 말로서 표현되기도 한다. 이른바 '텔레파시(telepathy :정신교감)'라고 불리는 생각의 전달도 일종의 생각의 물질을 포착하는 기능이 인간에게 있기 때문이다.

마음으로부터 생명의 물질이 나온다

그것은 사람에게 국한되는 현상이 아니다. 온 세상 만물이 다 고유의 물질을 방출하며 방출된 물질을 교환하고 있다. 우리나라의 옛 속담에 "나라가 망하려면 소나무가 말라 죽는다"는 말이 있다. 이것은 생각의 물질이 식물에 영향을 미치는 사실을 잘 표현해 주고 있다.

그 나라 백성들의 심정이 불안하고 원성이 높을 때, 사람들의 몸에서는 독소물질이 방출된다. 더구나 어떤 사람이 억울한 일을 당하고 죽었을 경우, 그가 저주하는 생각을 강하게 품고 죽는다면 그 독소물질은 물질에 영향을 미친다. 그러므로 많은 사람들이 동시에 원통하고 억울한 생각의 물질을 내놓을 때, 제일 민감한 소나무가 먼저 누렇게 말라 죽는 것이다. 식물에게도 이와 같이 감정이 전파되는 신기한 현상은 현대의 과학적인 실험으로 정확하게 증명되었으며, 여러가지 관찰의 예가 마스크를 통해 보도되기도 했다.*
