

Requirements for Residence in Heaven on Earth

(This man refers to the Victor Christ of the Victory Altar.)

If the Victor Christ has come to this earth, the kingdom of heaven will be surely built, right? Korea was liberated on the day of August 15, 1945, but while living as a colony for the Japanese for 36 years, they acted as the Japanese commanded them, and Japanese killed all those who resisted. While living with them, when Korea was liberated, it became a free country, right? In this way, when the world of the devil ends and the world of God comes into being, will all the peoples of the world shout hurrahy?

The Savior's Face Emits Light

When the cold winter is gone, the hot summer is gone, the world will always be like spring, and then the night will be gone because God's light will always go out from the Victor Christ's face. And the sun will go dark, the electric light will go out, and the fire that burns in the world will disappear.

Does burning itself mean being annihilated? Fire is the devil's fire. That fire will be gone. The light of the sun will be gone, and these electric lights will also be gone. Then will there be a fire again? No, it doesn't happen. It's a world without fire. Heaven is a world where there is no fire. In the kingdom of heaven, when people become God, they can fly if they put their mind to it, go to the heavens if they put their mind to it, and they can go to the moon and come as they please.

When we enter the kingdom of heaven, people will live long and never grow old. All old men are young. It's pretty good news, isn't it? This man is here to do that. Will the world of the devil come to an end if we build such a kingdom of heaven? Will all demons be annihilated? So the devils are trying to keep them from being annihilated? Is this world still the devil's world?

Because the devil act desperately, when the time comes, it brings a famine for three years through the whole world. All of the food on this earth's land will be gone. So people all starve to death. Something like that is sure to come. At that time, when they are on the verge of starvation because there will be no food at that time, the manna that This man had hidden, the Holy Dew Spirit, will sent down and he is supposed to feed on it.

3,500 years ago, in the time of Moses, Moses prayed and let manna like dew fall from heaven when the people of Israel had nothing to eat in the desert, so that the people of Israel lived on the food for 40 years according to the Book of Judges? So Moses said that it appeared as a shadow first, and then a prophet like Moses appeared? And he added "A prophet like me is sure to appear. Then those who do not listen to the prophet will be destroyed, and those who obey the prophet will be saved." It means that those who listen to a prophet like Moses will live forever. If they do not listen to him, they will be destroyed.

Evangelize to live forever!

Everyone, do you want to die and be buried, or do you want to live forever? What should you do to live forever? We must do a lot of evangelism and obey. You are talking very specifically. You have to obey the prophet's words and pretend to do it. Can you come alone to meet This man? No! Should you spread this live news? Should you publicize it? Is This man revealing all the realities? Did This man say that everything in this world is god? Does this flower have life here? Did This

man say that life itself is god? Life itself is god. The reason flowers die is because god in them dies.

The Trinity gave you a weapon to kill the devil.

If you want to get rid of the god of death, did This man teach you the prayer, the weapon that kills the god of death? If you keep reciting the spell of killing the devils for a flower, the devils in the flower die. Then the flower lives forever. This flower is also destined to live forever and ever, as long as the devil is killed. Do you know? Even though This man gave you all the weapons to kill the devil, you don't even use it. If you do it a few times and it gets hard, say, 'Ah, let's stop!' Then you throw it away. It's really frustrating when This man sees things like this.

Did This man say that all of you should be saviors? Each and every one of you has to become a savior and save all dying things, right? It's a good thing to save all the dying people. Do you have such an obligation to go out and spread the word of salvation? Are you all members of the Victory Altar? Do you have that duty and responsibility to make Victory Altar known all over the world?

Delight God!

Now as you know God, you have to please God. In order to gladden God, you have to live according to the will of God. If you get eternal life and you become God, will the spirits of your ancestors in you all receive eternal life? So, is this filial piety to your ancestors? If I get eternal life, the spirits of my deceased ancestors are in me, so they become Gods. It is filial

piety among filial piety. God is in the living. You have the other self of God inside you. There is the other self of God in you. And This man said to you, "Regard everyone as my body." That has the meaning. When This man said it, you should have known its meaning. Is this the doctrine of the Altar of Victory? When he said that, it's normal to know, 'Aha, your body is mine! The body of God is my body! My body is the body of God!' Foolish people do not know that. In fact, people are fools because they are occupied by the devils. Because the awareness of "I" is the devil, and their controlling spirit is the devil, the brains of people are stupid. The Victor Christ is the one who illuminates the world. What does he reveal? Because he teaches you what you don't know, it shines brightly. The fact that the darkness will disappear in this world means that a world is coming where you will know everything.

