

Conditions for a True Savior

(This man refers to the Victor Christ of the Victory Altar)

The Reason Man Has the ability to Distinguish Between Good and Bad

People can distinguish good from bad because they have a heart. As humanity is the children of God, the life of God is the blood of God. Since we became human beings by receiving the blood of God, the human heart was created by the blood of God. Therefore, they have the capacity to discriminate between right and wrong.

The Buddhist scripture records that the Maitreya Buddha would appear in the country where King Gyedu ruled in 3007, after Shakyamuni died.

As This man appeared in 6000 years, in this regard, the Bible surely records that "God worked for six days and took a rest on the seventh day". The word of the Lord has its pair according to Isaiah 34:16. And 2 Peter 3:8 records, "With the Lord, a day is like a thousand years, and a thousand years are like a day." We can see the meaning of the clause, "God worked for six days and took a rest on the seventh day" by matching the clause of the other pair. As God worked for six days, calculating a day as a thousand years, God worked for 6000 years. He worked for 6000 years to produce the Savior. So the Savior was created not in a single day, but over 6000 years ago.

Creating man is easy, but because the qualification of the Savior is to emit the Holy Dew Spirit, it takes 6000 years to make the Holy Dew Spirit. The Trinity was conceived in the womb of This man's mother, which was the next step in creating the Savior. So Isaiah in the Bible writes that a virgin will deliver a son and that he will be called Immanuel.

Jesus, the False Messiah

Jesus insisted that he is Immanuel, but it is wrong. Immanuel means that

God accompanies. Jesus confessed, "if I drove out demons by the Spirit of God, then the kingdom of God has come upon you" according to Matthew 12:28. So the word of Matthew that Jesus was conceived by the spirit of God was false.

The fact that Jesus is the son of Panthela, a Roman soldier, was known to the world. In old times, Israel was a Jewish country, according to a historical recording, when Israel was occupied by Rome; Roman soldiers raped all the women in the country. Therefore, as Maria, the mother of Jesus, was also raped by Panthela, Jesus was conceived and she delivered him. The fact that Jesus is the son of Panthela, was known to all people of Israel. The fact was also known to a reporter for the BBC. When he wrote Holy Blood, Holy Grail, a British judge judged that Jesus was the son of Panthela. He was not crucified, exiled to France, and died at 84. The majority of people believed in Jesus, due to the judgment, the country fell into a state of chaos. As those who believed in Jesus did not come to believe in him, the country was in a chaotic state. So the Prime minister ordered the facts, 'Jesus is the son of a Roman soldier, Panthella, he was not crucified' not

to be announced to foreign countries. However, the facts were known to America and Europe secretly, so there are a few people who believe in Jesus.

The Root Reason People Don't Believe in the False Savior

Someday, the entire world will realize that Jesus is a phony Savior.

The words of John 11:25, "He who believes in me will live, even though he dies; and whoever lives and believes in me will never die." were not accomplished. There was nobody who died and lived again. Nobody achieved immortality by believing in Jesus. Because of the fact, a reporter for BBC wrote Holy BLOOD Holy Grail, those who read the book did not believe in Jesus any more, though they truly believed for generations.

In more advanced countries, there are fewer people who believe in Jesus because the news was known. Now a tendency which people do not believe in Jesus pervades in the world. That's because the true Savior came to Korea and has the power to annihilate Satan, he has the power to stop the word, "Satan is known as the Savior," from being spread. Communism is the nest of Christianity, as it is disappearing,

the people who believe in Jesus become less gradually. It is reasonable.

When the true Savior comes, the false Savior is supposed to be destroyed. According to Chuljang part of Gyeokamyourok with 100 percent accuracy, Sohochulsaengjinin(西湖

出生真人). 'so(西)' means iron(金), ho(湖) means po(浦). That is, the Maitreya Buddha appears in Gimpo in accordance with Gyeokamyourok. The Buddhist scripture records that the Maitreya Buddha appears in the country where King Gyedu ruled. King Gyedu ruled Silla, which is old Korea. Also Isaiah 41:1-9 in the Bible tells, "Be silent before me, you islands, he will call him in righteousness from the east, he subdues kings before him, He will call him in the end of the earth, in the corner of the land." The countries that are in the east indicate Korea and Japan. The word, "be silent, islands", means that as Japan is the land of islands, the Savior does not appear in Japan. 'Kings' in the word mean all kings. The word, 'the kings of the world surrender to the righteous man in the east' means they are supposed to greet the righteous man. 'He will call him in the end of the earth, the corner of the earth means he will call the righteous man in Korea. The righteous man of the east indicates the

Savior. The Korean Peninsula is the end of the earth's last corner of land. So the Savior was supposed to appear in Korea according to the Bible.

True Savior Was Born With the Name of Morning Star

It is sure. Also, Hosea 14:5 writes, "I will become dew to Israel, he will blossom like a lily." As God says in the Bible, "I am God." Israel is Victor in Hebrew, which means that God descends as dew to the Victor, the man who emits dew who will blossom like a lily. 84 Hymns writes about a lily, "The Savior is a lily in a valley, the bright morning star, who is the outstanding Lord over all humanity." The Savior is not only a lily but also the bright morning star. This man who emits dew was born at four in the morning. Additionally, He was born on 28th, the Star Day. So the star is the morning star. As the morning star is bright, he was named the Bright Morning(熙) Star(星).

