

You Are the One Who Have Been Raised By God Since Creation

(This man refers to the Victor Christ of the Victory Altar.)

The Bible says that all things are creatures by God, if God created them, could God be a captive of Satan? No, he couldn't be. This man is arguing that the theory of creation is a false statement, right? He is discussing with you that everything was not created but that they were Gods.

Therefore, as God is light, at the moment God became a captive of Satan, the whole body of God was the captive of the devil. Everything was light, but from the moment they became the prisoners, they completely lost their lights. This man has scientifically proved that God became a prisoner of the devil as follows.

Evidences of God's being in prison of Devil

Is there a fireball in the middle of the earth, the moon, all the stars in the universe? The fact that there is a burning ball in the center means that the burning ball itself is a light, due to the spirit of God completely becoming the captive of the devil, before the earth had been completely a burning ball, at the moment God was the prisoner of the devil, the earth lost its light, the earth was surround by soil, stones, and seas' water.

Are there only people on the earth? Are there people in the stars? In the US or NASA headquarters, they say that there are aliens and they will also come to Earth, but This man says that is a lie. There is no alien. Life exists only on Earth, nowhere else. It is only on the earth that there are animals and trees, and humans are alive.

Can humans be aware of the universe? No, they can't. But God can discuss it because he knows about the entire universe. The whole universe was a light because God occupied the whole universe and

lived there from eternity to forever. Due to the Trinity, who is not a small body but the whole universe, becoming the captive of the devil, the whole universe lost its light 6000 years ago. God's light was extinguished when he became a prisoner of the devil.

It Will Take Six Thousand Years to Restore the Trinity

God said, "He worked for six days, and rested on the seventh." There is a saying that one day is equal to 1000 years to God. So, the Trinity was occupying the entire universe as it is now, but because it was taken over by the devil, did the entire universe change into the world of the devil and the world of death? Therefore, the saying of God, "God has worked for six days and rested on the seventh day" And since there is a saying that one day is equal to 1000 years to God, and then he added that the word of Jeohova is not unpaired, matching two words, God needed 6000 years for recovering heaven, the Savior who is the hero to restore heaven was supposed to appear 6000 years later according to the Bible. But people say that Jesus is the Savior because they do not know the Bible. After 6,000 years, the Savior was expected to come out and restore the kingdom of heaven, and if the world of the devil perishes, will it be the end of the world? So in order to finish the world of the devil, does the Savior have to annihilate the devil? Because the devil has to be annihilated, should the person who will exterminate the devil come out? This man spoke to you in the early days that he fought against the captain of the Red Dragon Devil, in the War of Armageddon discussed in the Bible in the Secret Chamber and killed the captain of the devil completely,

so he has finally become a Victor and perfecter.

Therefore, he killed the first commander of the devil, and then has destroyed the second commander, the third commander.. of the devil one by one continuously so that he can free humans who became the captives of the devils. In order to release all the demons' captives, right now, does the Victor Christ have to kill all the demons who are the main characters holding people captives? Because the Victor Christ of perfection is doing the work of killing every devil in this way today, if there are only 300 righteous people, the entire universe will be changed. If 300 righteous men are made among you, the 300 righteous men will produce righteous men, so God will occupy the whole universe.

If God takes up the universe, it will be bright without the sun and moon according to the Bible. That the world is brilliant without the sun and the moon is because God and the righteous are the light, so the righteous people who become the light are increasing in infinite numbers. Therefore, will the whole universe become brighter? It is such an amazing work that the whole universe is brightened up.

You are the Candidates of God

you want. If you take a moment to think about what motivated you to come to the Victory Altar, is it clear that God led you and not you came because you wanted?

You Has Been Raised by God for 6000 years

That is why God has nurtured and nurtured that bloodline since 6,000 years to your ancestors, until today, and has made you and brought you to the Victory Altar. If you go to the Victory Altar, there is the Victor Christ, you are supposed to follow him and ride the rail on the road to eternal life? That is your destiny. That is not your choice. Now, this is precisely why you come to this Victory Altar is not because you yourself think, but since God has nurtured and nurtured your blood from 6,000 years ago. If those who are not candidates who can come to the Victory Altar and be reborn as the Holy Spirit, but are destined to go to hell, no matter how much you evangelize, can they be evangelized? No. Now, the one who is destined to be dragged away by the devil does not have the heart to come to the Victory Altar.

The reason for saying this is because you are the candidates of Victors. You are the candidates of God. As you are candidates to become God, are you here or because you wanted to come? Did God lead you to come this far? God led you to this point. Therefore, when you came here, did God raise you from 6,000 years ago, not evangelizing in an instant and bringing here. God has made you understand his word. You were raised to follow God after hearing the word of God.

There is a saying, 'fate', there is also a saying about destiny. Some people say it is a superstition. But This man talks to you that fate or destiny is a scientific word and an exact word. But everybody cannot say about fate or destiny. Only the hero of the universe can say about that. You came to the Victory Altar because you were destined to come to the Victory Altar. Chairman Ko came to the Victory Altar from Japan because he was destined to come here. If the train wants to avoid the rail and go to the right, can it derail and run? Like that, as you have come here riding the fate rail, will it possible for you not to come to the Victory Altar because you do not want to come out. Will it be possible for you not to go on the way of eternal life because you do not want to go on the way of immortality? Things don't go as

immortality.