Since God in people dies, they die

If you know the cause of death, you can't die. Since if the awareness of 'I', the cause of death, is greedy or angry, or the awareness of 'I' is driven by desire, the blood will rot. Then you get old, you get wrinkles, you lose strength. Because there is more and more rotten blood, germs form in the rotten blood. Because germs multiply, you get all kinds of disease like this, right? Your body is rotting away. Because the blood is rotten, the blood of God's life is rotten. People die because God dies in them.

Joyful joy without limits

The evidence that there is God in man and that man is God is that

everyone has a desire not to die. Is there anyone who is happy and happily living a happy life? Nobody. Will tomorrow be better or will the day after tomorrow be happier? Are you living by being deceived? No one has enjoyed happiness for 6000 years. No one was there. No matter how much one has, they are not happy. Neither the person who is the richest person in the world nor the president who has the power to control the world is happy. Do you know? When it comes to happiness, happiness is to live in endless joy, joy, and ecstasy. Sometimes happy, sometimes sad, sometimes happy, that's not happiness. Do you know? You have to keep laughing, keep rejoicing, and when you're overflowing with indescribable joy, that's happiness.

Heaven is a place where there is no pain and fatigue

Heaven is a place where you can enjoy happiness forever and ever. Heaven is a world without pain. On that day, people will not sleep. People sleep because they are so tired. When that day comes, no matter how hard you work, your body is light and not hard. Heaven is a world without pain. No disease, no death, such a world is heaven! This man came to create such a world, the Victor Christ!

So, should you risk your life to cooperate or should you just watch like someone else's business? (We risk our lives to cooperate.) The Victor Christ has come to build heaven on the earth. The reason people don't want to die is because there is blood that doesn't want to die. They do not want to die because that blood is the blood of God, the ancestor of human beings,

who lived for eternity 6,000 years ago from now on. It is in their descendants.

And you hate pain again, don't you? God knows no pain! Such a heart exists because the blood of the God of the ancestors who does not know pain, does not know hardship, does not know pain, and does not know death is in the descendants. So they hate pain. Everyone likes happiness, and in order to live a happy life, will today be a better day, or will tomorrow be better? Living in the hopes of being deceived, they eventually die. That is evidence that they were gods. The father of man was God! So, God's children are God, but God's children cannot become humans.

To become God only when the degree of sacrifice increases

Do we return to God or remain as humans? So should we do what the devils(ego) tells us to do? No, we must not. If you do as what your ego tells you, you will eventually die. The blood keeps rotting. The awareness of "I" is the spirit of the devil, so if we act in the devil, our blood will continually decay. To prevent the blood from rotting, don't do what your ego tells you to do. There is a conscience in people. Conscience is always a spirit of joy. You have to live a life of sacrifice, be happy always, and smile all the time. So, the amount of your sacrifice to God is, at first, about one-tenth, and then two-tenths, then three-tenths, five-tenths, and ten-tenths. If you keep going up like this, as you go up to God, your blood will become clear to the extent that you lead a sacrificial life. If you don't do that, you will always remain a devil and go to hell. Does that mean you have to die? So, can you live like that? No. So, should you start over from now on?*

12편 <부활 순교 중생의 참뜻 -3탄>

1. 순교자

성경에는 순교자가 구원을 얻는다고 말한다. 순교자란 말은 성경 말씀이며 성경은 영적 말씀이다. 그러므로 영적 순교자다. 순교자가 성령으로 거듭난 자이며 부활자이다. 그래서 순교자는 완전히 마귀를 이긴자를 말한다. '나라는 의식'을 영적으로 죽여야 순교자다. 그러면 누구를 위해서 '나를 죽이는가? 하나님을 위해서다. 하나님을 위하여 '나라는 의식'이 죽고 마귀 육에 갇혀있는 하나님의 영이 내가 되어야 한다. 순교자가 되어야 구원이다. '나라는 의식'이 죽어야 구원이 있고 영생이 있다. '나라는 의식'이 살아 있으면 꼭 지옥에 간다. 그러므로 모두 순교자가 되어 '나를 이기고 '마귀'를 이기고 '사망'을 이기는 이긴자가 되어야 한

다. 아름다운 행동도 소용없다. 이제라도 늦지 않았으니 모두가 노력해서 순교자가 되어야 한다.

