

# Not living a life on the contrary of what one wants to live, they die

## Only if one lives an opposite life of what they want to live, their blood does not decay

*(This man refers to the Victor of the Victory Altar.)*

People do not know why they die. However, This man knew about the reason of their death. When This man was trained in the Secret Chamber, He found why people die. The reason of human death is their ego, that is, as the thought based on greeds moves, the blood gradually turns into devil blood, rots and eventually ends its life. If one's mind is moved and their thought is controlled by one's ego, their blood decays quickly. However, people do not know that fact. However This man realized the fact when He was trained in the Secret Chamber.

**One does not die only if they live a life on the contrary of what they want to live**

So This man lived an opposite life in order to practice not to die. There was a man who hated and was jealous of This man all the time. So This man got angry. The anger comes from ego, not from conscience that is the spirit of God. This man loved that man though he hated Him. In fact, humans cannot practice that. Only crazy person loves people who hate them. But This man did not think those kinds of persons were crazy. There was a man who hated This man, was jealous of him, bullied him

if there was a chance, let him work a lot, and made a false report about This man to the Eve Victress, and she blamed This man. No matter how badly she scolds This man, This man only said, "It's my fault, forgive me." This man has never spoken back, "I did not do that or did not say that." In the world, when children talk back to adults, they blame those children. That is the law of heaven. No matter how much you have not done wrong, if seniors scold you, apologizing that you did wrong means respecting their dignity. That is a manner for seniors. No matter how much that man made a false report to the Victress Eve, as This man admitted it, and it became a habit that he could do for some years.

Although that man has plotted for several years, This man kept going consistently without the shaking of faith, the heavenly person admitted This man.

**Walking back is a kind of an opposite life**

The motivation that This man did that is because he knew only if one lives an opposite life, Satan in their blood dies and their blood is changed. In order to experience that only an opposite life changes the blood, walk back in the room or on the playground. If you walk back for a month, your body will be light. Walking back is a kind of an opposite

life. A doctor said to a man who has backache and arthritis, "Walking backward will cure his disease." The doctor said about only healing backache or arthritis, but he did not know the change of blood. As the blood is changed, a backache and arthritis are cured.

So if one continues an opposite life, their blood is changed and humans blood is turned into that of God. So humans become Gods. Only if one becomes God, they can live forever. Only if one becomes God, they can go to heaven. The way of becoming God is an opposite life. An opposite life of one's mind, that is, if one loves honestly a hateful man, their blood is changed. Therefore, not to die, if you live a life with an opposite mind, that is, if you do what you do not want

to work, your blood is changed. And human blood is changed into that of God. If your blood is turned into that of God, your body is changed into that of God. If your body is changed into that of God, you are supposed to live forever.

**The advanced theory that only the Savior knows**

This is an advanced theory. The Savior speaks about an advanced science that today's scientists do not know. So the Savior is almighty. The man who has nothing that he does not know and has nothing that he cannot do is the Savior. Everyone, This man has kept typhoons from coming toward Korea for 24 years, removed communism, prevented the

summer rainy seasons, made Korean harvests abundant, and stopped a Korean war since 1981. Those have been accomplished by not magics but His power. Since This man became a Victor by living an opposite life continually, there is nobody who knows better than This man on the earth. If one lives an opposite life once, the grace of God comes. As the grace of God comes, the blood of man gradually turns into the blood of God and becomes the body of God. So if you all turn into God's body, you will become Gods. If you live such a life that you truly love and honor a hateful person, your blood will be changed.

Then the diseases in your body will disappear by the blood is changed. You should feel it through an experience. If you do not feel it by an experience, you do not have to come to the Victory Altar. Only if one feels that experience, communion between God and them is accomplished, God is always with them. To love a hateful person is impossible for humans.

It cannot be practiced. No matter how much you try to make an effort, at any moment, you stare at the hateful man and you hate the man naturally. That is just the way humans are. As humans' controlling spirit is Satan, which controls their thoughts, they are supposed to hate a hateful person and love a favorable man.

**A sacrificial life or an opposite life**

However, when one lives an opposite life and changes a hateful mind into a loving mind, the spirit is the clean spirit of God. Therefore, in order for humans to be completely changed into God, living an opposite life is necessary.

Since humans have the spirit of greed, the spirit of their greed controls them. Therefore, in order to have a sacrificial spirit, one should live a sacrificial life. Even if you have money, you always think that God gives you money and you have to offer God that money. That is a sacrificial life. Although you have a lot of money, helping poor people is not a good life. In the world, that life is beautiful and good. However, only God gives you money, poor people do not give you money. Therefore, you should give that money not to poor people but to God. Only if you return to God, God will bless more, then you will live better. He was never treated to meals by someone.