Understand This Man's Difficulties

The reason This man is saying this now is because he went to the U.S. in 1986 and stayed there for nearly a month. This man confesses frankly that he actually ran away to America. He did not have businesses to do for a month. When This man went to America, were there believers there? No, there were not. Is there a need to stay for a month? No. At that time, honestly, This man actually ran away. Do you understand? The reason why he ran away to the U.S was that he was very tough, the burden he carried was very, very difficult. The reason is that, as This man told you from the very beginning, every day he vomitted blood, he used to live a life of losing consciousness for an hour or two while vomiting blood, waking up. If This man had not waken up, he would die forever, right? Is it hard to lose consciousness while vomiting blood? It's hard because it happened every day, right?

So This man told you in the beginning that he was scared to stand on this rostrum. He was afraid to come up on this platform like going into a lion's den, He came up to the podium to speak, and when he went down, his whole body became tens of thousands of pounds, and every night he vomited blood and black blood, lost consciousness, wandered through death, at dawn, This man recovered, took a bath and came out again every day. Although This man also has God, he is still a human being. Since he was a human, it was very tough, he was suffering unspeakably, and lived like this for 10 years since 1981, so it was wearisome.*

Extracted from the sermon of the Victor Christ on November 5st, 1991.

전세계에 알리는 진짜 경전 이야기

한국인들이여 깨어나자!

이길은 강자가 가는길

7편

하나님이 마귀에게 졌다는 것을 아셔야 되는 것이다. 마귀가 존재하는 것을 먼저 알고, 백전백패를 하면서도 계속해서 도전을 해야 마지막에 나라고 하는 것을 완전히 식은 죽 먹듯이 이길 수 있게 되는 것이다. 그대로 단번에 이길 수 있는 것처럼 생각하는 자들은 영의 사정을 전혀 모르는 자인 것이다.

나라고 하는 것이 우주를 지배하던 영인고로 짧은 기간에 되는 것이 아니고, 기를 쓰고 애를쓰는 가운데 긴긴 시간에 되 어지는 것이다. 이긴자는 낙심할 수 밖에 없고, 포기할 수 밖에 없는 고통을 겪도 포기하거나 낙심하지 않는 자인 것이다.

포기하는 자는 내가 내 몸으로 여기니까 포기하는 것이다. 내 몸을 하나님의 몸으로 여기면 마음으로 포기할 수가 없는 것이다. 포기할 수가 있는 자유가 없다는 것을 아셔야 되는 것이다.

하나님의 영은 쉽게 포기 하지 아니하고, 쉽게 낙심하지 않는 영이요, 끝까지 견디고 인내하는 영인고로, 이 하나님의 영이 기어이 마귀를 이기게 되어 있는 것이다.

이제는 때가 있는 것이다. 나를 죽이는 것이 뜻대인 것이다. 이 길은 좁은 길이요, 험산 준령의 길이다. 악대(낙타)가 비늘구멍을 통과하는 것보다도 힘들다고 했다. 나라고 하는 것을 가루도 존재도 없이 만들어야 갈 수가 있는 것이다. '해탈'이라고 하는 것을 석가모니가 몰

랐고, 예수도 '중생'을 몰랐다. 그 '해탈'의 방법, '중생'의 방법을 아는 자가 없다. '해탈'의 방법이란, 나라고 하는 것이 마귀인고로 나라고 하는 의식이 조종하는 생각을 완전히 정지시키고, 나라고 하는 것이 주장 할 수 없도록 완전히 만든 다음, 하나님의 영이 내가 될 때에 이것이 바로 '해탈'의 경지요, '중생'인 것이다.

해탈 중생의 방법을 정확하게 알려 주는 자가 나온 것이다. 그가 바로 이긴자인 것이다.*

인류 역사 이래 영생을 이루는 방법을 가르쳐준 존재는 없었습니다. 말씀의 중요성을 깊이 생각하면서 영생을 이루는 진리의 말씀이 육비에 새겨지도록 읽고 또 읽읍시다

Declaration of True Bible to World

People of the world! let your consciousness awaken!

THIS PATH THAT ONLY STRONG PEOPLE CAN TREAD

Part 7.

You must know that God has lost to the devil. Knowing that the devil exists first, and continuing to challenge even after losing a hundred battles, in the end, you will be able to defeat 'Self-Consciousness' completely. Those who think that they can win as it is at once are ignorant of the circumstances of the spirit.

'Self-Consciousness' is not something that happens in a short time because of the spirit that ruled the universe, but it is achieved over a long time through energy

and effort. The Victor is one who does not give up or become discouraged even if given the pain that has no choice but to give up and has no choice but to be discouraged. Those who give up do this because I regard myself as mine. If I regard my body as the body of God, I cannot give up on it with my heart. You have to know that there is no freedom to give up.

The Spirit of God does not give up easily, does not give up easily, and is a spirit that endures and perseveres to the end, so this Spirit of God is destined to overcome the devil.

Now there is a role model. The goal is to kill 'Self-Consciousness'. This road is a narrow road, and it is the road of the mountain climb. It is said that it is

harder than a camel to go through the eye of a needle. It is possible to make 'Self-Consciousness' without powder or existence.

Buddha did not know about 'nirvana', and Jesus did not know about 'rebirth'. He does not know the method of 'nirvana' or 'rebirth'. The method of 'nirvana' or 'rebirth' is to completely stop the thoughts controlled by 'Self-Consciousness' because of the devil, and make it impossible for 'Self-Consciousness' to claim, and then when the Spirit of God becomes me, this is the state of 'nirvana' and is a 'rebirth'.

Someone has come out who can tell you exactly how to achieve nirvana and rebirth. He is the winner.*