2. 부활, 순교, 중생의 뜻 마무리

성경 말씀은 모두 영적 말씀이다. 무덤도 영적 무덤이다. 영적 무덤이란 마음의 무덤이다. 마음의 무덤은 마음의 죄를 가리키는 것이다. 마음속의 죄는 핏속의 죄이다. 핏속의 죄는 마음속의 죄이다. 그러므로 죄 자체가 '나라는 의식'이다. 즉 '나라는 의식'이 무덤이다. 사람이 죽으면 그 사람이 부활이요, 이긴자가 중생자다. '나라는 의식'이 마귀이므로 사망의 영이다. 사망의 영적 무덤 속에 갇혀 있는 하나님의 영이 성령으로 거듭나는 것이 부활이다.

부활이란 영적 부활을 말하는 것이다. 인간의 마음이 하나님의 마음으로 바뀌어 지는 것이 부활이다. 중생이나 순교자도 마찬가지다. '나라는 주체 영이 '하나님'의 영으로 바뀌는 것이 중생이다. 순교도 영적 순교이다. 옛사람이 죽고 하나님이 내가 될 때 부활이요, 중생이요, 순교자가 된다.*

인류가 그렇게 기다리던 이긴자 구세주께서 영생의 양식을 듬뿍 가져오셨다. 영생의 양식을 먹는 방법은 말씀을 자신의 것으로 만들어야 한다. 인류에게 영생은 오직 이긴자 구세주에게만 있으니 영생을 이루는 진리의 말씀을 육비에 새겨지도록 읽고 또 읽어 구원의 자격을 갖춰야 한다

Real Scripture Stories to Tell the World All over the world! Let All Wake Up!

Part 12. < The True Meaning of Resurrection, Martyrdom, Second Birth - Part 3 >

1. Martyr

The Bible says that martyrs are saved. The word martyr is the word of the Bible, and the Bible is the Word of the Spirit. Therefore, "martyr" is a spiritual word. A martyr is one who has been born again by the Holy Spirit and is a resurrected person, so a martyr is someone who has completely overcome the devil. To be a martyr, you have to spiritually kill the 'Self-awareness'. Then for whom do you kill "me"? The answer is for God. For God, 'Self-awareness' must be removed and the Spirit of God, who is imprisoned in the devil's prison, must become 'I'. To be a martyr is to be saved. There is salvation and eternal life only when the

'Self-awareness' is removed. If you have the 'Self-awareness', you will definitely go to Hell. Therefore, all of us must become martyrs and overcome 'Self-awareness', overcome the 'devil', and overcome 'death'. Even good deeds are useless. It's not too late now, so everyone should make an effort to become martyrs.

2. The completion of the meaning 'Resurrection, Martyrdom, and Resurrection'

All the words of the Bible are spiritual words. The grave is also a spiritual grave. The spiritual grave is the grave of the heart. The grave of the heart points to the sins of the heart. The sin in the heart is the sin in the blood. Sin in the blood is sin in the heart. Therefore, sin itself is 'Self-awareness'. In other words, 'Self-awareness' is the grave. When a person dies, the blood in

that person rots and disappears. The rotting of the blood means the death of the spirit. The Victor Christ is the resurrection, and the Victor Christ is the resurrection. The 'Self-awareness' is the devil, so it is the spirit of death. Resurrection is the rebirth of the Spirit of God, who is imprisoned in the spiritual grave of death, into the Holy Spirit. Resurrection means spiritual resurrection. Resurrection is the transformation of the human heart into the heart of God. The same is true for sentient beings and martyrs. Regeneration is the transformation of the subject spirit called 'I' into the spirit of "God". Martyrdom is also a spiritual martyrdom. When the old human dies and God becomes me, he becomes a resurrection, a rebirth, and a martyr.*