So This man lives a giving life all the time. It's the same now. In fact, living such an opposite life is not very difficult but impossible. When one practices an impossible thing, they are supposed to become Gods.\*

# 신금강경 해설(新金剛經 解說) <14>

**의법출생분(依法出生分) 第八**

**의지해야 할 법이 나온다(4)**

불교의 경전이 비록 내용이 방대하지만 석존께서는 분명하고 정확하게 말씀하신 설법의 뜻을 경전에 밝히고 있음을 볼 수 있습니다. 그래서 석존께서는 증일아함경과 수능엄경(首楞嚴經), 그리고 미륵대보살경(彌勒大成佛經), 천지팔양신주경(天地八陽神呪經) 등과 같은 여러 경전에서 12부경(十二部經)을 보고 도를 선택해서 닦으라고(擇道行) 한 것입니다.

12부경전에 대해서는 다음에 연구하기로 하고 계속 선지식에 대하여 알아보겠습니다.

그럼 선지식은 누구일까요? 어떤 분을 선지식이라고 하는지 이에 대한 근거 경전을 살펴보면 열반경에 다음과 같은 내용이 있습니다.

대반열반경 23권 광명변조고귀덕왕보살품(光明遍照高貴德王菩薩品) 제22-5

善男子 善知識者 所謂菩薩 佛避支佛 聲聞人中 善男子 善知識者 所謂菩薩 佛避支佛 聲聞人中 善男子 善知識者 所謂菩薩 佛避支佛 聲聞人中 善男子 善知識者 所謂菩薩 佛避支佛 聲聞人中

如說而行 自不殺生 教人不殺 乃至自行正見 教人正見 若能如是 則得名為 真善知識 人正見 若能如是 則得名為 真善知識 人正見 若能如是 則得名為 真善知識 人正見 若能如是 則得名為 真善知識

선남자여, 선지식이라 함은 부처님과 보살과 벽지불과 성문들 가운데 방등경전을 믿는 사람들이다. 어쩌서 선지식이라 하는가?

선지식은 중생들을 교화하여 열 가지 나쁜 짓을 버리고 열가지 착한 일을 닦게 하거나 이런 뜻으로 선지식이라 이름하느니라.

또 선지식은 법대로 말하고 말대로 행하는데 무엇을 말하여 법대로 말하고 말대로 행한다 하는가?

자기 스스로 살생치 않으며 다른 이로 하여 살생치 않게 하며, 또한 자기가 바른 소견을 행하고 다른 이에게 바른 소견

을 가르치는 것이니라. 스스로 보리를 닦고 다른 이로 하여 보리를 닦게 하며 이런 뜻으로 선지식이라 하느니라.

자기의 믿음과 계율과 보시와 많이 아는 것으로, 지혜를 닦아 행하고 다른 이로 하여 믿고 계율을 가지고 보시하고 많이 알아 지혜를 닦게 하니 이런 뜻으로 선지식이라고 하느니라.

선지식이라 함은 착한 법이 있는 까닭이니 무엇을 착한 법이라 하는가?

행하는 일이 스스로 즐겁기를 원치 않으며 항상 중생을 위하여 편안함과 즐거움을 찾고, 다른 이의 허물을 보고도 단점을 말하지 않고 입으로는 항상 착한 말만 하는데 이런 뜻으로 선지식이라 하느니라.

**의지해야 할 법이 나온다(5)**

善男子 雪山之中 有上香藥 名曰 娑訶 善男子 雪山之中 有上香藥 名曰 娑訶 善男子 雪山之中 有上香藥 名曰 娑訶 善男子 雪山之中 有上香藥 名曰 娑訶

若有念者得阿耨多羅三藐三菩提 若念者得阿耨多羅三藐三菩提 若念者得阿耨多羅三藐三菩提 若念者得阿耨多羅三藐三菩提

선남자여, 설산 가운데 최상품의 향기로운 약이 있는데 "사하"라 하느니라 사람들이 있어서 (그 약을) 보면 목숨이 한량 없고 병이 없어짐을 얻어서 네 가지의 덕이 있어도 상하지 않고, 만일 달는 이가 있다면 수명이 늘어서 백이십을 채우느니라.

만일 (그 약을) 생각하는 이는 속명통의 지혜를 얻느니라 왜냐하면, 약의 힘 때문이다.

부처님과 보살도 그와 같아서, 만일 (부처님을) 쳐다보는 이는 모든 번뇌가 끊어지고 없어지며 네 종류의 마귀(四魔) 있더라도 간섭하여 산란치 못하게 하고 달는 이는 목숨이 요절하지도 아니하며 나지도 않고 죽지도 않고 물러나지도 않으며 떨어지지도 않으니.

이른바 달는다 함은 부처님 곁에서 모한 법을 들어 받아 가지기 때문이니라.

만일 (부처님을) 생각하는 이는 아누다라삼막삼보리를 얻느니라, 이런 뜻으로 부처님과 보살을 일러서 선지식이라고 하느니라.

[해설] 이와 같이 선지식이란 바로 대승을 가르치는 미래의 법신불(法身佛)인 미륵부처님(彌勒佛)을 말씀하고 있는 것이며, 성문(聲聞)과 연각(緣覺) 또는 벽지불(辟支佛)을 말씀한 것이 아님을 확인할 수 있습니다.