This man was born in the Year of Sheep(辛未生), in the Month of the Sheep, on 28th day, the Day of Star, on the lunar calendar. As He was born as the Star Day, he became a star. Being born at 4 in the morning, he becomes the morning star. Therefore, He was

named the Bright Morning Star(熙星), the name of the Savior is the Bright Morning Star.

According to Revelation 2:26-28, "To him who overcomes, I will give authority over the nations--- 'He will rule them with an iron Scepter; I will also give him the morning star.'" The Victor is the Savior according to Hosea. Hosea 14:5 tells that I will be dew to Israel, he will blossom like a lily. As a lily symbolizes the Savior, who is the Bright Morning Star. It means the man who emits the Holy Dew Spirit is the Savior. Considering the Bible, Buddhist scriptures, and Gyeongamyourok, This man is unquestionably the Savior. Cameras capture the Holy Dew Spirit whenever This man leads a worship service.

According to Genesis of the Bible, God is originally light. God is light. God came as light. As God was supposed to appear as light, today God appeared as the Holy Dew Spirit. The Holy Dew Spirit is the light of God. The words, "light will come from the face of the Savior" means when the sunlight will become dark, light will shine from the face of the Savior and brighten the universe.

When Light glows from the Face of Savior Comes

When the Savior is light as complete God, the light is a dozen times brighter than that of the sun. When the light brightens the world, the news will be broadcast. When Korean broadcasting stations telecast that light goes out from the face of Mr. Cho Hee Sung, all humanity in the world will see because each country will broadcast the news. Then they will crowd to Korea to meet the Savior with treasures. As they will bring treasures to the Savior, the candidates of the Savior will become rich.*

9편 모든 만물도 신이다

성경에도 모든 만물도 하나님의 말씀으로 지었다고 하였다. 말씀은 생명이고, 생명은 빛이요, 빛은 성령이라고 하였다. 성령은 하나님의 빛이요, 빛은 생명이고, 생명은 말씀이라고 기록되어 있는 것이다. 그러므로 생명에 있는 이 세상 모든 만물은 다 하나님의 빛을 가지고 있다. 하나님의 빛이 성령이요, 성령이 바로 하나님이니, 이 세상 모든 만물이 다 하나님이 신이요, 신인 것이다.

이것을 과학적으로 살펴보면 공기, 나무, 쇠 등의 모든 만물은 전부 원소 하나 하나가 모여서 물질이 형성되어 있는 것이다. 원소의 밀집도가 강하면 강할수록

쇠와 같은 단단한 물질이 되고, 원소의 밀집도가 낮으면 낮을수록 공기나 나무와 같은 약한 물질이 되는 것이다. 그 원소 속에는 핵과 중성자를 중심으로 전자가 돌아가고 있다. 전자가 도는 것은 힘 즉 에너지가 있기 때문이다. 다시 말해 생명력이 있다는 것이다.

오늘날 과학자들이 무생물이라고 말하고 있는 것들도 사실은 생명력이 있다. 형체가 있는 것은 모두 생명력이 있으며, 생물이요, 생명에 빛이요, 빛이 하나님이신 성령 말씀은 곧 이 세상 만물이 다 신임을 나타내는 것이다.

오늘날 신이 안 보인다고 말하고 있는 모든 종교인은 신의 정의조차 모르고 있기 때문이다. 그리하여 종교와 과학이 분리된 상태에서 각자가 서로 배격하고

다. 진리는 하나이다. 진리 속에서 모든 것이 하나로 완성된다. 분리되어 있다는 것은 진리가 아니라는 증거이다.

과학계에서도 원소들이 움직이고 있는 힘이 '에너지'요, '에너지'가 빛이요, '에너지'가 생명력이라는 것을 인정한다. 빛이 에너지요, 에너지가 생명이다. 사람이 죽으면 싸늘해지는 것도 빛인 '에너지'가 없어져서 생명력이 죽기 때문이다.

그러므로 사람도 하나님이요, 만물도 하나님이요. 따라서 사람이 하나님의 몸인 영생의 빛으로 화하게 되면 만물도 영생하게 된다.*

영생을 이루는 진리의 말씀이 육비에 새겨지도록 읽고 또 읽으시다

Part 9. All creatures are gods

In the Bible, it is said that all things were created by the word of God. The Word is life, life is light, and light is the Holy Spirit. It is written that the Holy Spirit is the light of God, light is life, and life is the word. Therefore, all living things in this world have the light of God. The light of God is the Holy Spirit, and the Holy Spirit is God. Everything in this world is God.

we look at this scientifically, all things such as air, wood, and iron are all made up of elements one by one to form matter. When the density of an element is strong, it becomes a hard material such as iron,

and when the density of an element is low, it becomes a weak material such as air or wood. In the element, electrons revolve around the nucleus and neutrons. Electrons rotate because they have a force or energy. In other words, it has vitality.

What scientists today say are inanimate, in fact, has life. All things that have form have life and are living things. The Bible says that life is light and light is God, indicating that all things in this world are gods.

It is because all religious people today who say that God cannot be seen do not even know the definition of God. As such, religion and science are separated from

each other, and each is opposed to each other. Truth is one. In truth, everything is completed as one. Separation is evidence that it is not true.

Even in the scientific community, it is recognized that 'energy' is the moving force of elements, 'energy' is light, and 'energy' is life force. Light is energy, and energy is life. When a person dies, it becomes cold because the "heat energy" that is light disappears and the vitality dies.

Therefore, man is God and all things are God. Therefore, when man is transformed into the light of eternal life, which is the body of God, all things will live forever.*
